40-3 GOD SAVE THE KING.

DESPATCHES, Etc.

At the Court at Buckingham Palace, the 11th day of March, 1915.

PRESENT,

The KING'S Most Excellent Majesty in Council.

WHEREAS the German Government has issued certain Orders which, in violation of the usages of war, purport to declare the waters surrounding the United Kingdom a military area, in which all British and allied merchant vessels will be destroyed irrespective of the safety of the lives of passengers and crew, and in which neutral shipping will be exposed to similar danger in view of the uncertainties of naval warfare;

And whereas in a memorandum accompanying the said Orders neutrals are warned against entrusting crews, passengers, or goods to British or allied ships;

And whereas such attempts on the part of the enemy give to His Majesty an unquestionable right of retaliation;

And whereas His Majesty has therefore decided to adopt further measures in order to prevent commodities of any kind from reaching or leaving Germany, though such measures will be enforced without risk to neutral ships or to neutral or non-combatant life, and in strict observance of the dictates of humanity;

And whereas the Allies of His Majesty are associated with Him in the steps now to be announced for restricting further the commerce of Germany,—

His Majesty is therefore pleased, by and with the advice of His Privy Council, to order and it is hereby ordered as follows:—

I. No merchant vessel which sailed from her port of departure after the 1st March, 1915, shall be allowed to proceed on her voyage to any German port.

Unless the vessel receives a pass enabling her to proceed to some neutral or allied port to be named in the pass, goods on board any such vessel must be discharged in a British port and placed in the custody of the Marshal of the Prize Court. Goods so discharged, not being contraband of war, shall, if not requisitioned for the use of His Majesty, be restored by order of the Court, upon such terms as the Court may in the circumstances deem to be just, to the person entitled thereto.

II. No merchant vessel which sailed from any German port after the 1st March, 1915, shall be allowed to proceed on her voyage with any goods on board laden at such port.

All goods laden at such port must be discharged in a British or allied port. Goods so discharged in a British port shall be placed in the custody of the Marshal of the Prize Court, and, if not requisitioned for the use of His Majesty, shall be detained or sold under the direction of the Prize Court. The proceeds of goods so sold shall be paid into Court and dealt with in such manner as the Court may in the circumstances deem to be just.

Provided that no proceeds of the sale of such goods shall be paid out of Court until the conclusion of peace, except on the application of the proper Officer of the Crown, unless it be shown that the goods had become neutral property before the issue of this Order.

Provided also that nothing herein shall prevent the release of neutral property laden at such enemy port on the application of the proper Officer of the Crown.

III. Every merchant vessel which sailed from her port of departure after the 1st March, 1915, on her way to a port other than a German port, carrying

goods with an enemy destination, or which are enemy property, may be required to discharge such goods in a British or allied port. Any goods so discharged in a British port shall be placed in the custody of the Marshal of the Prize Court, and unless they are contraband of war, shall, if not requisitioned for the use of His Majesty, be restored by order of the Court, upon such terms as the Court may in the circumstances deem to be just, to the person entitled thereto.

Provided that this Article shall not apply in any case falling within Articles II or IV of this Order.

IV. Every merchant vessel which sailed from a port other than a German port after the 1st March, 1915, having on board goods which are of enemy origin or are enemy property may be required to discharge such goods in a British or allied port. Goods so discharged in a British port shall be placed in the custody of the Marshal of the Prize Court, and, if not requisitioned for the use of His Majesty, shall be detained or sold under the direction of the Prize Court. The proceeds of goods so sold shall be paid into Court and dealt with in such manner as the Court may in the circumstances deem just.

Provided that no proceeds of the sale of such goods shall be paid out of Court until the conclusion of peace except on the application of the proper Officer of the Crown, unless it be shown that the goods had become neutral property before the issue of this Order.

Provided also that nothing herein shall prevent the release of neutral property of enemy origin on the application of the proper officer of the Crown.

V.—(1) Any person claiming to be interested in, or to have any claim in respect of, any goods (not being contraband of war) placed in the custody of the Marshal of the Prize Court under this Order, or in the proceeds of such goods, may forthwith issue a writ in the Prize Court against the proper Officer of the Crown and apply for an order that the goods should be restored to him, or that their proceeds should be paid to him, or for such other order as the circumstances of the case may require.

(2) The practice and procedure of the Prize Court shall, so far as applicable, be followed *mutatis mutandis* in any proceedings consequential upon this Order.

VI. A merchant vessel which has cleared for a neutral port from a British or allied port, or which has been allowed to pass having an ostensible destination to a neutral port, and proceeds to an enemy port, shall, if captured on any subsequent voyage, be liable to condemnation.

VII. Nothing in this Order shall be deemed to affect the liability of any vessel or goods to capture or condemnation independently of this Order.

VIII. Nothing in this Order shall prevent the relaxation of the provisions of this Order in respect of the merchant vessels of any country which declares that no commerce intended for or originating in Germany or belonging to German subjects shall enjoy the protection of its flag.

THE FOREIGN OFFICE cannot assume any responsibility for the forwarding of money, letters or messages to individual persons abroad.

Payments of money to British subjects detained in enemy countries and unable to return to His Majesty's Dominions do not constitute an infringement of the Trading with the Enemy Proclamation, but it may be found necessary to forward such remittances through a neutral country.

It is suggested that persons not having friends or correspondents in neutral countries may find it possible to forward the money through Messrs. Thomas Cook and Son, or some similar agency.

Private letters to Germany, Austria-Hungary and the Ottoman Empire are now allowed to be forwarded through neutral countries *subject to the usual conditions of the censorship*, but cannot be sent direct. Letters should not be sent through British or Foreign Embassies, Legations or Consulates in neutral countries. British subjects and others wishing to communicate with friends in enemy countries must forward their letters through an agency in a neutral country selected by themselves.

Such letters must be in open envelopes enclosed in a covering letter, which must be sent through the usual postal channel to the correspondent or agency in the neutral country by which they are to be forwarded. Senders must make their own arrangements as to obtaining the necessary stamps, etc. Attempts to send such letters out of the United Kingdom by any means other than the post render persons concerned in them liable to prosecution under the Defence of the Realm Regulations. Letters should be as brief as possible, and should contain nothing but matter of a personal nature. They will be subject both to British and enemy censorship, and may be written either in the English language or in that of the country to which they are to be sent.

The Foreign Office in making the above suggestions cannot guarantee the safe delivery of either money or letters.

Saturday, the 6th day of March, 1915.

PRESENT :

HIS ROYAL HIGHNESS THE GOVERNOR
GENERAL IN COUNCIL.

THE Committee of the Privy Council have had before them a report, dated 16th January, 1915, from the Minister of the Interior, stating that by Order in Council of 15th July, 1886, he is authorized to grant free right of way in Manitoba, Saskatchewan and Alberta, to such colonization railway companies as have obtained Acts of Incorporation from the Parliament of Canada ;

That since the date of that Order in Council it has been considered that the Minister of the Interior had authority to grant free right of way to railway companies which have been incorporated by the Provincial Parliaments but which have been taken over by railway companies incorporated by the Dominion. The Minister is, however, now advised that the Order in Council of 15th July, 1886, does not authorize such grants,—

The Minister recommends,—in view of this advice and of the fact that it is desired to grant free right of way to provincially incorporated companies which are not, in so far as the Department of Interior is aware, subsidiary to companies holding Dominion charters,—that the above mentioned Order in Council of 15th July, 1886, be extended to apply to railway companies which have obtained or may obtain Acts of Incorporation from the Provincial Parliaments and be made retroactive to cover the past practice of the Department of the Interior.

The Committee concur in the foregoing and submit the same for approval.

Clerk of the Privy Council.

Saturday, the 13th day of March, 1915.

PRESENT :

HIS ROYAL HIGHNESS THE GOVERNOR
GENERAL IN COUNCIL.

THE Committee of the Privy Council have had before them a report, dated 4th March, 1915, from the Minister of the Interior, submitting that authority was granted on the 31st May, 1911, under the provisions of The Irrigation Act, to Mr. Daniel Edward Riley, of High River, Alberta, for the construction of a system of works—taking water from Westropp Creek on the northwest quarter of Section twenty-eight (28) and from a creek on the northeast quarter of Section twenty-eight (28), both in Township thirteen (13), Range two (2), west of the Fifth Meridian for the irrigation of a tract of one hundred and eighty (180) acres in the northeast quarter of Section twenty-eight (28) and the northwest quarter of Section twenty-seven (27) in the above township and range ;

The Minister states that an application has been made by the said Mr. Daniel Edward Riley to purchase the northwest quarter of Section twenty-seven (27), Township thirteen (13), Range two (2), west of the Fifth Meridian, which he holds under a grazing lease. The Commissioner of Irrigation has reported the scheme as feasible and recommended the sale. The works have all been constructed and a water license issued,—

The Minister, therefore, recommends that authority be given for the sale, under the irrigation system, to the said Daniel Edward Riley of the northwest quarter of Section twenty-seven (27), Township thirteen (13), Range two (2), west of the Fifth Meridian, at \$3.00 per acre, subject to the conditions provided in the regulations respecting such sales.

The Committee submit the same for approval.

Thursday, the 11th day of March, 1915.

PRESENT :

HIS ROYAL HIGHNESS THE GOVERNOR
GENERAL IN COUNCIL.

THE Committee of the Privy Council have had before them a report, dated 22nd February, 1915, from the Minister of the Interior, stating that section 41 of the regulations for the disposal of quartz mining claims, approved by Order in Council, dated 13th August, 1908, provides that the recorded owner of a mineral claim shall be entitled to hold the same from year to year provided that during each such year and each succeeding year he shall do or cause to be done work on the claim itself to the value of \$100 ;

That representations have been made to the Department of the Interior that the financial stringency resulting from the war has rendered it exceedingly difficult for the recorded owners of mineral claims, acquired under the above regulations, to perform the required representation work on locations situated in remote localities in the northern portions of the Provinces of Manitoba, Saskatchewan and Alberta, and numerous applications have been made to the Department for extensions of time within which to incur the required annual expenditure on such locations ;

That in view of the difficulties of access to mineral claims situated in the northern portions of the Provinces above enumerated, and the exceptional conditions which have been brought about by the war, the Minister recommends that he be authorized to grant the recorded owners of mineral claims acquired under the regulations for the disposal of quartz mining claims, situated in the northern portions of the Provinces of Manitoba, Saskatchewan and Alberta, (that is, those portions lying north of the southern boundary of Township 17 in the Province of Manitoba, those portions lying north of the southern boundary of Township 47 in the Province of Saskatchewan, and those portions lying north of the southern boundary of Township 60 in the Province of Alberta), an extension of time for one year from this date within which to furnish evidence of the required expenditure in mining operations upon such locations, as required by section 41 of the regulations above referred to.

The Committee concur in the foregoing and submit the same for approval.

Clerk of the Privy Council.

Friday, the 12th day of March, 1915.

PRESENT :

HIS ROYAL HIGHNESS THE GOVERNOR
GENERAL IN COUNCIL.

THE Committee of the Privy Council have had before them a report, dated 1st March, 1915, from the Minister of the Interior, submitting that, by an Order in Council, dated 17th June, 1907, a grant was authorized to the Town of Battleford of the available undisposed of lots in that townsite, with the exception of such lots as had been reported by the Homestead Inspector as being occupied and improved ;

It has been the practice of the Department of the Interior to dispose of the lots which were reported as having improvements thereon to the person in occupation. The Town of Battleford has stated that sufficient time has been given to enable those who had any claim to such lots to purchase the same, and has asked that any lots not so acquired be transferred to the Town,—

A report having been received from the Homestead Inspector setting out that a number of the lots which were formerly reported as occupied and improved are now vacant, the Minister therefore recommends that a free grant be authorized to the Town of Battleford of such of the available lots in that townsite as are on

inspection found to be vacant or to have such improvements thereon as do not merit consideration.

The Minister further submits that ten lots in the townsite, which had formerly been reported as occupied and improved but on later inspection were found to be vacant, were transferred to the Town in 1909, and as this transfer was in accord with the desire of the Department he recommends that the grant to the Town of Battleford of the said ten lots be now authorized.

The Committee concur in the foregoing and submit the same for approval.

(75) TRANS-ATLANTIC STEAMSHIP ROUTES—ICE PATROL SERVICE.

For the purpose of carrying on the International Ice Observation and Ice Patrol Service provided for by the International Convention for the Safety of Life at Sea, London, 1913-14, the U. S. Coast Guard Cutter *Seneca* has been detailed for this service, and left New York on Feb. 15, proceeding to the Grand Banks of Newfoundland to locate the ice fields and positions of the icebergs; keeping in touch with the situation; making such observations as practicable on the quantities of ice, its kind and extent, its drift; and obtain any other information that may seem to be of value.

The object of the patrol is primarily to ascertain the location and progressive movement of the limiting lines of the regions in which icebergs and field ice exist in the vicinity of the Grand Banks of Newfoundland, and the dissemination of the information so ascertained for the guidance and warning of navigators, and co-ordinately with these primary duties in making oceanographical and meteorological observations as will form a contribution toward the knowledge of the causes why the limiting lines assume their observed locations.

During the period of ice observations, the *Seneca* will be the only vessel employed on this duty, but when the ice has moved southward so as to make a constant patrol necessary, an additional vessel will be detailed for that purpose. The experience of previous years has shown that a continuous ice patrol should be established about April 1, and should continue throughout the season of dangerous ice conditions.

Upon getting in touch with the ice the *Seneca* will send a report daily to the U. S. Branch Hydrographic Office, New York City, at 4 p.m., 75th meridian time, addressed "Hydrographic, New York." An endeavor will be made to communicate the message direct to coast radio stations. If unable to communicate with any of these stations, the message will be relayed through any vessel within reach.

The ice information will be given in as plain and concise English as practicable, and will state the following:

- (a) Ice (berg or field).
- (b) Date
- (c) Time (75th meridian time).
- (d) Latitude.
- (e) Longitude.
- (f) Other data as may be necessary.

While on this duty, the patrol vessel will endeavour by means of daily radio messages to keep ships at sea advised of the limits of the ice fields, etc.

The *Seneca's* radio call letters are N R E. She uses wave lengths of 300, 600 and 750 metres.

The radio messages from the patrol ships will be given publicity immediately upon their receipt by the U. S. Branch Hydrographic Office, New York, and by the U. S. Hydrographic Office, Washington, D. C.

(83) CAUTION WHEN APPROACHING BRITISH PORTS.

PART I.

Closing of Ports.

(1) My Lords Commissioners of the Admiralty, having taken into consideration the fact that it may be necessary to forbid all entrance to certain ports of the Empire, this is to give Notice that on approaching the shores of the United Kingdom, or any of the ports or localities of the British Empire, referred to in Part III of this Notice, a sharp look-out should be kept for the signals described in the following paragraph, and for the vessels mentioned in paragraph (5), Part II, of this Notice, and the distinguishing and other signals made by them. In the event of such signals being displayed the port or locality should be approached with great caution, as it may be apprehended that obstructions may exist.

(2) If entrance to a port is prohibited, three *Red* vertical lights by night, or three *Red* vertical balls by day, will be exhibited in some conspicuous position, in or near to its approach, which signals will also be shown by the vessels indicated in paragraph (5), Part II, of this Notice.

If these signals are displayed, vessels must either proceed to the position marked "Examination Anchorage" on the Admiralty charts and anchor there, or keep the sea.

(3) At all the ports or localities at home or abroad referred to in Part III. of this Notice, search-lights are occasionally exhibited for exercise.

Instructions have been given to avoid directing movable search-lights during practice on to vessels under way, but mariners are warned that great care should be taken to keep a sharp look-out for the signals indicated in paragraph (2) above, when search-lights are observed to be working.

PART II.

Examination Service.

(4) In certain circumstances it is also necessary to take special measures to examine vessels desiring to enter the ports or localities at home or abroad, referred to in Part III of this Notice.

(5) In such case, vessels carrying the distinguishing flags or lights mentioned in paragraph (7) will be charged with the duty of examining ships which desire to enter the ports and of allotting positions in which they shall anchor. If Government vessels, or vessels belonging to the local port authority, are found patrolling in the offing, merchant vessels are advised to communicate with such vessels with a view to obtaining information as to the course on which they should approach the Examination Anchorage. Such communication will not be necessary in cases where the pilot on board has already received this information from the local authorities.

(6) As the institution of the Examination Service at any port will never be publicly advertised, especial care should be taken in approaching the ports, by day or night, to keep a sharp look-out for any vessel carrying the flags or lights mentioned in paragraph (7), and to be ready to "bring to" at once when hailed by her or warned by the firing of a gun or sound rocket.

In entering by night any of the ports mentioned in Part III, serious delay and risk will be avoided if four efficient all round lamps, two *red* and two *white*, are kept available for use.

(7) By day the distinguishing flags of the Examination Steamer will be a special flag (white and red horizontal surrounded by a blue border) and a blue ensign.

Also, three red vertical balls if the port is closed.

By night the steamer will carry:—

(a) Three *red* vertical lights if the port is closed.

(b) Three *white* vertical lights if the port is open.

The above lights will be carried in addition to the ordinary navigation lights, and will show an unbroken light around the horizon.

(8) Masters are warned that, before attempting to enter any of these ports when the Examination Service is in force, they must in their own interests strictly obey all instructions given to them by the Examination Steamer. In the absence of any instructions from the Examination Steamer they must proceed to the position marked "Examination Anchorage" on the Admiralty Charts and anchor there, or keep the sea.

Whilst at anchor in the Examination Anchorage, Masters are warned that they must not lower any boats (except to avoid accident), communicate with the shore, work cables, move the ship, or allow anyone to leave the ship, without permission from the Examination Steamer.

(9) In case of fog, Masters are enjoined to use the utmost care, and the Examination Anchorage itself should be approached with caution.

(10) Merchant vessels when approaching ports are especially cautioned against making use of private signals of any description, either by day or night; the use of them will render a vessel liable to be fired on.

(11) The pilots attached to the ports will be acquainted with the regulations to be followed.

PART IV.

Sweeping Operations.

H. M. Vessels are constantly engaged in sweeping operations off ports in the United Kingdom.

Whilst so engaged, they work in pairs connected by a wire hawser, and are consequently hampered to a very considerable extent in their manœuvring powers.

With a view to indicating the nature of the work on which these vessels are engaged, they will show the following signals:—

A black ball at the foremast head and a similar bar at the yardarm, or where it can best be seen, on that side on which it is dangerous for vessels to pass.

For the public safety, all other vessels, whether steamers or sailing craft, must keep out of the way of vessels flying this signal, and should especially remember that it is dangerous to *pass between* the vessels of a pair.

All communications must be addressed to the undersigned and endorsed on the envelope: "Tender for the Quyon Ferry."

The Department does not bind itself to accept the highest or any tender.

SUBSTANCE OF RULES OF THE SENATE RELATING TO NOTICES AND APPLICATIONS FOR BILLS OF DIVORCE.

As Revised and brought in force 22nd March, 1906.

Every applicant for a Bill of Divorce shall give notice of his or her intended application, and shall specify therein from whom and for what cause such divorce is sought, and shall cause such notice to be published during at least three months before the consideration by the Committee on Divorce of his or her petition for the said Bill, in the *Canada Gazette* and in two newspapers published in the district in Quebec, Manitoba, Saskatchewan, Alberta, British Columbia or the Northwest Territories, or in the county or union of counties in other provinces, wherein such applicant usually resided at the time of the separation of the parties; but if the requisite number of papers cannot be found therein, then in an adjoining district or county or union of counties.

Notices given in the Provinces of Quebec and Manitoba are to be published in one English and one French newspaper, if there be such newspapers published in the district, but otherwise shall be published in one newspaper in both languages. If a notice given for any session of Parliament is not completed in time to allow the petition to be dealt with

during that session the petition may be presented and dealt with during the next ensuing session, without any further publication of such notice.

A copy of the said notice and a copy of the petition to be presented shall, at the instance of the applicant, and not less than two months before the consideration by the Committee of the petition, be served personally, when that can be done, on the person from whom the divorce is sought, who is hereinafter called "the respondent."

If the residence of the respondent is not known or personal service cannot be effected, then, if it be shown to the satisfaction of the Committee that all reasonable efforts have been made to effect personal service, and, if unsuccessful, to bring such notice and petition to the knowledge of the respondent, what has been done may be deemed and taken by the Committee as sufficient service.

No petition for a bill of divorce shall be presented to the Senate after the first sixty days of the Session.

The petition of an applicant for bill for divorce must be fairly written and must be signed by the petitioner, and should briefly set forth the marriage, the names in full of the parties thereto, their ages and occupations, when, where and by whom the ceremony was performed, the domicile and residence of each of the parties at the time of the marriage, their matrimonial domicile, residence, and any change thereof, the material facts upon which the petitioner relies as the grounds on which relief is asked, and the nature of the relief prayed for.

The petition should also negative connivance at, or condonation of the wrong complained of and collusion in the application for divorce.

The allegations of the petition must be verified by declaration of the petitioner, under *The Canada Evidence Act, 1893*.

The copy of the petition served upon the respondent shall have endorsed thereon, or appended thereto, the following information:—

- (1) The petitioner's residence at the time of service.
- (2) A Post Office address in Canada at which letters and notices for the petitioner may be delivered.
- (3) The name and address of the solicitor, if any, acting for the petitioner.

(4) If such solicitor's address is not at Ottawa, the name and address of some agent for him at Ottawa, upon whom all notices and papers may be served.

(5) That if the respondent desires to oppose the granting of the divorce and to be heard by the Senate Committee on Divorce, the respondent must send a notice to that effect to the Clerk of the Senate at the Parliament Buildings, Ottawa, within two months from the date of service upon the respondent, and must in the notice to the Clerk of the Senate give:—

- (a) The respondent's residence at the time of sending such notice.
- (b) A Post Office address in Canada at which letters and notices for the respondent may be delivered.
- (c) The name and address of the solicitor, if any, acting for the respondent.
- (d) If such solicitor's address is not at Ottawa, the name and address of some agent for him at Ottawa upon whom all notices and papers may be served.

(6) That, if the respondent does not so notify the Clerk of the Senate, the petition may be considered, and a bill of divorce founded thereon may be passed, without any further notice to the respondent.

(7) When the petition is one by a husband for a divorce from his wife, that, if the wife shows to the satisfaction of the Senate Committee on Divorce that she has, and is prepared to establish upon oath, a good defence to the charges made by the petition, and that she has not sufficient money to defend herself, the Committee may make an order that her husband shall provide her with the necessary means to sustain her defence, including the cost of retaining Counsel and the travelling and living expenses of herself and of witnesses summoned to Ottawa on her behalf.

No petition for a bill of Divorce shall be considered by the Committee unless the applicant has paid into the hands of the Clerk of the Senate the sum of two hundred and ten dollars, (\$210.)

The petition when presented to the Senate shall be accompanied by the evidence of the publication of the notice, and by declaration in evidence of the service of a copy of the notice and of a copy of the petition.

A copy of every petition for a Bill of Divorce, or relating to any matter arising out of an application for divorce, and of every document and paper accompanying such petition or produced in evidence before the Committee, shall be furnished to the Committee by the person on whose behalf the petition, document or paper is presented or produced.

DÉPÊCHES, Etc.

Du Secrétaire d'Etat pour les Colonies au Gouverneur général.

CANADA,
N° 193.

DOWNING STREET,

4 mars 1915.

RELATIVEMENT à ma dépêche n° 106 du 5 du mois dernier, j'ai l'honneur de faire part à Votre Altesse Royale, pour le renseignement de Vos Ministres, que par un arrêté en conseil en date du 2 mars, la proclamation du 3 février consolidant les diverses proclamations et les arrêtés prohibant l'exportation du Royaume-Uni de certains articles a été modifiée comme suit :

(1) L'item "Filières, à diamant, pour étirer le fil d'acier," dans la liste des marchandises dont l'exportation est prohibée à toute destination que ce soit à l'étranger autre que dans les possessions et protectorats britanniques a été retranché et que l'item suivant : "Filières, à diamant, pour étirer le fil d'acier, et les diamants préparés à leur usage," a été inséré à sa place.

(2) Les articles suivants ont été ajoutés à la liste des marchandises dont l'exportation est prohibée à toute destination que ce soit à l'étranger autre que dans les possessions et protectorats britanniques :

Cire de paraffine ;
Prussiate de soude.

J'ai, etc.,

L. HARCOURT.

Le Gouverneur général Son Altesse Royale

Le Duc de Connaught et Strathearn, C.J.,
etc., etc., etc.

4077/15]

LE Foreign Office ne peut prendre aucune responsabilité au sujet de l'expédition de deniers, lettres ou messages à des particuliers à l'étranger.

Le paiement de deniers à des sujets britanniques détenus en pays ennemi et ne pouvant revenir dans les possessions de Sa Majesté ne constitue pas une violation de la Proclamation relative au commerce avec l'ennemi, mais il peut être jugé nécessaire de faire ces remises par l'entremise d'un pays neutre.

On suggère que les personnes qui n'ont pas d'amis ou de correspondants en pays neutres pourraient peut-être expédier des deniers par l'entremise de Messrs Thomas Cook and Son ou autre agence semblable.

Les lettres privées adressées à l'Allemagne, à l'Autriche-Hongrie et à l'Empire Ottoman peuvent maintenant être envoyées par des pays neutres *subordonnement aux conditions ordinaires de la censure*, mais elles ne peuvent être envoyées directement. Les lettres devraient être expédiées par l'entremise des ambassades, légations ou consulats britanniques ou étrangers en pays neutres. Les sujets britanniques et autres désirant communiquer avec des amis en pays ennemis doivent expédier leurs lettres par l'entremise d'une agence en pays neutre choisie par eux-mêmes.

Ces lettres doivent être mises dans des enveloppes décachetées et incluses dans une enveloppe cachetée, laquelle doit être expédiée par la poste ordinaire au correspondant ou à l'agence en pays neutre par lequel ces lettres doivent être expédiées. Les expéditeurs doivent faire leurs propres arrangements pour obtenir les timbres nécessaires, etc. Les personnes intéressées qui tenteront d'envoyer de telles lettres hors du Royaume-Uni par tout moyen autre que par la poste seront exposées à des poursuites en vertu des Règlements concernant la défense du royaume. Les lettres doivent être aussi courtes que possible et ne contenir que des choses d'une nature personnelle. Elles seront soumises à la censure britannique comme à celle de l'ennemi, et elles peuvent être écrites soit en langue anglaise ou en celle du pays destinataire.

Le Foreign Office, en faisant les suggestions ci-dessus, ne peut garantir la livraison certaine soit des deniers ou des lettres.

Foreign Office, 1915.

ATTENDU qu'il est jugé opportun que soit restreint le transfert de navires britanniques à des personnes qui n'ont pas qualité pour posséder des navires britanniques,—

Par conséquent, il plaît au Gouverneur général en conseil, en vertu des dispositions de la *Loi des mesures de guerre, 1914*, de décréter par ces présentes ce qui suit :—

(1.) Après la date des présentes le transfert d'un navire britannique enregistré au Canada, ou d'une part dans un tel navire, à une personne qui n'a pas qualité pour posséder un navire britannique n'aura aucun effet à moins que le transfert soit approuvé par le Ministre de la Marine et des Pêcheries au nom de Sa Majesté.

(2.) Toute personne qui fait ou tente de faire un tel transfert après la dite date sans cette approbation est passible pour chaque infraction d'une amende n'excédant pas \$5,000 ou d'emprisonnement pour une période n'excédant pas cinq ans, ou de l'amende et de l'emprisonnement, et ces peines peuvent être imposées sur conviction sommaire ou après mise en accusation.

AU comité du Conseil privé a été soumis un rapport du Ministre de l'Intérieur, daté le 22 février 1915, représentant que l'article 41 des règlements pour la concession de claims de mines de quartz, approuvés par un arrêté en conseil du 13 août 1908, prescrit que le propriétaire enregistré d'un claim minier a le droit de le détenir d'année en année pourvu que durant chaque année et chaque autre année qui suit il exécute ou fait exécuter des travaux sur le claim pour une somme de \$100.

Des représentations ont été faites au Département de l'Intérieur que la crise financière résultant de la guerre ont rendu excessivement difficile pour les propriétaires enregistrés de claims miniers acquis sous l'empire des règlements ci-dessus mentionnés d'exécuter les travaux susdits sur des concessions situées dans des régions éloignées dans le nord des provinces de Manitoba, Saskatchewan et Alberta, et le Département a reçu de nombreuses demandes d'extension de la période durant laquelle la dépense prescrite par les règlements doit être faite sur ces concessions.

Attendu que ces claims miniers dans le nord des provinces ci-dessus mentionnées sont d'un accès difficile, et en vue des conditions exceptionnelles créées par la guerre, le Ministre demande l'autorisation d'accorder aux propriétaires enregistrés de claims miniers, acquis sous l'empire des règlements ci-dessus mentionnés et situés dans le nord des provinces de Manitoba, Saskatchewan et Alberta (c'est-à-dire dans les régions au nord de la borne sud du township 17, dans la province de Manitoba, au nord de la borne sud du township 47 dans la province de la Saskatchewan, et au nord de la borne sud du township 60 dans la province d'Alberta), un délai d'un an de la présente date pour fournir la preuve qu'ils ont dépensé en travaux miniers sur ces concessions la somme requise par l'article 41 des règlements précités.

Le comité soumet cette demande pour approbation.

AU comité du Conseil privé a été soumis un rapport du Ministre de l'Intérieur daté le 1er mars 1915, représentant que par un arrêté en conseil en date du 17 juin 1907, ont été cédés à la municipalité de Battleford tous les terrains disponibles situés dans l'emplacement de cette ville à l'exception des terrains qui, d'après les rapports de l'inspecteur des homesteads, sont en occupation et sur lesquels des travaux ont été faits ;

Jusqu'ici la coutume du Ministère de l'Intérieur a été de céder à la personne qui était en occupation les terrains sur lesquels, d'après le rapport de l'inspecteur, des travaux avaient été faits. La ville de Battleford soumet que ceux qui ont un titre quelconque à ces terrains ont eu tout le temps voulu pour les acheter et demande que tous les terrains qui n'ont pas été ainsi acquis soient cédés à la ville,—

Considérant que l'inspecteur des homesteads fait rapport que certains des terrains que des rapports précédents désignaient en occupation et soumis à des travaux utiles sont maintenant inoccupés, le Ministre recommande qu'il soit cédé à la ville de Battleford tous les terrains disponibles dans l'emplacement de cette ville qui, après inspection faite, seront rapportés inoccupés ou sur lesquels on n'aura fait que des travaux sans importance.

Le Ministre ajoute que dix terrains situés dans l'emplacement de la ville, qui, dans un rapport antérieur, avaient été désignés en occupation et sous travail, mais après inspection ultérieure ont été rapportés inoccupés furent cédés à la ville en 1909, et comme cette concession rencontre les vues du Ministère, il recommande que la dite concession de ces dits terrains à la ville de Battleford soit confirmée.

Le comité soumet cette recommandation pour approbation.

AU comité du conseil privé a été soumis un rapport du Ministre de l'Intérieur, daté le 4 mars 1915, représentant que M. Daniel Edward Riley, de High-River, Alberta, a été autorisé le 31 mai 1911, sous l'empire de la *Loi d'irrigation*, à exécuter des travaux pour prendre l'eau du creek Westropp, dans le quart nord-ouest de la section 28, et d'un creek dans le quart nord-est de la section 28, tous deux dans le township 13, rang 2, à l'ouest du 5e méridien, pour l'irrigation d'un terrain de 180 acres dans le quart nord-est de la section 28 et le quart nord-ouest de la section 27, dans les dits township et rang ;

Le Ministre représente que M. Daniel Edward Riley a demandé d'acheter le quart nord-ouest de la section 27, township 13, rang 2, à l'ouest du 5e méridien, sur lequel il a une concession de pâturage. Le commissaire de l'irrigation a fait rapport que le projet est praticable et a recommandé la vente. Les travaux ont été parachevés et un permis a été émis pour le détournement de l'eau,—

Par conséquent, le Ministre recommande que sous l'empire des règlements d'irrigation l'autorisation soit accordée de vendre au dit Daniel Edward Riley le quart nord-ouest de la section 27, township 13, rang 2, à l'ouest du 5e méridien, à \$3 l'acre, la vente étant sujette aux conditions prévues dans les règlements concernant les ventes de ce genre.

Le comité soumet cette recommandation pour recommandation.

ATTENDU que sous l'empire de l'article 17 de la *Loi des réserves forestières et des parcs fédéraux*, ainsi que modifié par l'article 4 du chapitre 18, 3-4 George V, et sous l'empire de l'article 18 de cette première loi, ainsi que décrété par l'article 5 du chapitre 18, 3-4 George V, le Gouverneur en conseil peut établir des règlements au sujet des parcs et de leur administration, conformément aux dispositions de la *Loi des réserves forestières et des parcs fédéraux* ;

Et attendu que l'article 61 des règlements régissant les parcs nationaux du Canada, approuvé par un arrêté en conseil du 21 juin 1909, et établis par un arrêté en conseil du 6 juin 1911, ainsi que modifiée par des arrêtés en conseil subséquents, prescrit que personne ne chassera, prendra, tuera, blessera, ou détruira, ou poursuivra avec telle intention un animal ou oiseau sauvage dans les limites des parcs ; cependant, ni cet article ni aucun autre des règlements susdits ne définit le mot "gibier" ou ne fait de la possession du gibier pris dans les parcs une contravention sujette à poursuite ;

Et attendu qu'il a été représenté que du gibier de haute valeur est exposé à être détruit par des animaux carnassiers et que même la vie humaine peut être menacée par ces animaux dangereux ;

Et attendu que ni l'article 61 précité, ni aucun autre article des règlements régissant les parcs nationaux ne contiennent de dispositions pour la capture des animaux et des oiseaux sauvages pour des fins zoologiques et scientifiques ou pour la collection d'animaux et d'oiseaux sauvages pour les musées et autres fins scientifiques,—

Par conséquent, il plaît à Son Altesse Royale le Gouverneur général en conseil de décréter que l'article 61 susdit des règlements régissant les parcs nationaux soit par ces présentes modifié de manière à se lire comme suit :

61. "Gibier" signifie et comprend tous les animaux et les oiseaux protégés par les présents règlements, ainsi que les têtes, peaux et toute autre partie de ces animaux et de ces oiseaux. Personne ne chassera, prendra, tuera, blessera, détruira, ou poursuivra avec telle intention un gibier quelconque dans les limites des parcs, et à moins d'y être expressément autorisé par les présents règlements personne n'aura en sa possession, ou en la possession de son serviteur ou agent, ou de toute autre personne en son nom du gibier ou du poisson tué ou pris dans les limites d'un parc.

(a) Les animaux nuisibles, carnassiers ou dangereux, et les oiseaux nuisibles dans les limites des parcs peuvent être capturés ou tués en aucun temps par tout garde-forestier relevant de l'administration des parcs.

(b) Avec le consentement et l'autorisation du Ministre de l'Intérieur, tous animaux et oiseaux quelconques requis pour des fins scientifiques peuvent être capturés ou tués en aucun temps dans les limites des parcs par un garde-forestier relevant de l'administration des parcs.

GÉNÉRAL EN CONSEIL.

Un comité du Conseil privé a été soumis un rapport du Ministre de l'Intérieur, daté le 16 mars 1915, représentant que Herbert J. Scott a obtenu l'inscription de homestead pour le quart nord-ouest de la section 36, township 7, rang 26, à l'ouest du 2e méridien, le 27 octobre 1911;

Le Ministre représente que d'après les renseignements reçus ce colon s'est acquitté des devoirs de résidence suivants :

Du 20 novembre 1912 jusqu'au commencement de mai 1913, et du 12 novembre 1913 jusque vers le mois d'avril 1914.

Améliorations :

Maison en bois..... \$125.00
20 acres de défoncement, dont 10
acres ont été ensemencés en 1914.

Il a été représenté au département de l'Intérieur que M. Scott souffre d'ataxie locomotrice si avancée qu'il est pratiquement confiné à la maison et qu'il ne pourra jamais plus résider sur son homestead,—

Le Ministre soumet la copie ci-annexée d'un certificat médical et, en vue des déclarations qui y sont faites, il recommande qu'en vertu des dispositions du paragraphe 2 de l'article 20, chapitre 20, 7-8 Edouard VII, M. Scott soit exempté de toute autre obligation de résidence afin que la patente gratuite de ce terrain puisse lui être accordée dès qu'il aura établi de la manière ordinaire que les autres conditions de la loi ont été observées.

Le comité soumet cette recommandation pour approbation.

Un comité du Conseil privé a été soumis un rapport du Ministre de l'Intérieur, daté le 15 mars 1915, représentant que M. Archibald Walker, de Prince-Albert, est propriétaire du quart sud-est de la section 22, township 47, rang 1, à l'ouest du 3e méridien, qui est adjacent à la borne de la réserve Pines Forest, dans la province de Saskatchewan; que ce terrain a été examiné et qu'on a constaté que le sol était très sableux et couvert d'une quantité considérable de l'essence dite "Jack Pine," et qu'il convient mieux à la production forestière qu'à l'agriculture; que si possible ce terrain devrait, par conséquent, être inclus dans la réserve de Pines Forest; que M. Walker a consenti à céder ce quart de section pour cette fin pourvu qu'on lui concède un autre quart de section pour remplacer celui-là,—

Par conséquent, le Ministre recommande que dès que M. Walker aura exécuté un acte de cession du terrain en question la concession lui soit accordée du quart sud-ouest de la section 23, township 46, rang 27, à l'ouest du 2e méridien, cette partie des terres fédérales étant vacante et disponible.

Le comité soumet cette recommandation pour approbation.

Un comité du Conseil privé a été soumis un rapport du Ministre de l'Intérieur, daté le 19 mars 1915, représentant que la compagnie dite "Grand Trunk Pacific Branch Lines Company" a demandé la concession de 16'41 acres de la moitié nord de la section 28-17-20 à l'ouest du 2e méridien, qui peuvent être décrits plus minutieusement comme suit :

Toute la partie de la dite demi-section située au nord d'une ligne parallèle à la borne nord de la dite demi-section et éloignée de cette borne de 135'9 pieds perpendiculairement vers le sud. Ce terrain doit être employé pour le passage de la voie de l'embranchement Regina-Moosejaw;

Par un arrêté en conseil du 11 août 1911, la moitié nord de la section 28-17-20, à l'ouest du 2e méridien ci-dessus mentionnée, est mise en réserve durant bon plaisir pour la gendarmerie à cheval du Nord-Ouest pour les fins d'un champ de tir, et le contrôleur de la gendarmerie a avisé le Ministre de l'Intérieur qu'il n'a pas d'objection à ce que la demande de la compagnie soit accordée,—

Par conséquent, le Ministre recommande que cette lisière de terrain de 135'9 pieds de largeur soit soustraite de la demi-section réservée à la gendarmerie à cheval du Nord-Ouest.

Le comité soumet cette demande pour approbation.

A U comité du Conseil privé a été soumis un rapport du Ministre de l'Intérieur, daté du 16 janvier 1915, représentant qu'il est autorisé, en vertu des dispositions d'un arrêté en conseil du 15 juillet 1886, d'accorder gratuitement des droits de passage au Manitoba, la Saskatchewan et l'Alberta à toute compagnie de chemin de fer de colonisation ayant obtenu une charte du parlement du Canada ;

Depuis la date de cet arrêté en conseil il a été constaté que le Ministre de l'Intérieur est investi du pouvoir d'accorder gratuitement des droits de passage à toutes compagnies de chemin de fer constituées en corporation par acte des parlements provinciaux, mais qui ont été absorbées par des compagnies de chemin de fer constituées en corporation par acte du parlement fédéral :

Cependant, le Ministre a été informé que le dit arrêté en conseil du 15 juillet 1886, n'autorise pas les dites concessions,—

Etant donné le dit avis au Ministre et le fait qu'il est désirable d'accorder des droits de passage gratuits aux compagnies provinciales chartrées qui ne sont pas à la connaissance du Ministère de l'Intérieur, subsidiaires des compagnies détenant leur charte du parlement fédéral, le Ministre recommande que le dit arrêté en conseil du 15 juillet 1886, s'applique aussi aux compagnies de chemin de fer constituées en corporation ou qui pourraient l'être à l'avenir par les parlements provinciaux, et que son application soit rétroactive en ce qui concerne la pratique passée du Ministère de l'Intérieur.

| (f) Lorsque le capital social projeté d'une compagnie dépasse \$750,000, et n'excède pas \$1,000,000..... | 200 00 |
| (g) Lorsque le capital social projeté d'une compagnie dépasse \$1,000,000, et n'excède pas \$1,500,000..... | 300 00 |
| (h) Lorsque le capital social projeté d'une compagnie dépasse \$1,500,000 et n'excède pas \$2,000,000..... | 400 00 |
| (i) Pour chaque million ou fraction de million de dollars additionnel..... | 100 00 |

4. Quand l'objet d'un bill est d'augmenter le capital social d'une compagnie existante, le droit additionnel est déterminé selon le tarif ci-dessus, mais n'est calculé que sur le montant de la majoration.

5. Quand un bill est à l'effet d'augmenter ou tend à augmenter pour une compagnie sa faculté d'emprunter, sans qu'il y ait augmentation du capital social, le droit additionnel est de \$300.

6. Si, à quelque phase d'un bill, il est apporté quelque augmentation au chiffre du capital social projeté d'une compagnie, ou à celui de sa faculté d'emprunter, le bill ne passe pas à la phase subséquente tant que les droits découlant de ce changement n'ont pas été versés.

7. Dans la présente règle, l'expression "capital social projeté" comprend toute augmentation de ce capital prévue dans le bill, et dans le cas où un bill accorde le pouvoir d'augmenter, à quelque date que ce soit, le montant du capital social projeté, le droit additionnel sera prélevé sur le chiffre maximum de telle augmentation projetée, telle qu'il en est fait mention dans le bill.

8. Les taxes supplémentaires prescrites en la présente règle s'appliqueront aussi aux bills privés prenant naissance au Sénat, sauf, toutefois, que si une pétition demandant pareil bill privé a été présentée en cette Chambre dans les six premières semaines de la session la taxe supplémentaire imposée sous l'empire des alinéas b ou c de l'article 3, ne sera pas exigée.

THOMAS B. FLINT,

Greffier des Communes.

RÈGLES RELATIVES AUX AVIS DE BILLS PRIVÉS.

91. Toutes demandes, quelles qu'elles soient, adressées au Parlement pour bills privés, devront être précédées

d'un avis dans la *Gazette du Canada* ; le dit avis devra énoncer clairement et distinctement la nature et l'objet de la demande, et devra être signé par les postulants ou en leur nom avec les adresses des signataires ; et lorsque la demande aura pour objet un acte constitutif, le nom de la compagnie projetée devra être donné dans l'avis. Et si les travaux de quelque compagnie (constituée ou à être constituée en corporation) doivent être déclarés à l'avantage général du Canada, cette intention sera spécifiquement mentionnée dans l'avis ; et les postulants feront adresser une copie du dit avis, par lettre enregistrée, au greffier de chaque comté ou municipalité qui pourra être spécialement concernée dans la construction ou l'exploitation des dits travaux, et aussi au secrétaire de la province dans laquelle les dits travaux sont ou pourront être situés ; et une déclaration conforme à la loi devra attester que cette formalité a été remplie par les postulants.

Outre l'avis susdit à publier dans la *Gazette du Canada*, un avis semblable devra aussi être publié dans quelque journal important comme suit :—

A. Lorsque la demande sera faite pour un acte constituant en corporation,—

1. *Une compagnie de chemin de fer ou de canal* :— Dans la principale cité et ville ou dans le principal village dans chaque comté où devront être construits le chemin de fer ou le canal projetés

2. *Une compagnie de télégraphe ou de téléphone* :— Dans la principale cité ou ville dans chaque province ou territoire où la compagnie se propose de faire des opérations.

3. *Une compagnie pour la construction de travaux quelconques* de nature à produire un changement dans une localité particulière par suite de leur construction ou exploitation ; ou pour obtenir quelques droits ou privilèges exclusifs ; ou pour faire quelques opérations pouvant porter atteinte aux droits ou à la propriété de particuliers :— Dans la localité ou les localités qui pourraient être atteintes par la législation projetée.

4. *Une compagnie de banque ; une compagnie d'assurance ; une compagnie de fidéicommis ; une compagnie de prêt ; ou une compagnie industrielle, sans pouvoirs exclusifs quelconques* :— Dans la *Gazette du Canada* seulement.

B. Lorsque la demande sera aux fins d'amender un acte existant,—

1. Pour le prolongement de quelque ligne de chemin de fer ou de quelque canal, ou pour la construction d'embranchements des dits chemin de fer ou canal :— Dans la principale cité, la principale ville ou le principal village dans chaque district ou comté devant être traversé par le prolongement ou cet embranchement.

2. Pour la prolongation d'une charte ou du délai fixé pour la construction ou l'achèvement d'une ligne de chemin de fer, d'un canal, ou d'une ligne de télégraphe ou de téléphone quelconques, ou de tous autres travaux déjà autorisés ; ou pour l'extension des pouvoirs d'une compagnie (lorsque cela n'implique pas la concession de droits exclusifs) ; ou pour l'augmentation ou la réduction du capital social de quelque compagnie ; ou pour augmenter ou modifier ses pouvoirs d'émettre des obligations ou de contracter des emprunts, ou pour tout amendement pouvant porter atteinte aux droits ou intérêts des actionnaires ou des porteurs d'obligations ou des créanciers de la compagnie :— Dans la localité où le bureau principal de la compagnie est ou doit être autorisé à s'établir.

(C.) Lorsque la demande a pour objet d'obtenir pour une personne ou une corporation déjà constituée des droits ou privilèges exclusifs ou le pouvoir de faire quelque chose dont l'accomplissement pourrait porter atteinte aux droits ou aux biens d'autres personnes : dans la localité ou les localités particulières que l'acte projeté pourrait atteindre.

Tous ces avis, qu'ils soient insérés dans la *Gazette du Canada* ou dans un journal, devront être publiés au moins une fois par semaine pendant une durée de cinq semaines consécutives ; et en ce qui concerne les provinces de Québec et de Manitoba, ils devront y être publiés en anglais et en français ; et dans le cas où il n'y aurait pas de journal dans une localité où l'avis doit être donné, cet avis sera donné dans la localité la

plus rapprochée dans laquelle il se publie un journal ; et la preuve de la publication régulière de l'avis sera établie dans chaque cas par une déclaration conforme à la loi ; et toutes ces déclarations devront être transmises au greffier de la Chambre et être endossées "Avis de bill privé".

(D.) Tout pareil avis sera transmis par la poste par lettre enregistrée de manière à parvenir au secrétaire de la province, et au greffier du conseil de comté et de la corporation municipale, au moins deux semaines avant que l'Examineur ou le comité des ordres permanents ne prennent la pétition en délibération, et une déclaration conforme à la loi et établissant ce dépôt à la poste, sera adressée au greffier de la Chambre.

(E.) Tous bills privés pour actes constitutifs devront être dressés de manière à incorporer, par mode de renvoi, les clauses des actes généraux se rapportant aux détails auxquels ces bills doivent pourvoir ; l'on devra énoncer les raisons spéciales de toute déviation de ce principe, ou de l'introduction d'autres dispositions relatives à ces détails, et une note devra être annexée au bill pour indiquer les dispositions du bill au sujet desquelles l'on propose de s'écarter de l'acte général ; les bills qui ne seront pas rédigés conformément à cette règle, devront être remodelés par les promoteurs et réimprimés à leurs frais avant qu'aucun comité passe à l'examen de leurs clauses.

THOMAS B. FLINT,

Greffier de la Chambre des Communes.

Quiconque désire obtenir du Parlement une charte de chemin de fer, devra observer les règles ci-dessous, établies par la Chambre des Communes, au sujet de la production de cartes :—

CARTE OU PLAN ACCOMPAGNANT LA PÉTITION.

93. "L'Examineur ou le comité des Ordres permanents ne prendra connaissance d'aucune pétition demandant la constitution en corporation d'une compagnie de chemin de fer, ou d'une compagnie ayant pour objet la construction d'un canal, ou demandant un prolongement de la ligne d'un chemin de fer ou d'un canal existant ou autorisé, avant que soit produit devant ce comité une carte ou un plan, indiquant l'emplacement projeté des ouvrages, et chaque comté, township, municipalité ou district à travers lesquels le chemin de fer, le canal, l'embranchement ou le prolongement projeté, doit être construit".

CARTES, PLANS ET PIÈCES ACCOMPAGNANT LES BILLS.

94. "Nul bill tendant à la constitution en corporation d'une compagnie de chemin de fer ou de canal ou à l'effet de changer le tracé du chemin de fer ou du canal d'une compagnie déjà constituée, ne sera mis à l'étude par le comité des Chemins de fer, à moins qu'il n'ait été produit devant le comité, au moins une semaine avant l'examen du bill—

(a.) "Une carte ou un plan à une échelle d'au moins un demi-pouce au mille, et indiquant le territoire sur lequel il est question de construire les ouvrages projetés, et indiquant aussi les ouvrages analogues existants ou autorisés, dans la région ou partie de la région que la ligne projetée doit desservir, ou qui ont quelque effet sur la dite région ; et cette carte ou ce plan doit porter la signature de l'ingénieur ou autre personne qui l'a fait ;

(b.) "Une pièce faisant connaître le montant total du capital que l'on se propose de consacrer aux fins de l'entreprise, et la manière dont on se propose de se le procurer, soit au moyen d'actions ordinaires, d'obligations, de débentures ou d'autres valeurs, et le montant respectif à réaliser de chacun de ces chefs."

SENAT.

SUBSTANCE DES RÈGLES ET FORMES DE PROCÉDER DU SÉNAT CONCERNANT LES BILLS DE DIVORCE.

Telles que révisées et mises en vigueur le 22 mars 1906

Tout pétitionnaire en divorce doit annoncer son intention de demander un bill de divorce, par un avis spécifiant contre qui et pour quelle cause le divorce sera demandé : il fait insérer cet avis, pendant trois

mois au moins avant la prise en considération par le comité des divorces de sa pétition pour obtenir le bill, dans la *Gazette du Canada* et dans deux journaux—du district où il avait sa résidence habituelle à l'époque de sa séparation d'avec son conjoint, s'il résidait alors dans la province de Québec, le Manitoba, la Saskatchewan, l'Alberta, la Colombie-Britannique ou les Territoires du Nord-Ouest,—ou du comté ou des comtés-unis, s'il résidait dans une autre province ; et à défaut de ce nombre de journaux, l'avis doit se publier dans le district, le comté ou les comtés-unis voisins.

Dans les provinces de Québec et du Manitoba, les insertions doivent se faire dans un journal anglais et un journal français, s'il en existe des deux langues dans le district ; autrement, elles se font en anglais et en français au même journal. Si l'avis donné pour une session expire trop tard pour qu'il puisse être statué sur la pétition pendant cette session, la pétition pourra être présentée et accueillie à la session suivante sans nouvelle publication d'avis.

Une copie de cet avis et une copie de la pétition qui sera présentée doit, à la diligence du pétitionnaire et au moins deux mois avant la prise en considération de la pétition par le comité, être signifiée en main propre si cela est possible, à la personne contre laquelle le divorce sera demandé, ci-après appelée "partie défenderesse".

Si la résidence de la partie défenderesse n'est pas connue, ou que la remise de l'avis ne peut être faite en ses mains, s'il est prouvé, d'une manière jugée satisfaisante par le comité, que tous les efforts raisonnables ont été faits pour opérer la signification en main propre, et, en cas d'inutilité de ces efforts, pour porter l'avis et la pétition à la connaissance de la partie défenderesse, ces diligences peuvent être tenues pour une suffisante notification.

Aucune pétition en divorce n'est recevable après l'expiration des soixante premiers jours de la session.

Toute pétition en divorce doit être écrite lisiblement et porter la signature du pétitionnaire. Elle énonce sommairement le fait du mariage, en indiquant les noms au long, l'âge et l'état des parties, en quel temps, en quel lieu et par qui a été faite la célébration ; le domicile et la résidence de chacune des parties à l'époque du mariage, leur domicile conjugal, leur résidence et tout changement qui en aurait eu lieu ; les faits essentiels sur lesquels est fondée la demande de redressement et la nature du redressement demandé.

La pétition doit aussi contenir l'assurance qu'il n'y a pas eu ni connivence, ni pardon pour les torts qui donnent lieu à la plainte, ni collusion dans la demande en divorce.

Les allégations de la pétition doivent être appuyées d'une déclaration du pétitionnaire, faite conformément à l'*Acte de la preuve en Canada, 1893*.

La copie de la pétition signifiée à la partie défenderesse portera en endos ou en annexe les renseignements suivants :

(1) La résidence du pétitionnaire à l'époque de la signification.

(2) Une adresse postale en Canada à laquelle les lettres et avis pour le pétitionnaire puissent être délivrés.

(3) Le nom et l'adresse de l'avocat, s'il y en a un, agissant pour le pétitionnaire.

(4) Si cet avocat n'a pas d'adresse à Ottawa, le nom et l'adresse de quelque agent le représentant à Ottawa, à qui tous avis et pièces puissent être signifiés.

(5) Si la partie défenderesse veut s'opposer à la demande en divorce et être entendue par le comité des divorces du Sénat, elle doit adresser un avis à cet effet au greffier du Sénat aux édifices du Parlement, Ottawa, dans les deux mois de la signification faite à la partie défenderesse et donner dans cet avis au greffier du Sénat :

(a) La résidence de la partie défenderesse à l'époque de l'envoi de l'avis.

(b) Une adresse postale en Canada à laquelle les lettres et avis pour la partie défenderesse puissent être délivrés.

(c) Le nom et l'adresse de l'avocat, s'il y en a un agissant pour la partie défenderesse.

(d) Si cet avocat n'a pas d'adresse à Ottawa, le nom et l'adresse de quelque agent le représentant à Ottawa, à qui tous avis et pièces puissent être signifiés.

(6) Si la partie défenderesse ne notifie pas ainsi le greffier du Sénat, la pétition peut être prise en considération, et un bill de divorce basé sur cette pétition peut suivre son cours sans autre avis à la partie défenderesse.

(7) Lorsque la pétition est présentée par un mari pour obtenir le divorce contre sa femme, si celle-ci fait voir au comité d'une manière satisfaisante qu'elle peut opposer et qu'elle est prête à produire sous serment de bons moyens de défense contre les accusations portées dans la pétition, et qu'elle n'a pas l'argent nécessaire pour faire valoir ces moyens, le comité peut rendre un ordre que son mari ait à lui fournir la somme nécessaire pour qu'elle puisse présenter sa défense en retenant les services d'un conseil, payer ses frais de voyage et de séjour et ceux des témoins assignés de sa part à Ottawa.

La pétition en obtention d'un bill de divorce n'est prise en considération par le comité que lorsque le pétitionnaire a versé au bureau du greffier du Sénat une somme de \$210.

La pétition, au moment de sa présentation au Sénat doit être accompagnée de la preuve de la publication d'avis et d'une déclaration établissant qu'une copie de l'avis de la pétition a été signifiée.

Une copie de toute pétition en obtention d'un bill de divorce, ou relative à quelque demande de divorce,—et une copie de tous documents et papiers accompagnant cette pétition, ou à produire devant le comité, devra être fournie par la personne au nom de laquelle la pétition, les documents ou les papiers seront présentés ou produits.

SAML. E. ST. O. CHAPLEAU,

Greffier du Sénat.

Avis de bills privés.

EXTRAIT DES RÈGLES DU SÉNAT.

107. Toute demande au Parlement, pour obtenir un bill privé, de quelque nature qu'il soit, doit être annoncée par avis inséré à la *Gazette du Canada* ; cet avis doit indiquer d'une manière claire et précise la nature et l'objet de la demande, être signé par les pétitionnaires ou en leur nom et contenir l'adresse des signataires ; et si elle a pour objet l'obtention d'un acte constitutif, il faut donner aussi dans l'avis le nom de la compagnie projetée.

Outre l'avis à insérer dans la *Gazette du Canada*, il doit en être publié un semblable, comme il suit :—

A. Lorsque la demande a pour objet l'obtention d'un acte constituant en corporation,—

1. Une compagnie de chemin de fer ou de canal,—dans un des principaux journaux de la principale cité ou ville ou le principal village de chaque comté ou district par où passerait le chemin de fer ou le canal dont la construction est projetée ;

2. Une compagnie de télégraphe ou de téléphone,—dans un des principaux journaux de la principale cité ou ville de chaque province ou territoire où elle se propose d'opérer ;

3. Une compagnie pour la confection de travaux quelconques, dont la confection ou l'exploitation intéresserait spécialement telle localité particulière ; ou une compagnie tendant à obtenir des droits ou privilèges exclusifs, ou l'autorisation de faire une chose dont l'opération pourrait porter atteinte aux droits ou à la propriété d'autrui,—dans un des principaux journaux de l'endroit ou des endroits que l'acte demandé intéresse ;

4. Une compagnie de banque ; une compagnie d'assurance ; une compagnie de crédit ; une compagnie de prêt, ou une compagnie industrielle, sans pouvoirs exclusifs,—dans la *Gazette du Canada* seulement ;

5. Et si les travaux d'une compagnie (constituée ou à constituer) doivent être déclarés d'utilité générale pour le Canada, cette intention sera spécifiquement

mentionnée dans l'avis; et les requérants feront envoyer par lettre enregistrée une copie de cet avis au secrétaire de chaque conseil de comté et de chaque corporation municipale spécialement intéressée dans la construction ou l'exploitation de ces travaux, ainsi qu'au secrétaire de la province dans laquelle ces travaux sont ou seront situés; et la preuve de l'accomplissement de cette prescription par les requérants devra s'établir par une déclaration statutaire.

B. Lorsque la demande a pour objet de modifier un acte existant,—

1. Afin de prolonger une ligne de chemin de fer ou un canal, ou de construire des embranchements qui s'y relient, l'avis sera le même, *mutatis mutandis*, que celui pour l'obtention d'un acte constituant en corporation une compagnie de chemin de fer ou de canal;

2. Afin de proroger le délai fixé pour la confection ou l'achèvement d'une ligne de chemin de fer, d'un canal, d'une ligne télégraphique ou téléphonique, ou d'autres travaux quelconques déjà autorisés,—dans un des principaux journaux de l'endroit où la compagnie a son siège ou est autorisée à avoir son siège;

3. Afin d'étendre les pouvoirs d'une compagnie (sans attribution de pouvoirs exclusifs); d'accroître ou de réduire le capital-actions d'une compagnie, ou d'augmenter ou modifier sa faculté d'émettre des obligations ou de faire des emprunts, ou d'effectuer des changements pouvant porter atteinte aux droits ou intérêts des actionnaires, obligataires ou créanciers de la compagnie,—dans un des principaux journaux du lieu de la situation de son siège.

c. Dans tous ces cas, les avis insérés soit à la *Gazette du Canada* ou dans les journaux, doivent se publier au moins une fois par semaine pendant cinq semaines consécutives; et, lorsqu'ils se publient dans les provinces de Québec et du Manitoba, ils doivent être en langue anglaise et en langue française. Il faut envoyer au greffier du Sénat des exemplaires *marqués* de chaque numéro de tous les journaux contenant l'avis, avec, sur le pli de la feuille, les mots: "*Avis de bill privé*"; ou l'on peut transmettre, au lieu des journaux, une déclaration statutaire que l'avis a été dûment publié.

Tout avis par lettre enregistrée sera déposé à la poste à temps pour parvenir au Secrétaire de la province et au greffier de chaque conseil de comté et de chaque corporation municipale cinq semaines au moins avant la considération de la pétition par le comité des Ordres permanents; et une déclaration statutaire établissant le fait du dépôt à la poste sera transmise au greffier du Sénat.

108. Nulle pétition pour la constitution en corporation d'une compagnie de chemin de fer ou d'une compagnie de canal, ou pour l'extension de la ligne d'un chemin de fer ou d'un canal existant ou autorisé, n'est prise en considération par le comité des Ordres Permanents, à moins qu'il n'ait été déposé devant le comité une carte ou un plan indiquant le tracé proposé des travaux ainsi que les comtés ou les districts par où doit passer le chemin de fer, le canal, l'embranchement ou le prolongement qu'on veut construire.

109. Avant d'adresser au Sénat la pétition pour en obtenir la permission de présenter un bill privé ayant pour objet la construction d'un pont de péage, la ou les personnes qui ont l'intention de faire cette pétition doivent, en donnant l'avis prescrit par les règles précédentes mentionner en même temps et de la même manière, les péages qu'elles se proposent de percevoir, l'étendue du privilège, la hauteur des arches, l'espace libre entre les culées ou les piles pour le passage des trains de bois et des bateaux; en outre, mentionner si le pont sera mobile ou non, et indiquer les dimensions de la partie mobile.

110. Aucune pétition en obtention d'un bill privé n'est reçue par le Sénat après les trois premières semaines de la session; aucun bill privé ne peut lui être présenté après les quatre premières semaines de la session; aucun rapport d'un comité permanent ou spécial sur un bill privé n'est reçu après les six premières semaines de la session.

114. Toute personne qui voudra obtenir un bill privé, si elle se propose de le présenter au Sénat, devra déposer entre les mains du greffier de cette Chambre,

huit jours avant la réunion du Parlement, une copie du bill en langue anglaise ou en langue française, avec une somme d'argent suffisante pour en payer la traduction, laquelle sera faite par les traducteurs du Sénat, et payer l'impression de 600 exemplaires anglais et de 200 exemplaires français; elle aura pareillement à verser entre les mains du greffier du Sénat, aussitôt après la deuxième lecture du bill, et avant la prise en considération par le comité auquel il aura été renvoyé une somme de \$200, avec les frais d'insertion de l'acte au corps des Statuts; et elle remettra au commissaire-greffier du comité un reçu constatant le versement de ces sommes.

Greffier du Sénat.

40-3 GOD SAVE THE KING.

DESPATCHES, Etc.

At the Court at Buckingham Palace, the 11th day of March, 1915.

PRESENT,

The KING'S Most Excellent Majesty in Council.

WHEREAS the German Government has issued certain Orders which, in violation of the usages of war, purport to declare the waters surrounding the United Kingdom a military area, in which all British and allied merchant vessels will be destroyed irrespective of the safety of the lives of passengers and crew, and in which neutral shipping will be exposed to similar danger in view of the uncertainties of naval warfare ;

And whereas in a memorandum accompanying the said Orders neutrals are warned against entrusting crews, passengers, or goods to British or allied ships ;

And whereas such attempts on the part of the enemy give to His Majesty an unquestionable right of retaliation ;

And whereas His Majesty has therefore decided to adopt further measures in order to prevent commodities of any kind from reaching or leaving Germany, though such measures will be enforced without risk to neutral ships or to neutral or non-combatant life, and in strict observance of the dictates of humanity ;

And whereas the Allies of His Majesty are associated with Him in the steps now to be announced for restricting further the commerce of Germany,—

His Majesty is therefore pleased, by and with the advice of His Privy Council, to order and it is hereby ordered as follows :—

I. No merchant vessel which sailed from her port of departure after the 1st March, 1915, shall be allowed to proceed on her voyage to any German port.

Unless the vessel receives a pass enabling her to proceed to some neutral or allied port to be named in the pass, goods on board any such vessel must be discharged in a British port and placed in the custody of the Marshal of the Prize Court. Goods so discharged, not being contraband of war, shall, if not requisitioned for the use of His Majesty, be restored by order of the Court, upon such terms as the Court may in the circumstances deem to be just, to the person entitled thereto.

II. No merchant vessel which sailed from any German port after the 1st March, 1915, shall be allowed to proceed on her voyage with any goods on board laden at such port.

All goods laden at such port must be discharged in a British or allied port. Goods so discharged in a British port shall be placed in the custody of the Marshal of the Prize Court, and, if not requisitioned for the use of His Majesty, shall be detained or sold under the direction of the Prize Court. The proceeds of goods so sold shall be paid into Court and dealt with in such manner as the Court may in the circumstances deem to be just.

Provided that no proceeds of the sale of such goods shall be paid out of Court until the conclusion of peace, except on the application of the proper Officer of the Crown, unless it be shown that the goods had become neutral property before the issue of this Order.

Provided also that nothing herein shall prevent the release of neutral property laden at such enemy port on the application of the proper Officer of the Crown.

III. Every merchant vessel which sailed from her port of departure after the 1st March, 1915, on her

way to a port other than a German port, carrying goods with an enemy destination, or which are enemy property, may be required to discharge such goods in a British or allied port. Any goods so discharged in a British port shall be placed in the custody of the Marshal of the Prize Court, and unless they are contraband of war, shall, if not requisitioned for the use of His Majesty, be restored by order of the Court, upon such terms as the Court may in the circumstances deem to be just, to the person entitled thereto.

Provided that this Article shall not apply in any case falling within Articles II or IV of this Order.

IV. Every merchant vessel which sailed from a port other than a German port after the 1st March, 1915, having on board goods which are of enemy origin or are enemy property may be required to discharge such goods in a British or allied port. Goods so discharged in a British port shall be placed in the custody of the Marshal of the Prize Court, and, if not requisitioned for the use of His Majesty, shall be detained or sold under the direction of the Prize Court. The proceeds of goods so sold shall be paid into Court and dealt with in such manner as the Court may in the circumstances deem just.

Provided that no proceeds of the sale of such goods shall be paid out of Court until the conclusion of peace except on the application of the proper Officer of the Crown, unless it be shown that the goods had become neutral property before the issue of this Order.

Provided also that nothing herein shall prevent the release of neutral property of enemy origin on the application of the proper officer of the Crown.

V.—(1) Any person claiming to be interested in, or to have any claim in respect of, any goods (not being contraband of war) placed in the custody of the Marshal of the Prize Court under this Order, or in the proceeds of such goods, may forthwith issue a writ in the Prize Court against the proper Officer of the Crown and apply for an order that the goods should be restored to him, or that their proceeds should be paid to him, or for such other order as the circumstances of the case may require.

(2) The practice and procedure of the Prize Court shall, so far as applicable, be followed *mutatis mutandis* in any proceedings consequential upon this Order.

VI. A merchant vessel which has cleared for a neutral port from a British or allied port, or which has been allowed to pass having an ostensible destination to a neutral port, and proceeds to an enemy port, shall, if captured on any subsequent voyage, be liable to condemnation.

VII. Nothing in this Order shall be deemed to affect the liability of any vessel or goods to capture or condemnation independently of this Order.

VIII. Nothing in this Order shall prevent the relaxation of the provisions of this Order in respect of the merchant vessels of any country which declares that no commerce intended for or originating in Germany or belonging to German subjects shall enjoy the protection of its flag.

ORDERS IN COUNCIL.

[604]

AT THE GOVERNMENT HOUSE AT OTTAWA.

Monday, the 22nd day of March, 1915.

PRESENT :

HIS ROYAL HIGHNESS THE GOVERNOR
GENERAL IN COUNCIL.

THE Committee of the Privy Council have had before them a report, dated 15th March, 1915, from the Minister of the Interior, submitting that, Mr. Archibald Walker, of Prince-Albert, is the owner of the south-east quarter of Section 22, Township 47, Range 1, west of the 3rd Meridian, which is adjacent to the boundary of the Pines Forest Reserve, in the Province of Saskatchewan; that this land has been examined and is found to be very sandy land with a considerable growth of jack pine upon it, and is more suited for forest production than for agriculture; that this land should, therefore, if possible, be included in the Pines Forest Reserve; that Mr. Walker has agreed to surrender this quarter section for this purpose provided he is granted another quarter section of land in lieu thereof,—

The Minister, therefore, recommends that upon Mr. Walker executing a surrender of the land in question he should be granted the south-west quarter of Section 23, Township 46, Range 27, west of the 2nd Meridian, which land is vacant and available Dominion Lands.

The Committee submit the same for approval.

RODOLPHE BOUDREAU,
Clerk of the Privy Council.

AT THE GOVERNMENT HOUSE AT OTTAWA.

Thursday, the 11th day of March, 1915.

PRESENT :

HIS ROYAL HIGHNESS THE GOVERNOR
GENERAL IN COUNCIL.

THE Committee of the Privy Council have had before them a report, dated 22nd February, 1915, from the Minister of the Interior, stating that section 41 of the regulations for the disposal of quartz mining claims, approved by Order in Council, dated 13th August, 1908, provides that the recorded owner of a mineral claim shall be entitled to hold the same from year to year provided that during each such year and each succeeding year he shall do or cause to be done work on the claim itself to the value of \$100 ;

That representations have been made to the Department of the Interior that the financial stringency resulting from the war has rendered it exceedingly difficult for the recorded owners of mineral claims, acquired under the above regulations, to perform the required representation work on locations situated in remote localities in the northern portions of the Provinces of Manitoba, Saskatchewan and Alberta, and numerous applications have been made to the Department for extensions of time within which to incur the required annual expenditure on such locations ;

That in view of the difficulties of access to mineral claims situated in the northern portions of the Provinces above enumerated, and the exceptional conditions which have been brought about by the war, the Minister recommends that he be authorized to grant the recorded owners of mineral claims acquired under the regulations for the disposal of quartz mining claims, situated in the northern portions of the Provinces of Manitoba, Saskatchewan and Alberta, (that is, those portions lying north of the southern boundary of Township 17 in the Province of Manitoba, those portions lying north of the southern boundary of Township 47 in the Province of Saskatchewan, and those portions lying north of the southern boundary of Township 60 in the Province of Alberta), an extension of time for one year from this date within which to furnish evidence of the required expenditure in mining operations upon such locations, as required by section 41 of the regulations above referred to.

The Committee concur in the foregoing and submit the same for approval.

RODOLPHE BOUDREAU,
Clerk of the Privy Council.

All that portion of the said half section which lies to the north of a line parallel with and one hundred and thirty-five and nine-tenths (135.9) feet perpendicularly distant southerly from the northern boundary of the said half section. The said portion of land to be used for right of way purposes for the Regina-Moosejaw Branch ;

By Order in Council dated 11th August, 1911, the north half of Section 28-17-20 west of the Second Meridian above referred to is reserved during pleasure for the Royal North West Mounted Police for rifle range purposes and the Comptroller of the Police has advised the Minister of the Interior that he has no objection to the company's application being granted,—

PRESENT :

HIS ROYAL HIGHNESS THE GOVERNOR
GENERAL IN COUNCIL

THE Committee of the Privy Council have had before them a report, dated 4th March, 1915, from the Minister of the Interior, submitting that authority was granted on the 31st May, 1911, under the provisions of The Irrigation Act, to Mr. Daniel Edward Riley, of High River, Alberta, for the construction of a system of works—taking water from Westropp Creek on the northwest quarter of Section twenty-eight (28) and from a creek on the northeast quarter of Section twenty-eight (28), both in Township thirteen (13), Range two (2), west of the Fifth Meridian for the irrigation of a tract of one hundred and eighty (180) acres in the northeast quarter of Section twenty-eight (28) and the northwest quarter of Section twenty-seven (27) in the above township and range ;

The Minister states that an application has been made by the said Mr. Daniel Edward Riley to purchase the northwest quarter of Section twenty-seven (27), Township thirteen (13), Range two (2), west of the Fifth Meridian, which he holds under a grazing lease. The Commissioner of Irrigation has reported the scheme as feasible and recommended the sale. The works have all been constructed and a water license issued,—

The Minister, therefore, recommends that authority be given for the sale, under the irrigation system, to the said Daniel Edward Riley of the northwest quarter of Section twenty-seven (27), Township thirteen (13), Range two (2), west of the Fifth Meridian, at \$3.00 per acre, subject to the conditions provided in the regulations respecting such sales.

PRESENT :

HIS ROYAL HIGHNESS THE GOVERNOR
GENERAL IN COUNCIL

THE Committee of the Privy Council have had before them a report, dated 1st March, 1915, from the Minister of the Interior, submitting that, by an Order in Council, dated 17th June, 1907, a grant was authorized to the Town of Battleford of the available undisposed of lots in that townsite, with the exception of such lots as had been reported by the Homestead Inspector as being occupied and improved ;

It has been the practice of the Department of the Interior to dispose of the lots which were reported as having improvements thereon to the person in occupation. The Town of Battleford has stated that sufficient time has been given to enable those who had any claim to such lots to purchase the same, and has asked that any lots not so acquired be transferred to the Town,—

A report having been received from the Homestead Inspector setting out that a number of the lots which were formerly reported as occupied and improved are now vacant, the Minister therefore recommends that a free grant be authorized to the Town of Battleford of such of the available lots in that townsite as are on inspection found to be vacant or to have such improvements thereon as do not merit consideration.

The Minister further submits that ten lots in the townsite, which had formerly been reported as occupied and improved but on later inspection were found to be vacant, were transferred to the Town in 1909, and as this transfer was in accord with the desire of the Department he recommends that the grant to the Town of Battleford of the said ten lots be now authorized.

The Committee concur in the foregoing and submit the same for approval.

[413]

AT THE GOVERNMENT HOUSE AT OTTAWA.

Friday, the 26th day of February, 1915.

PRESENT :

HIS ROYAL HIGHNESS THE GOVERNOR
GENERAL IN COUNCIL.

THE Committee of the Privy Council have had before them a report, dated 15th February, 1915, from the Superintendent General of Indian Affairs, submitting that by an Order in Council of 17th May, 1889, a tract of land situated in Townships 58, 59 and 60, Ranges 6 and 7, west of the 4th Meridian, as shown outlined in green on the plan hereto attached, was set apart for Keheewin's band of Indians, and that the Indians have requested a re-adjustment whereby certain lands in Townships 58 and 59, Range 6, west of the 4th Meridian, adjoining the eastern limit of the reserve as constituted by the above mentioned Order in Council would be granted to them in exchange for certain portions of the northern and southern parts of the said reserve;

The lands desired by the Indians are Dominion lands within the meaning of The Dominion Lands Act, and, as they are available for the purpose of the exchange, the Minister is of opinion that the request of the Indians should be favourably considered,—

The Minister therefore recommends that the above mentioned Order in Council be rescinded and that the re-adjustment of the reserve be confirmed in accordance with the following description:—

Firstly, all those portions of the fifty-eighth and fifty-ninth Townships, in the sixth Range and all that portion of the fifty-ninth Township, in the seventh Range, west of the fourth Meridian, which may be more particularly described as follows: commencing at an iron post and mound marking the southwest corner of Fractional Section one, in the said fifty-ninth Township, in the sixth Range, as shown upon a map or plan of survey of the said township approved and confirmed at Ottawa, on the 6th day of November, A.D. 1909, by Edouard Deville, Surveyor General of Dominion Lands and of record in the Department of the Interior, thence southerly following the western limit of the road allowance along the west boundary of the northern part of the fractional northeast quarter of Section thirty-six, in the said fifty-eighth Township, in the sixth Range, a distance of twenty-three chains and ninety-three links, more or less, to an iron post and mound as shown upon a map or plan of survey of the said fifty-eighth Township, approved and confirmed at Ottawa, on the sixth day of November, A.D. 1906, by

Edouard Deville, Surveyor General of Dominion Lands, and of record in the Department of the Interior; thence westerly following the northerly limit of the road allowance, along the north boundary of Fractional Sections thirty-six, thirty-five, thirty-four, thirty-three, thirty-two and thirty-one, in the said fifty-eighth Township, a distance of four hundred and thirty-five chains and forty links, more or less, to the point of intersection with the eastern shore of Keheewin Lake; thence in a general north westerly direction following the said shore of said lake to the point of intersection with the east limit of the road allowance on the east boundary of Fractional Section twelve, in the fifty-ninth Township, in the seventh Range, the said point being approximately one chain in an easterly direction from a wooden post on the east boundary of said Fractional Section twelve, as shown upon a map or plan of survey of the said fifty-ninth Township, in the seventh Range, approved and confirmed at Ottawa, on the 4th day of November, A.D. 1909, by Edouard Deville, Surveyor General of Dominion Lands, and of record in the Department of the Interior, thence northerly following the easterly limit of the road allowance along the east boundary of Fractional Sections twelve, thirteen, twenty-four and twenty-five, of the said fifty-ninth Township, a distance of two hundred and thirty-five chains and twenty-seven links more or less, to an iron post marked I. R., situate one chain east and seventy-three links south of the wooden post and mound marking the northeast corner of the fractional southeast quarter of Section twenty-five of the said township, as shown upon the said official plan of said township, thence easterly following the southern limit of the road allowance along the south boundary of the eastern part of the fractional northeast quarter of said Section twenty-five and along the south limit of the road allowance, along the south boundary of Fractional Sections thirty, twenty-nine, twenty-eight, twenty-seven, twenty-six and twenty-five, in the said fifty-ninth Township, in the sixth Range, to the point of intersection with the western shore of Muriel Lake, thence in a southeasterly direction following the southern shore of Muriel Lake, to the point of intersection with the western boundary of Fractional Section twenty-four of the said fifty-ninth Township, in the sixth Range, as shown upon a map or plan of the said township approved as aforesaid, thence southerly following the western boundary of Fractional Sections twenty-four, thirteen, twelve and one of the said township, a distance of three hundred and seven chains and eighty-nine links, more or less, to the place of commencement, containing by admeasurement twenty-eight square miles more or less; and *secondly*:

All those portions of Fractional Sections twenty-six, twenty-seven, twenty-nine and thirty of the said fifty-ninth Township, in the sixth Range, which are not covered by any of the waters of Sinking Lake, as shown on the said plan of said township, all of Fractional Section twenty-eight, all those portions of Sections thirty-one, thirty-two, thirty-three, thirty-four and thirty-five, which lie to the south of the south shore of Sinking Lake, as shown on said plan of said township, and all those portions of the south half of Sections five and six in the sixtieth Township, in the sixth Range, which lie to the south of the south shore of said Sinking Lake, as shown upon a map or plan of survey of the said township, approved and confirmed at Ottawa, on the 31st day of March, A.D. 1909, by Edouard Deville, Surveyor General of Dominion Lands, and of record in the Department of the Interior, all the above secondly described parcels containing by admeasurement together, four square miles, more or less, and all the lands *firstly* and *secondly* above described containing by admeasurement together, thirty-two square miles, more or less, and as shown outlined in red on the plan hereto attached.

The Minister states, in further reference to the foregoing, that in 1904 Mr. J. A. J. McKenna, Assistant Indian Commissioner at Winnipeg, reported that Indian Agent Sibbald had written that the Indians of Keheewin's reserve desired to have the northern portion of their reserve cut off and a portion of equal area added to the eastern side of the reserve

their object being to gain better hay and farming lands, the northern portion, with the exception of some good timber, being practically useless, as it contained a large alkaline lake. Mr. Sibbald stated that the change would be in the interest of the Indians and recommended that it be made. Accordingly the Department of the Interior was asked whether it had any objection to the exchange being made. By letter dated 26th April, 1904, that Department stated that there would appear to be no objection, and in consequence Mr. J. Lestock Reid, a Surveyor of the Department of Indian Affairs, made the survey in 1904, cutting off a northern and a southern portion and adding an equal portion on the east side of the reserve. In 1906 the Indians put forth a claim that they were not aware that the hay lands south of Sinking Lake had been eliminated from their reserve. The Indian Agent reported that the strip was about half mile wide, the land alkaline, and that the hay was required for the pasturage of the cattle then owned by the band; also that the population of Keheewin's band was rapidly increasing which may be shown as follows:—

November, 1906.....	Population	130
December, 1909.....	"	177
August, 1910.....	"	188
1913.....	"	196

On 29th March, 1911, the Department of Indian Affairs was informed by the Department of the Interior that it had been decided to make the addition to the north boundary, extending the reserve to the south shores of Sinking Lake.

During 1914 thirty-five Indians left Keheewin's reserve for other reserves, leaving a population of one hundred and sixty-two in 1914, which, according to treaty, would entitle them to 20,736 acres; the area now asked for is 20,531 acres.

The Committee submit the same for approval.

AT THE GOVERNMENT HOUSE AT OTTAWA.

Wednesday, the 31st day of March, 1915.

PRESENT :

HIS ROYAL HIGHNESS THE GOVERNOR
GENERAL IN COUNCIL.

HIS Royal Highness the Governor General in Council is pleased to order that sections 1, 8, 10, 11, 16A and 16C of the Rules and Regulations for the Management and Working of the Graving Dock at Esquimalt, B.C., approved by Orders in Council of 19th June, 1908, and 26th September, 1910, be amended to read as follows and that section 4 of the said rules and regulations be amended and be divided into two sections to be known as 4A and 4B, reading as follows, viz:—

Section 1.—No vessel will be admitted to the dock without having the time and manner of her entry and of her stay in the dock fixed and determined at the Dock Master's office, and duly noted and entered in books to be kept for that purpose, nor until after the owner of the vessel or his representative shall have signed such note and entry, and the owner of the vessel or his representative shall furnish a bond signed by the applicant for the dock and two good and solvent securities (or such other security as will be satisfactory to the Dock Master), making themselves responsible for the fulfilment of the provisions of sections 4 and 7 of these regulations, under pain of forfeiture of the sum of five thousand dollars.

Section 4A.—When a vessel has been docked in accordance with the preceding three sections of these regulations repairs thereon must be commenced within five days from the time the dock is pumped out, under a penalty of \$200 for each 24 hours (or part thereof) which intervenes between the expiration of the aforesaid five days and the time when the repairs are commenced, and a like penalty of \$200 per day for each 24 hours or part thereof, during which work or repairs are interrupted or discontinued by the order or consent of the owners or parties who had the vessel placed in the dock, all such penalties to be in addition to the dockage dues provided by section 16 of these regulations.

Section 4B.—If, at the expiration of eight days from the time the dock is pumped out, repairs shall not have been begun, the Dock Master shall notify, in writing, the owner or agent of the vessel that they must vacate the dock immediately, and, if, within 24 hours after such notice has been served personally upon the owner or person in charge of the vessel, repairs have not been commenced, then the Honourable the Minister of Public Works may order the vessel to be repaired sufficiently to allow of her being floated out of the dock, and the cost of such repairs, as well as dock dues, charges and fines imposed by these regulations, shall be borne by the parties to the security required by section 1 of these regulations, and all such charges for repairs, dock dues, fines and other charges shall also be a first lien upon the vessel itself.

Section 8.—The Dock Master may in his discretion allow any vessel which shall have put back in a damaged condition, or which shall under any other circumstances be in such a condition as may in his judgment render her immediate admission into the dock actually necessary to enter the dock in priority to all other vessels standing on the entry list and books. And when the Dock Master has occasion to act under this section he shall report all the circumstances to the Department of Public Works without delay.

Section 10.—Whenever keel blocks require to be raised, notice thereof shall be given to the Dock Master at least 24 hours before the time arranged for docking the ship. Any vessel in respect of which any breach of this rule and regulation shall occur shall be struck off the entry list and the entrance fee shall be forfeited.

Section 11.—Blocks and horizontal shores will be provided as follows, viz: Blocks (3 feet $6\frac{7}{8}$ inches in height) one set for the length given at the time of entry at the Dock Master's office. Vessels requiring blocks raised above these dimensions will be charged

actual cost of supplying the material and labor replacing same.

Section 16A.—The use of the dock will be subject to the following tariff, viz :

Gross tonnage of vessel.	For the 1st day of Docking.	For each following day, including undocking Day.
For all vessels up to 1,000 tons	\$300 00	\$50 per day.
From 1,000 to 2,000 tons.....	350 00	4½ cts. per ton.
For all vessels above 2,000 tons.....	400 00	4 " " "
Vessels exceeding 440 ft. in length	550 00	up to 2,000 tons. and 2 cts. per ton on all tonnage above 2,000.

All vessels over 440 feet in length, requiring the keel blocks raised, will be charged for extra pumping \$150.

When a vessel is docked solely for painting and scraping, or change of or repair to propeller, tail shafts and liners, rudder pintals or bushes, the ordinary tariff will be suspended, and the rate shall be \$200 for the first day of docking, and five cents per ton per day for lay days, the time not to exceed four days in all.

Small repairs to the ship's bottom, not exceeding \$50 in value, will be allowed under this clause.

Any misrepresentation as to the cost of such small repairs, made in order to evade payment of charges which should be otherwise leviable, will render the ship or owner or agent of same liable to double the full tariff rates, as specified in 16A.

When two or more vessels belonging to the same owner are docked together for painting and scraping, or repairs to propeller only, only \$200 for the first day will be charged, but each vessel will be charged \$50 per day should the tonnage of each, at five cents per ton per day, not amount to this sum. In all other respects section 17 will govern where applicable.

For every extra pumping out of the dock \$75, (except as provided in subsection 16D hereunder.)

All fractional parts of 50 tons to be counted and paid for as 50 tons. Cargoes to be charged at the same rate as tonnage, and no charge made for ballast.

In no case will the charge for lying in dock be less than \$50 per day.

No charge for Sundays or holidays unless work is done on the vessel.

Section 16C.—Each day to be counted from 7 o'clock A.M., and each fractional part of a day will be charged as one day.

SUBSTANCE OF RULES OF THE SENATE RELATING TO NOTICES AND APPLICATIONS FOR BILLS OF DIVORCE.

As Revised and brought in force 22nd March, 1906.

Every applicant for a Bill of Divorce shall give notice of his or her intended application, and shall specify therein from whom and for what cause such divorce is sought, and shall cause such notice to be published during at least three months before the consideration by the Committee on Divorce of his or her petition for the said Bill, in the *Canada Gazette* and in two newspapers published in the district in Quebec, Manitoba, Saskatchewan, Alberta, British Columbia or the Northwest Territories, or in the county or union of counties in other provinces, wherein such applicant usually resided at the time of the separation of the parties; but if the requisite number of papers cannot be found therein, then in an adjoining district or county or union of counties.

Notices given in the Provinces of Quebec and Manitoba are to be published in one English and one French newspaper, if there be such newspapers published in the district, but otherwise shall be published in one newspaper in both languages. If a notice given for any session of Parliament is not completed in time to allow the petition to be dealt with

during that session the petition may be presented and dealt with during the next ensuing session, without any further publication of such notice.

A copy of the said notice and a copy of the petition to be presented shall, at the instance of the applicant, and not less than two months before the consideration by the Committee of the petition, be served personally, when that can be done, on the person from whom the divorce is sought, who is hereinafter called "the respondent."

If the residence of the respondent is not known or personal service cannot be effected, then, if it be shown to the satisfaction of the Committee that all reasonable efforts have been made to effect personal service, and, if unsuccessful, to bring such notice and petition to the knowledge of the respondent, what has been done may be deemed and taken by the Committee as sufficient service.

No petition for a bill of divorce shall be presented to the Senate after the first sixty days of the Session.

The petition of an applicant for bill for divorce must be fairly written and must be signed by the petitioner, and should briefly set forth the marriage, the names in full of the parties thereto, their ages and occupations, when, where and by whom the ceremony was performed, the domicile and residence of each of the parties at the time of the marriage, their matrimonial domicile, residence, and any change thereof, the material facts upon which the petitioner relies as the grounds on which relief is asked, and the nature of the relief prayed for.

The petition should also negative connivance at, or condonation of the wrong complained of and collusion in the application for divorce.

The allegations of the petition must be verified by declaration of the petitioner, under *The Canada Evidence Act, 1893*.

The copy of the petition served upon the respondent shall have endorsed thereon, or appended thereto, the following information:—

- (1) The petitioner's residence at the time of service.
- (2) A Post Office address in Canada at which letters and notices for the petitioner may be delivered.
- (3) The name and address of the solicitor, if any, acting for the petitioner.
- (4) If such solicitor's address is not at Ottawa, the name and address of some agent for him at Ottawa, upon whom all notices and papers may be served.
- (5) That if the respondent desires to oppose the granting of the divorce and to be heard by the Senate Committee on Divorce, the respondent must send a notice to that effect to the Clerk of the Senate at the Parliament Buildings, Ottawa, within two months from the date of service upon the respondent, and must in the notice to the Clerk of the Senate give:—
 - (a) The respondent's residence at the time of sending such notice.
 - (b) A Post Office address in Canada at which letters and notices for the respondent may be delivered.
 - (c) The name and address of the solicitor, if any, acting for the respondent.
 - (d) If such solicitor's address is not at Ottawa, the name and address of some agent for him at Ottawa upon whom all notices and papers may be served.
- (6) That, if the respondent does not so notify the Clerk of the Senate, the petition may be considered, and a bill of divorce founded thereon may be passed, without any further notice to the respondent.
- (7) When the petition is one by a husband for a divorce from his wife, that, if the wife shows to the satisfaction of the Senate Committee on Divorce that she has, and is prepared to establish upon oath, a good defence to the charges made by the petition, and that she has not sufficient money to defend herself, the Committee may make an order that her husband shall provide her with the necessary means to sustain her defence, including the cost of retaining Counsel and the travelling and living expenses of herself and of witnesses summoned to Ottawa on her behalf.

No petition for a bill of Divorce shall be considered by the Committee unless the applicant has paid into the hands of the Clerk of the Senate the sum of two hundred and ten dollars, (\$210.)

The petition when presented to the Senate shall be accompanied by the evidence of the publication of the notice, and by declaration in evidence of the service of a copy of the notice and of a copy of the petition.

A copy of every petition for a Bill of Divorce, or relating to any matter arising out of an application for divorce, and of every document and paper accompanying such petition or produced in evidence before the Committee, shall be furnished to the Committee by the person on whose behalf the petition, document or paper is presented or produced.

A la Cour au Palais de Buckingham, le 11e jour de mars 1915

PRÉSENT :

Sa Très Excellente Majesté le Roi en Conseil.

ATTENDU que le gouvernement allemand a publié certains arrêtés qui, en violation des usages de la guerre, ont pour but de déclarer toutes les eaux entourant le Royaume-Uni une superficie militaire dans laquelle tous les vaisseaux marchands britanniques et alliés seront détruits, sans s'occuper de la vie des passagers et de l'équipage, et dans laquelle les navires marchands neutres seront exposés au même danger en vue des éventualités de la guerre navale ;

Et attendu que dans un mémoire accompagnant les dits arrêtés, les neutres ont été notifiés de ne pas confier les équipages, les voyageurs ou les marchandises aux navires britanniques ou alliés ;

Et attendu que ces tentatives de la part de l'ennemi donnent un droit de représailles indiscutable à Sa Majesté ;

Et attendu que Sa Majesté a en conséquence décidé d'adopter d'autres mesures afin d'empêcher que des produits d'aucune sorte ne puissent atteindre ou quitter l'Allemagne, quoique ces mesures seront mises en force sans risques pour les vaisseaux neutres ou pour la vie des neutres ou des non combattants, mais au contraire en observant strictement les lois de l'humanité ;

Et attendu que les alliés de Sa Majesté sont associés avec lui dans les mesures qui sont maintenant annoncées pour restreindre encore davantage le commerce de l'Allemagne,—

En conséquence, il plaît à Sa Majesté, par et avec l'avis de Son Conseil privé, d'ordonner et il est ordonné comme suit :

I. Il ne sera permis à aucun navire marchand sorti de son port de départ après le 1er mars 1915 de se rendre dans aucun port allemand.

A moins que ce navire ne reçoive un laissez-passer lui permettant de se rendre dans quelque port neutre ou allié à être nommé dans ce laissez-passer, les marchandises à bord d'un tel navire devront être déchargées dans un port anglais et laissées en charge du fonctionnaire du tribunal des prises. Les marchandises ainsi déchargées, si elle ne sont pas contrebande de guerre et si elle ne sont pas réquisitionnées par Sa Majesté, seront restituées par ordre du tribunal et aux conditions que le tribunal trouvera justes, à la personne qui y aura droit.

II. Il ne sera permis à aucun navire marchand, parti d'un port allemand après le 1er mars 1915, de continuer son voyage avec des marchandises prises dans un tel port.

Toutes les marchandises prises dans un tel port devront être déchargées dans un port anglais ou allié. Ces marchandises seront mises sous la garde du fonctionnaire du tribunal des prises et si elles ne sont pas réquisitionnées pour le service de Sa Majesté, elles seront détenues ou vendues sous la direction du tribunal des prises. Le produit de ces marchandises, si elles sont vendues, sera versé au tribunal et il en sera fait ce que ce tribunal ordonnera.

Pourvu qu'aucun produit de la vente de ces dites marchandises ne sera payé par le tribunal jusqu'à la conclusion de la paix, sauf à la demande du fonctionnaire autorisé de la Couronne, à moins qu'il ne soit démontré que les marchandises étaient devenues propriété neutre avant la publication du présent arrêté.

Pourvu aussi que rien de ce qui est exprimé dans le présent arrêté n'empêchera la remise de propriété neutre chargée d'un tel port ennemi, en en faisant la demande au fonctionnaire autorisé de la Couronne.

III. Tout vaisseau marchand parti après le 1er mars 1915 pour un port autre qu'un port allemand et portant des marchandises destinées à un pays ennemi ou qui sont la propriété d'un ennemi, pourra être obligé de décharger ces marchandises dans un port anglais ou allié. Dans ce cas, les marchandises seront mises sous la garde du fonctionnaire du tribunal des prises et, à moins qu'elles ne soient contrebande de guerre, ou

qu'elles ne soit requises pour le service de Sa Majesté, elles seront restituées par ordre du tribunal dans de telles conditions qu'il plaira au tribunal d'ordonner, à la personne qui y aura droit.

Pourvu que le présent article ne s'appliquera pas à aucun cas tombant sous les dispositions des articles II ou IV du présent arrêté.

IV. Tout navire marchand parti d'un port autre qu'un port allemand, après le 1er mars 1915 et ayant à bord des marchandises d'origine ennemie ou qui sont la propriété d'un ennemi, pourra être obligé de décharger ces marchandises dans un port anglais ou allié. Dans ce cas, ces marchandises seront placées sous la garde du fonctionnaire du tribunal des prises et si elles ne sont pas réquisitionnées pour le service de Sa Majesté elles seront détenues ou vendues selon les directions du tribunal des prises. Le montant de la vente de ces marchandises sera versé au tribunal qui en disposera de la manière qu'il trouveront juste.

Pourvu qu'aucun produit de la vente de ces dites marchandises ne sera payé par le tribunal jusqu'à la conclusion de la paix, sauf à la demande du fonctionnaire autorisé de la Couronne, à moins qu'il ne soit démontré que les marchandises étaient devenues propriété neutre avant la publication du présent arrêté.

Pourvu aussi que rien de ce qui est exprimé dans le présent arrêté n'empêchera la remise de propriété neutre chargée à un tel port ennemi, en en faisant la demande au fonctionnaire autorisé de la Couronne.

V.—(1) Toute personne prétendant avoir un intérêt ou une réclamation au sujet de marchandises (qui ne seraient pas contrebande de guerre) placées en garde du fonctionnaire du tribunal des prises, par le présent arrêté, ou dans le produit de telles marchandises, peut entrer un bref d'assignation devant le tribunal contre le fonctionnaire autorisé de la Couronne et demander qu'un ordre émane afin que les marchandises lui soient restituées ou que le produit de leur vente lui soit payé, ou tout autre ordre que les circonstances exigeront.

(2) La pratique et la procédure du tribunal des prises seront, autant que possible, suivies *mutatis mutandis* dans toute procédure prise en conséquence du présent arrêté.

VI.—Tout navire marchand qui sera parti d'un port anglais ou allié pour un port neutre, ou qui aura reçu un laissez-passer pour un port neutre, et qui se rendra ensuite dans un port ennemi, sera, s'il est capturé, sujet à condamnation.

VII.—Rien dans le présent arrêté ne sera censé affecter en rien la possibilité d'un navire ou de marchandises d'être capturées ou condamnées pour toute autre cause que celles énumérées dans le présent arrêté.

VIII.—Rien dans le présent arrêté n'empêchera d'affranchir de ses dispositions les vaisseaux marchands de quelque nationalité que ce soit qui déclareront qu'aucun commerce venant de l'Allemagne ou de sujets allemands ne jouira de la protection de son drapeau.

SON ALTESSE ROYALE LE GOUVERNEUR GÉNÉRAL EN CONSEIL.

Un comité du conseil privé a été soumis un rapport du Ministre de l'Intérieur, daté le 4 mars 1915, représentant que M. Daniel Edward Riley, de High-River, Alberta, a été autorisé le 31 mai 1911, sous l'empire de la *Loi d'irrigation*, à exécuter des travaux pour prendre l'eau du creek Westropp; dans le quart nord-ouest de la section 28, et d'un creek dans le quart nord-est de la section 28, tous deux dans le township 13, rang 2, à l'ouest du 5e méridien, pour l'irrigation d'un terrain de 180 acres dans le quart nord-est de la section 28 et le quart nord-ouest de la section 27, dans les dits township et rang;

Le Ministre représente que M. Daniel Edward Riley a demandé d'acheter le quart nord-ouest de la section 27, township 13, rang 2, à l'ouest du 5e méridien, sur lequel il a une concession de pâturage. Le commissaire de l'irrigation a fait rapport que le projet est praticable et a recommandé la vente. Les travaux ont été parachevés et un permis a été émis pour le détournement de l'eau,—

Par conséquent, le Ministre recommande que sous l'empire des règlements d'irrigation l'autorisation soit accordée de vendre au dit Daniel Edward Riley le quart nord-ouest de la section 27, township 13, rang 2, à l'ouest du 5e méridien, à \$3 l'acre, la vente étant sujette aux conditions prévues dans les règlements concernant les ventes de ce genre.

Le comité soumet cette recommandation pour recommandation.

PRÉSENT :

SON ALTESSE ROYALE LE GOUVERNEUR
GÉNÉRAL EN CONSEIL.

AU Comité du Conseil privé a été soumis un rapport du Surintendant général des Affaires des sauvages, daté le 15 février 1915, représentant que par un arrêté en conseil du 17 mai 1889 une étendue de terrain située dans les townships 58, 59 et 60, rangs 6 et 7, à l'ouest du 4e méridien, ainsi qu'indiqué par un tracé vert sur le plan ci-annexé, a été mise en réserve pour la bande indienne de Keheewin, et que les sauvages ont demandé une nouvelle délimitation par laquelle certains terrains dans les townships 58 et 59, rang 6, à l'ouest du 4e méridien, contigus à la limite est de la réserve ainsi que constituée par l'arrêté en conseil ci-dessus mentionné, leur seraient accordés en échange de certaines parties des divisions nord et sud de la dite réserve;

Les terrains que demandent les sauvages sont des terres fédérales au sens de la *Loi des terres fédérales*, et comme ils sont disponibles pour cet échange, le Ministre est d'avis que la demande des sauvages soit accordée,—

Par conséquent, le Ministre recommande que l'arrêté en conseil ci-dessus mentionné soit rescindé et que la nouvelle délimitation de la réserve soit confirmée d'après la description suivante :

Premièrement : Toutes les parties des townships 58 et 59, rang 6, et toute la partie du township 59, rang 7, à l'ouest du 4e méridien, qui peuvent être décrites plus minutieusement comme suit : commençant à un poteau en fer et un tertre marquant l'angle sud-ouest de la section fractionnaire 1, dans le dit township 59, rang 6, ainsi qu'indiqué sur une carte ou plan d'arpentage du dit township approuvé et confirmé à Ottawa, le 6 novembre 1909, par Edouard Deville, arpenteur général des terres fédérales, et déposé au Département de l'Intérieur ; de là vers le sud en suivant la limite ouest de la réserve de chemin le long de la borne ouest de la partie nord du quart fractionnaire nord-est de la section 36, dans le dit township 58, rang 6, sur une distance de 23 chaînes et 93 chaînons, plus ou moins, jusqu'à un poteau en fer et un tertre, ainsi qu'indiqué sur une carte ou plan d'arpentage du dit township 58, approuvé et confirmé à Ottawa, le 6e jour de novembre 1906, par Edouard Deville, arpenteur général des terres fédérales, et déposé au Département de l'Intérieur ; de là vers l'ouest en suivant la limite nord de la réserve de chemin le long de la borne nord des sections fractionnaires 36, 35, 34, 33, 32 et 31 du dit township 58, sur une distance de 435 chaînes et 40 chaînons, plus ou moins, jusqu'au point d'intersection avec la rive est du lac Keheewin ; de là dans une direction générale nord-ouest en suivant la dite rive du dit lac jusqu'au point d'intersection avec la limite est de la réserve de chemin sur la borne est de la section fractionnaire 12, township 59, rang 7, ce point étant situé à environ une chaîne dans la direction de l'est d'un poteau en bois sur la borne est de la dite section fractionnaire 12, ainsi qu'indiqué sur une carte ou plan d'arpentage du dit township 59, rang 7, approuvé et confirmé à Ottawa, le 4 novembre 1909, par Edouard Deville, arpenteur général des terres fédérales, et déposé au Département de l'Intérieur ; de là vers le nord en suivant la limite est de la réserve de chemin le long de la borne est des sections fractionnaires 12, 13, 24 et 25 du dit township 59, sur une distance de 235 chaînes et 27 chaînons, plus ou moins, jusqu'à un poteau en fer marqué I.R., situé une chaîne à l'est et 73 chaînons au sud d'un poteau en bois et d'un tertre marquant l'angle nord-est du quart fractionnaire sud-est de la section 25 du dit township, ainsi qu'indiqué sur le dit plan officiel du dit township ; de là vers l'est en suivant la limite sud de la réserve de chemin le long de la borne sud de la partie est du quart fractionnaire nord-est de la dite section

25, et le long de la limite sud de la réserve de chemin longeant la borne sud des sections fractionnaires 30, 29, 28, 27, 26 et 25, dans le dit township 59, rang 6, jusqu'au point d'intersection avec la rive ouest du lac Muriel ; de là dans la direction du sud-est en suivant la rive sud du lac Muriel jusqu'au point d'intersection avec la borne ouest de la section fractionnaire 24 du dit township 59, rang 6, ainsi qu'indiqué sur une carte ou plan du dit township approuvé de la manière susdite ; de là vers le sud en suivant la borne ouest des sections fractionnaires 24, 13, 12 et 1 du dit township, sur une distance de 307 chaînes et 89 chaînons, plus ou moins, jusqu'au point de départ, le tout contenant 28 milles carrés plus ou moins.

Deuxièmement : Toutes les parties des sections fractionnaires 26, 27, 29 et 30 du dit township 59, rang 6, qui ne sont pas couvertes par les eaux du lac Sinking, ainsi qu'indiqué sur le plan du dit township ; toute la section fractionnaire 28 ; toutes les parties des sections 31, 32, 33, 34 et 35 situées au sud de la rive sud du lac Sinking, ainsi qu'indiqué sur le plan du dit township et toutes les parties de la moitié sud des sections 5 et 6 du township 60, rang 6, situées au sud de la rive sud du dit lac Sinking, ainsi qu'indiqué sur une carte ou plan d'arpentage du dit township, approuvé et confirmé à Ottawa, le 31 mars 1909, par Edouard Deville, arpenteur des terres fédérales, et déposé au Département de l'Intérieur ; les terrains deuxièmement décrits ci-dessus contiennent 4 milles carrés, plus ou moins, et les terrains premièrement et deuxièmement décrits ci-dessus contiennent ensemble 32 milles carrés, plus ou moins, et sont tels qu'indiqués par un tracé rouge sur le plan ci-annexé.

Au sujet de ce qui précède, le Ministre représente de plus qu'en 1904 M. J. A. J. McKenna, assistant commissaire des sauvages à Winnipeg, a fait rapport que l'agent des sauvages Sibbald avait écrit que les sauvages de la réserve de Keheewin désiraient renoncer à la partie nord de leur réserve et faire ajouter une égale étendue à l'est de la réserve, leur but étant d'avoir ainsi de meilleures terres à foin et à culture, la partie nord, sauf quelque futaie, étant pratiquement sans valeur aucune à cause de ce vaste lac alcalin. M. Sibbald représentait que le changement serait dans l'intérêt des sauvages et recommandait qu'il fut autorisé. Demande fut donc faite au Département de l'Intérieur s'il avait des objections au changement projeté. Dans une lettre datée le 26 avril 1904, le département déclara qu'il semblait n'y avoir aucune objection, et M. J. Lestock Reid, arpenteur du Département des Affaires des sauvages, fit un arpentage en 1904, enlevant une partie au nord et au sud et ajoutant une partie égale à l'est de la réserve. En 1906 les sauvages présentèrent une réclamation, prétendant qu'ils ne savaient pas que les terres à foin au sud du lac Sinking avaient été soustraites de leur réserve. L'agent des sauvages fit rapport que cette lisière avait à peu près un demi-mile de large, que le sol, était alcalin et que le foin était requis pour le pâturage du bétail appartenant alors à la bande ; et de plus que la population de la bande de Keheewin augmentait rapidement, ainsi que constaté ci-dessous :

Novembre 1906.....	population	130
Décembre 1909.....	"	177
Août 1910.....	"	188
1913.....	"	196

Le 29 mars 1911, le Département de l'Intérieur avisa le Département des Affaires des sauvages qu'il avait été décidé de faire une addition à la borne nord, étendant la réserve jusqu'aux rives sud du lac Sinking.

Au cours de l'année 1914 trente-cinq sauvages quittèrent la réserve de Keheewin pour d'autres réserves, laissant une population de 162 en 1914, ce qui, d'après le traité, leur donnerait droit à 20,736 acres ; la superficie maintenant demandée est de 20,531 acres.

Le comité soumet cette demande pour approbation.

AU comité du Conseil privé a été soumis un rapport du Ministre de l'Intérieur, daté le 22 février 1915, représentant que l'article 41 des règlements pour la concession de claims de mines de quartz, approuvés par un arrêté en conseil du 13 août 1908, prescrit que le propriétaire enregistré d'un claim minier a le droit de le détenir d'année en année pourvu que durant chaque année et chaque autre année qui suit il exécute ou fait exécuter des travaux sur le claim pour une somme de \$100.

Des représentations ont été faites au Département de l'Intérieur que la crise financière résultant de la guerre ont rendu excessivement difficile pour les propriétaires enregistrés de claims miniers acquis sous l'empire des règlements ci-dessus mentionnés d'exécuter les travaux susdits sur des concessions situées dans des régions éloignées dans le nord des provinces de Manitoba, Saskatchewan et Alberta, et le Département a reçu de nombreuses demandes d'extension de la période durant laquelle la dépense prescrite par les règlements doit être faite sur ces concessions.

Attendu que ces claims miniers dans le nord des provinces ci-dessus mentionnées sont d'un accès difficile, et en vue des conditions exceptionnelles créées par la guerre, le Ministre demande l'autorisation d'accorder aux propriétaires enregistrés de claims miniers, acquis sous l'empire des règlements ci-dessus mentionnés et situés dans le nord des provinces de Manitoba, Saskatchewan et Alberta (c'est-à-dire dans les régions au nord de la borne sud du township 17, dans la province de Manitoba, au nord de la borne sud du township 47 dans la province de la Saskatchewan, et au nord de la borne sud du township 60 dans la province d'Alberta), un délai d'un an de la présente date pour fournir la preuve qu'ils ont dépensé en travaux miniers sur ces concessions la somme requise par l'article 41 des règlements précités.

Le comité soumet cette demande pour approbation.

AU comité du Conseil privé a été soumis un rapport du Ministre de l'Intérieur daté le 1er mars 1915, représentant que par un arrêté en conseil en date du 17 juin 1907, ont été cédés à la municipalité de Battleford tous les terrains disponibles situés dans l'emplacement de cette ville à l'exception des terrains qui, d'après les rapports de l'inspecteur des homesteads, sont en occupation et sur lesquels des travaux ont été faits ;

Jusqu'ici la coutume du Ministère de l'Intérieur a été de céder à la personne qui était en occupation les terrains sur lesquels, d'après le rapport de l'inspecteur, des travaux avaient été faits. La ville de Battleford soumet que ceux qui ont un titre quelconque à ces terrains ont eu tout le temps voulu pour les acheter et demande que tous les terrains qui n'ont pas été ainsi acquis soient cédés à la ville,—

Considérant que l'inspecteur des homesteads fait rapport que certains des terrains que des rapports précédents désignaient en occupation et soumis à des travaux utiles sont maintenant inoccupés, le Ministre recommande qu'il soit cédé à la ville de Battleford tous les terrains disponibles dans l'emplacement de cette ville qui, après inspection faite, seront rapportés inoccupés ou sur lesquels on n'aura fait que des travaux sans importance.

Le Ministre ajoute que dix terrains situés dans l'emplacement de la ville, qui, dans un rapport antérieur, avaient été désignés en occupation et sous travail, mais après inspection ultérieure ont été rapportés inoccupés furent cédés à la ville en 1909, et comme cette concession rencontre les vues du Ministère, il recommande que la dite concession de ces dits terrains à la ville de Battleford soit confirmée.

Le comité soumet cette recommandation pour approbation.

SON ALTESSE ROYALE LE GOUVERNEUR

ATTENDU que sous l'empire de l'article 17 de la *Loi des réserves forestières et des parcs fédéraux*, ainsi que modifié par l'article 4 du chapitre 18, 3-4 George V, et sous l'empire de l'article 18 de cette première loi, ainsi que décrété par l'article 5 du chapitre 18, 3-4 George V, le Gouverneur en conseil peut établir des règlements au sujet des parcs et de leur administration, conformément aux dispositions de la *Loi des réserves forestières et des parcs fédéraux* ;

Et attendu que l'article 61 des règlements régissant les parcs nationaux du Canada, approuvé par un arrêté en conseil du 21 juin 1909, et établis par un arrêté en conseil du 6 juin 1911, ainsi que modifiée par des arrêtés en conseil subséquents, prescrit que personne ne chassera, prendra, tuera, blessera, ou détruira, ou poursuivra avec telle intention un animal ou oiseau sauvage dans les limites des parcs ; cependant, ni cet article ni aucun autre des règlements susdits ne définit le mot "gibier" ou ne fait de la possession du gibier pris dans les parcs une contravention sujette à poursuite ;

Et attendu qu'il a été représenté que du gibier de haute valeur est exposé à être détruit par des animaux carnassiers et que même la vie humaine peut être menacée par ces animaux dangereux ;

Et attendu que ni l'article 61 précité, ni aucun autre article des règlements régissant les parcs nationaux ne contiennent de dispositions pour la capture des animaux et des oiseaux sauvages pour des fins zoologiques et scientifiques ou pour la collection d'animaux et d'oiseaux sauvages pour les musées et autres fins scientifiques,—

Par conséquent, il plaît à Son Altesse Royale le Gouverneur général en conseil de décréter que l'article 61 susdit des règlements régissant les parcs nationaux soit par ces présentes modifié de manière à se lire comme suit :

61. "Gibier" signifie et comprend tous les animaux et les oiseaux protégés par les présents règlements, ainsi que les têtes, peaux et toute autre partie de ces animaux et de ces oiseaux. Personne ne chassera, prendra, tuera, blessera, détruira, ou poursuivra avec telle intention un gibier quelconque dans les limites des parcs, et à moins d'y être expressément autorisé par les présents règlements personne n'aura en sa possession, ou en la possession de son serviteur ou agent, ou de toute autre personne en son nom du gibier ou du poisson tué ou pris dans les limites d'un parc.

(a) Les animaux nuisibles, carnassiers ou dangereux, et les oiseaux nuisibles dans les limites des parcs peuvent être capturés ou tués en aucun temps par tout garde-forestier relevant de l'administration des parcs.

(b) Avec le consentement et l'autorisation du Ministre de l'Intérieur, tous animaux et oiseaux quelconques requis pour des fins scientifiques peuvent être capturés ou tués en aucun temps dans les limites des parcs par un garde-forestier relevant de l'administration des parcs.

SON ALTESSE ROYALE LE GOUVERNEUR
GÉNÉRAL EN CONSEIL.

A U comité du Conseil privé a été soumis un rapport du Ministre de l'Intérieur, daté le 16 mars 1915, représentant que Herbert J. Scott a obtenu l'inscription de homestead pour le quart nord-ouest de la section 36, township 7, rang 26, à l'ouest du 2e méridien, le 27 octobre 1911;

Le Ministre représente que d'après les renseignements reçus ce colon s'est acquitté des devoirs de résidence suivants :

Du 20 novembre 1912 jusqu'au commencement de mai 1913, et du 12 novembre 1913 jusque vers le mois d'avril 1914.

Améliorations :

Maison en bois..... \$125.00
20 acres de défoncement, dont 10
acres ont été ensemencés en 1914.

Il a été représenté au département de l'Intérieur que M. Scott souffre d'ataxie locomotrice si avancée qu'il est pratiquement confiné à la maison et qu'il ne pourra jamais plus résider sur son homestead,—

Le Ministre soumet la copie ci-annexée d'un certificat médical et, en vue des déclarations qui y sont faites, il recommande qu'en vertu des dispositions du paragraphe 2 de l'article 20, chapitre 20, 7-8 Edouard VII, M. Scott soit exempté de toute autre obligation de résidence afin que la patente gratuite de ce terrain puisse lui être accordée dès qu'il aura établi de la manière ordinaire que les autres conditions de la loi ont été observées.

Le comité soumet cette recommandation pour approbation.

A U comité du Conseil privé a été soumis un rapport du Ministre de l'Intérieur, daté le 15 mars 1915, représentant que M. Archibald Walker, de Prince-Albert, est propriétaire du quart sud-est de la section 22, township 47, rang 1, à l'ouest du 3e méridien, qui est adjacent à la borne de la réserve Pines Forest, dans la province de Saskatchewan ; que ce terrain a été examiné et qu'on a constaté que le sol était très sableux et couvert d'une quantité considérable de l'essence dite " Jack Pine," et qu'il convient mieux à la production forestière qu'à l'agriculture ; que si possible ce terrain devrait, par conséquent, être inclus dans la réserve de Pines Forest ; que M. Walker a consenti à céder ce quart de section pour cette fin pourvu qu'on lui concède un autre quart de section pour remplacer celui-là,—

Par conséquent, le Ministre recommande que dès que M. Walker aura exécuté un acte de cession du terrain en question la concession lui soit accordée du quart sud-ouest de la section 23, township 46, rang 27, à l'ouest du 2e méridien, cette partie des terres fédérales étant vacante et disponible.

Le comité soumet cette recommandation pour approbation.

A U comité du Conseil privé a été soumis un rapport du Ministre de l'Intérieur, daté le 19 mars 1915, représentant que la compagnie dite " Grand Trunk Pacific Branch Lines Company " a demandé la concession de 16.41 acres de la moitié nord de la section 28-17-20 à l'ouest du 2e méridien, qui peuvent être décrits plus minutieusement comme suit :

Toute la partie de la dite demi-section située au nord d'une ligne parallèle à la borne nord de la dite demi-section et éloignée de cette borne de 135.9 pieds perpendiculairement vers le sud. Ce terrain doit être employé pour le passage de la voie de l'embranchement Regina-Moosejaw ;

Par un arrêté en conseil du 11 août 1911, la moitié nord de la section 28-17-20, à l'ouest du 2e méridien ci-dessus mentionnée, est mise en réserve durant bon plaisir pour la gendarmerie à cheval du Nord-Ouest pour les fins d'un champ de tir, et le contrôleur de la gendarmerie a avisé le Ministre de l'Intérieur qu'il n'a pas d'objection à ce que la demande de la compagnie soit accordée,—

Par conséquent, le Ministre recommande que cette lisière de terrain de 135.9 pieds de largeur soit soustraite de la demi-section réservée à la gendarmerie à cheval du Nord-Ouest.

4. Quand l'objet d'un bill est d'augmenter le capital social d'une compagnie existante, le droit additionnel est déterminé selon le tarif ci-dessus, mais n'est calculé que sur le montant de la majoration.

5. Quand un bill est à l'effet d'augmenter ou tend à augmenter pour une compagnie sa faculté d'emprunter, sans qu'il y ait augmentation du capital social, le droit additionnel est de \$300.

6. Si, à quelque phase d'un bill, il est apporté quelque augmentation au chiffre du capital social projeté d'une compagnie, ou à celui de sa faculté d'emprunter, le bill ne passe pas à la phase subséquente tant que les droits découlant de ce changement n'ont pas été versés.

7. Dans la présente règle, l'expression "capital social projeté" comprend toute augmentation de ce capital prévue dans le bill, et dans le cas où un bill accorde le pouvoir d'augmenter, à quelque date que ce soit, le montant du capital social projeté, le droit additionnel sera prélevé sur le chiffre maximum de telle augmentation projetée, telle qu'il en est fait mention dans le bill.

8. Les taxes supplémentaires prescrites en la présente règle s'appliqueront aussi aux bills privés prenant naissance au Sénat, sauf, toutefois, que si une pétition demandant pareil bill privé a été présentée en cette Chambre dans les six premières semaines de la session la taxe supplémentaire imposée sous l'empire des alinéas b ou c de l'article 3, ne sera pas exigée.

THOMAS B. FLINT,

Greffier des Communes.

RÈGLES RELATIVES AUX AVIS DE BILLS PRIVÉS.

91. Toutes demandes, quelles qu'elles soient, adressées au Parlement pour bills privés, devront être précédées

d'un avis dans la *Gazette du Canada* ; le dit avis devra énoncer clairement et distinctement la nature et l'objet de la demande, et devra être signé par les postulants ou en leur nom avec les adresses des signataires ; et lorsque la demande aura pour objet un acte constitutif, le nom de la compagnie projetée devra être donné dans l'avis. Et si les travaux de quelque compagnie (constituée ou à être constituée en corporation) doivent être déclarés à l'avantage général du Canada, cette intention sera spécifiquement mentionnée dans l'avis ; et les postulants feront adresser une copie du dit avis, par lettre enregistrée, au greffier de chaque comté ou municipalité qui pourra être spécialement concernée dans la construction ou l'exploitation des dits travaux, et aussi au secrétaire de la province dans laquelle les dits travaux sont ou pourront être situés ; et une déclaration conforme à la loi devra attester que cette formalité a été remplie par les postulants.

Outre l'avis susdit à publier dans la *Gazette du Canada*, un avis semblable devra aussi être publié dans quelque journal important comme suit :—

A. Lorsque la demande sera faite pour un acte constituant en corporation,—

1. *Une compagnie de chemin de fer ou de canal* :— Dans la principale cité et ville ou dans le principal village dans chaque comté où devront être construits le chemin de fer ou le canal projetés

2. *Une compagnie de télégraphe ou de téléphone* :— Dans la principale cité ou ville dans chaque province ou territoire où la compagnie se propose de faire des opérations.

3. *Une compagnie pour la construction de travaux quelconques* de nature à produire un changement dans une localité particulière par suite de leur construction ou exploitation ; ou pour obtenir quelques droits ou privilèges exclusifs ; ou pour faire quelques opérations pouvant porter atteinte aux droits ou à la propriété de particuliers :— Dans la localité ou les localités qui pourraient être atteintes par la législation projetée.

4. *Une compagnie de banque ; une compagnie d'assurance ; une compagnie de fidéicommis ; une compagnie de prêt ; ou une compagnie industrielle, sans pouvoirs exclusifs quelconques* :— Dans la *Gazette du Canada* seulement.

B. Lorsque la demande sera aux fins d'amender un acte existant,—

1. Pour le prolongement de quelque ligne de chemin de fer ou de quelque canal, ou pour la construction d'embranchements des dits chemin de fer ou canal :— Dans la principale cité, la principale ville ou le principal village dans chaque district ou comté devant être traversé par le prolongement ou cet embranchement.

2. Pour la prolongation d'une charte ou du délai fixé pour la construction ou l'achèvement d'une ligne de chemin de fer, d'un canal, ou d'une ligne de télégraphe ou de téléphone quelconques, ou de tous autres travaux déjà autorisés ; ou pour l'extension des pouvoirs d'une compagnie (lorsque cela n'implique pas la concession de droits exclusifs) ; ou pour l'augmentation ou la réduction du capital social de quelque compagnie ; ou pour augmenter ou modifier ses pouvoirs d'émettre des obligations ou de contracter des emprunts, ou pour tout amendement pouvant porter atteinte aux droits ou intérêts des actionnaires ou des porteurs d'obligations ou des créanciers de la compagnie :— Dans la localité où le bureau principal de la compagnie est ou doit être autorisé à s'établir.

(C.) Lorsque la demande a pour objet d'obtenir pour une personne ou une corporation déjà constituée des droits ou privilèges exclusifs ou le pouvoir de faire quelque chose dont l'accomplissement pourrait porter atteinte aux droits ou aux biens d'autres personnes : dans la localité ou les localités particulières que l'acte projeté pourrait atteindre.

Tous ces avis, qu'ils soient insérés dans la *Gazette du Canada* ou dans un journal, devront être publiés au moins une fois par semaine pendant une durée de cinq semaines consécutives ; et en ce qui concerne les provinces de Québec et de Manitoba, ils devront y être publiés en anglais et en français ; et dans le cas où il n'y aurait pas de journal dans une localité où l'avis doit être donné, cet avis sera donné dans la localité la

plus rapprochée dans laquelle il se publie un journal ; et la preuve de la publication régulière de l'avis sera établie dans chaque cas par une déclaration conforme à la loi ; et toutes ces déclarations devront être transmises au greffier de la Chambre et être endossées "Avis de bill privé".

(D.) Tout pareil avis sera transmis par la poste par lettre enregistrée de manière à parvenir au secrétaire de la province, et au greffier du conseil de comté et de la corporation municipale, au moins deux semaines avant que l'Examineur ou le comité des ordres permanents ne prennent la pétition en délibération, et une déclaration conforme à la loi et établissant ce dépôt à la poste, sera adressée au greffier de la Chambre.

(E.) Tous bills privés pour actes constitutifs devront être dressés de manière à incorporer, par mode de renvoi, les clauses des actes généraux se rapportant aux détails auxquels ces bills doivent pourvoir ; l'on devra énoncer les raisons spéciales de toute déviation de ce principe, ou de l'introduction d'autres dispositions relatives à ces détails, et une note devra être annexée au bill pour indiquer les dispositions du bill au sujet desquelles l'on propose de s'écarter de l'acte général ; les bills qui ne seront pas rédigés conformément à cette règle, devront être remodelés par les promoteurs et réimprimés à leurs frais avant qu'aucun comité passe à l'examen de leurs clauses.

THOMAS B. FLINT,

Greffier de la Chambre des Communes.

Quiconque désire obtenir du Parlement une charte de chemin de fer, devra observer les règles ci-dessous, établies par la Chambre des Communes, au sujet de la production de cartes :—

CARTE OU PLAN ACCOMPAGNANT LA PÉTITION.

93. "L'Examineur ou le comité des Ordres permanents ne prendra connaissance d'aucune pétition demandant la constitution en corporation d'une compagnie de chemin de fer, ou d'une compagnie ayant pour objet la construction d'un canal, ou demandant un prolongement de la ligne d'un chemin de fer ou d'un canal existant ou autorisé, avant que soit produit devant ce comité une carte ou un plan, indiquant l'emplacement projeté des ouvrages, et chaque comté, township, municipalité ou district à travers lesquels le chemin de fer, le canal, l'embranchement ou le prolongement projeté, doit être construit".

CARTES, PLANS ET PIÈCES ACCOMPAGNANT LES BILLS.

94. "Nul bill tendant à la constitution en corporation d'une compagnie de chemin de fer ou de canal ou à l'effet de changer le tracé du chemin de fer ou du canal d'une compagnie déjà constituée, ne sera mis à l'étude par le comité des Chemins de fer, à moins qu'il n'ait été produit devant le comité, au moins une semaine avant l'examen du bill—

(a.) "Une carte ou un plan à une échelle d'au moins un demi-pouce au mille, et indiquant le territoire sur lequel il est question de construire les ouvrages projetés, et indiquant aussi les ouvrages analogues existants ou autorisés, dans la région ou partie de la région que la ligne projetée doit desservir, ou qui ont quelque effet sur la dite région ; et cette carte ou ce plan doit porter la signature de l'ingénieur ou autre personne qui l'a fait ;

(b.) "Une pièce faisant connaître le montant total du capital que l'on se propose de consacrer aux fins de l'entreprise, et la manière dont on se propose de se le procurer, soit au moyen d'actions ordinaires, d'obligations, de débentures ou d'autres valeurs, et le montant respectif à réaliser de chacun de ces chefs."

SENAT.

SUBSTANCE DES RÈGLES ET FORMES DE PROCÉDER DU SÉNAT CONCERNANT LES BILLS DE DIVORCE.

Telles que révisées et mises en vigueur le 22 mars 1906

Tout pétitionnaire en divorce doit annoncer son intention de demander un bill de divorce, par un avis spécifiant contre qui et pour quelle cause le divorce sera demandé ; il fait insérer cet avis, pendant trois

mois au moins avant la prise en considération par le comité des divorces de sa pétition pour obtenir le bill, dans la *Gazette du Canada* et dans deux journaux—du district où il avait sa résidence habituelle à l'époque de sa séparation d'avec son conjoint, s'il résidait alors dans la province de Québec, le Manitoba, la Saskatchewan, l'Alberta, la Colombie-Britannique ou les Territoires du Nord-Ouest,—ou du comté ou des comtés-unis, s'il résidait dans une autre province ; et à défaut de ce nombre de journaux, l'avis doit se publier dans le district, le comté ou les comtés-unis voisins.

Dans les provinces de Québec et du Manitoba, les insertions doivent se faire dans un journal anglais et un journal français, s'il en existe des deux langues dans le district ; autrement, elles se font en anglais et en français au même journal. Si l'avis donné pour une session expire trop tard pour qu'il puisse être statué sur la pétition pendant cette session, la pétition pourra être présentée et accueillie à la session suivante sans nouvelle publication d'avis.

Une copie de cet avis et une copie de la pétition qui sera présentée doit, à la diligence du pétitionnaire et au moins deux mois avant la prise en considération de la pétition par le comité, être signifiée en main propre si cela est possible, à la personne contre laquelle le divorce sera demandé, ci-après appelée "partie défenderesse".

Si la résidence de la partie défenderesse n'est pas connue, ou que la remise de l'avis ne peut être faite en ses mains, s'il est prouvé, d'une manière jugée satisfaisante par le comité, que tous les efforts raisonnables ont été faits pour opérer la signification en main propre, et, en cas d'inutilité de ces efforts, pour porter l'avis et la pétition à la connaissance de la partie défenderesse, ces diligences peuvent être tenues pour une suffisante notification.

Aucune pétition en divorce n'est recevable après l'expiration des soixante premiers jours de la session.

Toute pétition en divorce doit être écrite lisiblement et porter la signature du pétitionnaire. Elle énonce sommairement le fait du mariage, en indiquant les noms au long, l'âge et l'état des parties, en quel temps, en quel lieu et par qui a été faite la célébration ; le domicile et la résidence de chacune des parties à l'époque du mariage, leur domicile conjugal, leur résidence et tout changement qui en aurait eu lieu ; les faits essentiels sur lesquels est fondée la demande de redressement et la nature du redressement demandé.

La pétition doit aussi contenir l'assurance qu'il n'y a pas eu ni connivence, ni pardon pour les torts qui donnent lieu à la plainte, ni collusion dans la demande en divorce.

Les allégations de la pétition doivent être appuyées d'une déclaration du pétitionnaire, faite conformément à l'*Acte de la preuve en Canada, 1893*.

La copie de la pétition signifiée à la partie défenderesse portera en endos ou en annexe les renseignements suivants :

(1) La résidence du pétitionnaire à l'époque de la signification.

(2) Une adresse postale en Canada à laquelle les lettres et avis pour le pétitionnaire puissent être délivrés.

(3) Le nom et l'adresse de l'avocat, s'il y en a un, agissant pour le pétitionnaire.

(4) Si cet avocat n'a pas d'adresse à Ottawa, le nom et l'adresse de quelque agent le représentant à Ottawa, à qui tous avis et pièces puissent être signifiés.

(5) Si la partie défenderesse veut s'opposer à la demande en divorce et être entendue par le comité des divorces du Sénat, elle doit adresser un avis à cet effet au greffier du Sénat aux édifices du Parlement, Ottawa, dans les deux mois de la signification faite à la partie défenderesse et donner dans cet avis au greffier du Sénat :

(a) La résidence de la partie défenderesse à l'époque de l'envoi de l'avis.

(b) Une adresse postale en Canada à laquelle les lettres et avis pour la partie défenderesse puissent être délivrés.

(c) Le nom et l'adresse de l'avocat, s'il y en a un agissant pour la partie défenderesse.

(d) Si cet avocat n'a pas d'adresse à Ottawa, le nom et l'adresse de quelque agent le représentant à Ottawa, à qui tous avis et pièces puissent être signifiés.

(6) Si la partie défenderesse ne notifie pas ainsi le greffier du Sénat, la pétition peut être prise en considération, et un bill de divorce basé sur cette pétition peut suivre son cours sans autre avis à la partie défenderesse.

(7) Lorsque la pétition est présentée par un mari pour obtenir le divorce contre sa femme, si celle-ci fait voir au comité d'une manière satisfaisante qu'elle peut opposer et qu'elle est prête à produire sous serment de bons moyens de défense contre les accusations portées dans la pétition, et qu'elle n'a pas l'argent nécessaire pour faire valoir ces moyens, le comité peut rendre un ordre que son mari ait à lui fournir la somme nécessaire pour qu'elle puisse présenter sa défense en retenant les services d'un conseil, payer ses frais de voyage et de séjour et ceux des témoins assignés de sa part à Ottawa.

La pétition en obtention d'un bill de divorce n'est prise en considération par le comité que lorsque le pétitionnaire a versé au bureau du greffier du Sénat une somme de \$210.

La pétition, au moment de sa présentation au Sénat doit être accompagnée de la preuve de la publication d'avis et d'une déclaration établissant qu'une copie de l'avis de la pétition a été signifiée.

Une copie de toute pétition en obtention d'un bill de divorce, ou relative à quelque demande de divorce,—et une copie de tous documents et papiers accompagnant cette pétition, ou à produire devant le comité, devra être fournie par la personne au nom de laquelle la pétition, les documents ou les papiers seront présentés ou produits.

Greffier du Sénat.

Avis de bills privés.

EXTRAIT DES RÈGLES DU SÉNAT.

107. Toute demande au Parlement, pour obtenir un bill privé, de quelque nature qu'il soit, doit être annoncée par avis inséré à la *Gazette du Canada* ; cet avis doit indiquer d'une manière claire et précise la nature et l'objet de la demande, être signé par les pétitionnaires ou en leur nom et contenir l'adresse des signataires ; et si elle a pour objet l'obtention d'un acte constitutif, il faut donner aussi dans l'avis le nom de la compagnie projetée.

Outre l'avis à insérer dans la *Gazette du Canada*, il doit en être publié un semblable, comme il suit :—

A. Lorsque la demande a pour objet l'obtention d'un acte constituant en corporation,—

1. Une compagnie de chemin de fer ou de canal,—dans un des principaux journaux de la principale cité ou ville ou le principal village de chaque comté ou district par où passerait le chemin de fer ou le canal dont la construction est projetée ;

2. Une compagnie de télégraphe ou de téléphone,—dans un des principaux journaux de la principale cité ou ville de chaque province ou territoire où elle se propose d'opérer ;

3. Une compagnie pour la confection de travaux quelconques, dont la confection ou l'exploitation intéresserait spécialement telle localité particulière ; ou une compagnie tendant à obtenir des droits ou privilèges exclusifs, ou l'autorisation de faire une chose dont l'opération pourrait porter atteinte aux droits ou à la propriété d'autrui,—dans un des principaux journaux de l'endroit ou des endroits que l'acte demandé intéresse ;

4. Une compagnie de banque ; une compagnie d'assurance ; une compagnie de crédit ; une compagnie de prêt, ou une compagnie industrielle, sans pouvoirs exclusifs,—dans la *Gazette du Canada* seulement ;

5. Et si les travaux d'une compagnie (constituée ou à constituer) doivent être déclarés d'utilité générale pour le Canada, cette intention sera spécifiquement

mentionnée dans l'avis ; et les requérants feront envoyer par lettre enregistrée une copie de cet avis au secrétaire de chaque conseil de comté et de chaque corporation municipale spécialement intéressée dans la construction ou l'exploitation de ces travaux, ainsi qu'au secrétaire de la province dans laquelle ces travaux sont ou seront situés ; et la preuve de l'accomplissement de cette prescription par les requérants devra s'établir par une déclaration statutaire.

B. Lorsque la demande a pour objet de modifier un acte existant,—

1. Afin de prolonger une ligne de chemin de fer ou un canal, ou de construire des embranchements qui s'y relient, l'avis sera le même, *mutatis mutandis*, que celui pour l'obtention d'un acte constituant en corporation une compagnie de chemin de fer ou de canal ;

2. Afin de proroger le délai fixé pour la confection ou l'achèvement d'une ligne de chemin de fer, d'un canal, d'une ligne télégraphique ou téléphonique, ou d'autres travaux quelconques déjà autorisés,—dans un des principaux journaux de l'endroit où la compagnie a son siège ou est autorisée à avoir son siège ;

3. Afin d'étendre les pouvoirs d'une compagnie (sans attribution de pouvoirs exclusifs) ; d'accroître ou de réduire le capital-actions d'une compagnie, ou d'augmenter ou modifier sa faculté d'émettre des obligations ou de faire des emprunts, ou d'effectuer des changements pouvant porter atteinte aux droits ou intérêts des actionnaires, obligataires ou créanciers de la compagnie,—dans un des principaux journaux du lieu de la situation de son siège.

c. Dans tous ces cas, les avis insérés soit à la *Gazette du Canada* ou dans les journaux, doivent se publier au moins une fois par semaine pendant cinq semaines consécutives ; et, lorsqu'ils se publient dans les provinces de Québec et du Manitoba, ils doivent être en langue anglaise et en langue française. Il faut envoyer au greffier du Sénat des exemplaires *marqués* de chaque numéro de tous les journaux contenant l'avis, avec, sur le pli de la feuille, les mots : “ *Avis de bill privé* ” ; ou l'on peut transmettre, au lieu des journaux, une déclaration statutaire que l'avis a été dûment publié.

Tout avis par lettre enregistrée sera déposé à la poste à temps pour parvenir au Secrétaire de la province et au greffier de chaque conseil de comté et de chaque corporation municipale cinq semaines au moins avant la considération de la pétition par le comité des Ordres permanents ; et une déclaration statutaire établissant le fait du dépôt à la poste sera transmise au greffier du Sénat.

108. Nulle pétition pour la constitution en corporation d'une compagnie de chemin de fer ou d'une compagnie de canal, ou pour l'extension de la ligne d'un chemin de fer ou d'un canal existant ou autorisé, n'est prise en considération par le comité des Ordres Permanents, à moins qu'il n'ait été déposé devant le comité une carte ou un plan indiquant le tracé proposé des travaux ainsi que les comtés ou les districts par où doit passer le chemin de fer, le canal, l'embranchement ou le prolongement qu'on veut construire.

109. Avant d'adresser au Sénat la pétition pour en obtenir la permission de présenter un bill privé ayant pour objet la construction d'un pont de péage, la ou les personnes qui ont l'intention de faire cette pétition doivent, en donnant l'avis prescrit par les règles précédentes mentionner en même temps et de la même manière, les péages qu'elles se proposent de percevoir, l'étendue du privilège, la hauteur des arches, l'espace libre entre les culées ou les piles pour le passage des trains de bois et des bateaux ; en outre, mentionner si le pont sera mobile ou non, et indiquer les dimensions de la partie mobile.

110. Aucune pétition en obtention d'un bill privé n'est reçue par le Sénat après les trois premières semaines de la session ; aucun bill privé ne peut lui être présenté après les quatre premières semaines de la session : aucun rapport d'un comité permanent ou spécial sur un bill privé n'est reçu après les six premières semaines de la session.

114. Toute personne qui voudra obtenir un bill privé, si elle se propose de le présenter au Sénat, devra déposer entre les mains du greffier de cette Chambre,

huit jours avant la réunion du Parlement, une copie du bill en langue anglaise ou en langue française, avec une somme d'argent suffisante pour en payer la traduction, laquelle sera faite par les traducteurs du Sénat, et payer l'impression de 600 exemplaires anglais et de 200 exemplaires français ; elle aura pareillement à verser entre les mains du greffier du Sénat, aussitôt après la deuxième lecture du bill, et avant la prise en considération par le comité auquel il aura été renvoyé une somme de \$200, avec les frais d'insertion de l'acte au corps des Statuts ; et elle remettra au commissaire-greffier du comité un reçu constatant le versement de ces sommes.

Greffier du Sénat.

Honorables Messieurs du Sénat :

Messieurs de la Chambre des Communes :

En mettant fin, pour le présent, à vos travaux ardu, je désire vous remercier du soin et du zèle que vous avez apportés à les mener à bonne fin, et surtout des mesures opportunes et efficaces que vous avez prises pour assurer, avec le Royaume-Uni et les autres possessions de Sa Majesté, la participation nécessaire du pays à la terrible guerre dans laquelle notre Empire a été forcé de s’engager. Je souhaite ardemment, et je désire fermement, que l’aide qui a été ainsi donnée avec promptitude et générosité, contribuera, dans une large mesure, au succès complet et certain des armées alliées, succès qui peut seul procurer une paix honorable et durable.

As this great struggle proceeds there is no abatement in the intense earnestness and determination of the Canadian people to unite their efforts with those of all the British Dominions for the maintenance of our Empire's integrity and for the preservation of its institutions and liberties. From Atlantic to Pacific the splendid response to the call for men has fully equalled all anticipations.

In common with all the people of this Dominion, I have been proud to learn that the Canadian soldiers have shown conspicuous bravery and efficiency in the field of battle, and that they have borne themselves worthily when fighting side by side with the best troops of the Empire.

Gentlemen of the House of Commons :

In His Majesty's name, I thank you for the liberal provision you have made for carrying on the affairs of the country and for meeting the necessities of the war under the trying conditions which it has brought about.

Honourable Gentlemen of the Senate :

Gentlemen of the House of Commons :

I bid you now farewell, in the earnest hope that the terrible conflict in which the Empire is engaged may be brought to a speedy and favourable conclusion, and in the firm belief that our country under the blessing of Divine Providence, will then resume unchecked that career of marked progress and abundant prosperity which it is destined to enjoy.

THE SPEAKER of the Senate then said :

It is HIS ROYAL HIGHNESS THE GOVERNOR GENERAL'S will and pleasure, that this Parliament be prorogued until Tuesday, the 25th day of May next, to be here holden, and this Parliament is accordingly prorogued until Tuesday, the 25th day of May next.

A mesure que cette grande lutte avance, il n'y a aucune diminution dans l'ardeur et la détermination intenses du peuple canadien à concorder ses efforts avec ceux de toutes les possessions britanniques pour assurer le maintien de notre Empire dans toute son intégrité et la conservation de ses institutions et de ses libertés. De l'Atlantique au Pacifique la superbe réponse à l'appel pour des soldats a été à la hauteur de l'attente.

D'accord avec tout le peuple du Canada, j'ai été fier d'apprendre que les soldats canadiens avaient montré sur le champ de bataille une bravoure et une efficacité éclatantes, et qu'ils avaient fait preuve d'une grande vaillance en combattant à côté des meilleures troupes de l'Empire.

Messieurs de la Chambre des Communes :

Au nom de Sa Majesté, je vous remercie des généreux crédits que vous avez votés pour faire face aux affaires du pays et aux nécessités de la guerre au milieu du difficile état de choses qu'elle a entraîné.

Honorables Messieurs du Sénat :

Messieurs de la Chambre des Communes :

Je vous dis maintenant adieu, avec le profond espoir que la terrible lutte dans laquelle l'Empire est engagé arrivera bientôt à un dénouement favorable, et avec la ferme conviction que notre pays reprendra, sans encombre, avec la bénédiction de la divine Providence, cette carrière de progrès signalés et d'abondante prospérité que la destinée lui réserve.

L'ORATEUR du Sénat alors dit :

C'est le plaisir de SON ALTESSE ROYALE LE GOUVERNEUR GÉNÉRAL, que ce parlement soit prorogé jusqu'à mardi, le 25e jour de mai prochain pour être tenu en ce lieu, et ce parlement est, en conséquence, prorogé jusqu'à mardi, le 25e jour de mai prochain.

40-3 GOD SAVE THE KING.

DESPATCHES, Etc.

At the Court at Buckingham Palace, the 11th day of March, 1915.

PRESENT,

The KING'S Most Excellent Majesty in Council.

WHEREAS the German Government has issued certain Orders which, in violation of the usages of war, purport to declare the waters surrounding the United Kingdom a military area, in which all British and allied merchant vessels will be destroyed irrespective of the safety of the lives of passengers and crew, and in which neutral shipping will be exposed to similar danger in view of the uncertainties of naval warfare;

And whereas in a memorandum accompanying the said Orders neutrals are warned against entrusting crews, passengers, or goods to British or allied ships;

And whereas such attempts on the part of the enemy give to His Majesty an unquestionable right of retaliation;

And whereas His Majesty has therefore decided to adopt further measures in order to prevent commodities of any kind from reaching or leaving Germany, though such measures will be enforced without risk to neutral ships or to neutral or non-combatant life, and in strict observance of the dictates of humanity;

And whereas the Allies of His Majesty are associated with Him in the steps now to be announced for restricting further the commerce of Germany,—

His Majesty is therefore pleased, by and with the advice of His Privy Council, to order and it is hereby ordered as follows:—

I. No merchant vessel which sailed from her port of departure after the 1st March, 1915, shall be allowed to proceed on her voyage to any German port.

Unless the vessel receives a pass enabling her to proceed to some neutral or allied port to be named in the pass, goods on board any such vessel must be discharged in a British port and placed in the custody of the Marshal of the Prize Court. Goods so discharged, not being contraband of war, shall, if not requisitioned for the use of His Majesty, be restored by order of the Court, upon such terms as the Court may in the circumstances deem to be just, to the person entitled thereto.

II. No merchant vessel which sailed from any German port after the 1st March, 1915, shall be allowed to proceed on her voyage with any goods on board laden at such port.

All goods laden at such port must be discharged in a British or allied port. Goods so discharged in a British port shall be placed in the custody of the Marshal of the Prize Court, and, if not requisitioned for the use of His Majesty, shall be detained or sold under the direction of the Prize Court. The proceeds of goods so sold shall be paid into Court and dealt with in such manner as the Court may in the circumstances deem to be just.

Provided that no proceeds of the sale of such goods shall be paid out of Court until the conclusion of peace, except on the application of the proper Officer of the Crown, unless it be shown that the goods had become neutral property before the issue of this Order.

Provided also that nothing herein shall prevent the release of neutral property laden at such enemy port on the application of the proper Officer of the Crown.

III. Every merchant vessel which sailed from her port of departure after the 1st March, 1915, on her

way to a port other than a German port, carrying goods with an enemy destination, or which are enemy property, may be required to discharge such goods in a British or allied port. Any goods so discharged in a British port shall be placed in the custody of the Marshal of the Prize Court, and unless they are contraband of war, shall, if not requisitioned for the use of His Majesty, be restored by order of the Court, upon such terms as the Court may in the circumstances deem to be just, to the person entitled thereto.

Provided that this Article shall not apply in any case falling within Articles II or IV of this Order.

IV. Every merchant vessel which sailed from a port other than a German port after the 1st March, 1915, having on board goods which are of enemy origin or are enemy property may be required to discharge such goods in a British or allied port. Goods so discharged in a British port shall be placed in the custody of the Marshal of the Prize Court, and, if not requisitioned for the use of His Majesty, shall be detained or sold under the direction of the Prize Court. The proceeds of goods so sold shall be paid into Court and dealt with in such manner as the Court may in the circumstances deem just.

Provided that no proceeds of the sale of such goods shall be paid out of Court until the conclusion of peace except on the application of the proper Officer of the Crown, unless it be shown that the goods had become neutral property before the issue of this Order.

Provided also that nothing herein shall prevent the release of neutral property of enemy origin on the application of the proper officer of the Crown.

V.—(1) Any person claiming to be interested in, or to have any claim in respect of, any goods (not being contraband of war) placed in the custody of the Marshal of the Prize Court under this Order, or in the proceeds of such goods, may forthwith issue a writ in the Prize Court against the proper Officer of the Crown and apply for an order that the goods should be restored to him, or that their proceeds should be paid to him, or for such other order as the circumstances of the case may require.

(2) The practice and procedure of the Prize Court shall, so far as applicable, be followed *mutatis mutandis* in any proceedings consequential upon this Order.

VI. A merchant vessel which has cleared for a neutral port from a British or allied port, or which has been allowed to pass having an ostensible destination to a neutral port, and proceeds to an enemy port, shall, if captured on any subsequent voyage, be liable to condemnation.

VII. Nothing in this Order shall be deemed to affect the liability of any vessel or goods to capture or condemnation independently of this Order.

VIII. Nothing in this Order shall prevent the relaxation of the provisions of this Order in respect of the merchant vessels of any country which declares that no commerce intended for or originating in Germany or belonging to German subjects shall enjoy the protection of its flag.

AT THE GOVERNMENT HOUSE AT OTTAWA.

Tuesday, the 6th day of April, 1915.

PRESENT :

HIS ROYAL HIGHNESS THE GOVERNOR
GENERAL IN COUNCIL.

THE Committee of the Privy Council have had before them a report, dated 11th March, 1915, from the Minister of the Interior, submitting that an application has been received from the Finger Lumber Company of The Pas, to lease certain marsh lands in Fractional Sections three and four, of Township fifty-three, Range four, west of the Second Meridian for the purpose of growing hay and vegetables—to be used in connection with the operation of their logging camp, as it is exceedingly difficult to get any supplies owing to the poor transportation facilities ;

The land applied for is, in its present condition, unsuitable for agriculture, but a portion thereof along the edges of the marsh may be reclaimed by drainage and made fit for the cultivation of vegetables and the growing of hay. To do this will require the construction of about two miles of ditch at an approximate cost of \$2,000. The applicants have agreed to undertake this work provided they are granted a lease ;

The Minister observes that the said land is unsurveyed and cannot be disposed of by sale, and that practically no settlement has yet reached that locality,—

The Minister, therefore, recommends that the said land, consisting of Sections three and four, according to a compass survey, lying between the Carrot River and Sepanok Channel in Township fifty-three, Range four, west of the Second Meridian, comprising an area of 1,189 acres, more or less, be withdrawn from disposal under authority of paragraph (e) of section 76 of The Dominion Lands Act, and that authority be given to lease the same to the said Finger Lumber Company at the rate of two cents per acre in accordance with the provisions of the form of lease attached hereto.

The Committee submit the same for approval.

Clerk of the Privy Council

These presents are made and issued subject to the following provisos, terms and conditions, viz :—

1. That if the rent hereby reserved or any part thereof shall be unpaid for thirty days after becoming payable, (whether formally demanded or not), or if any covenant, proviso, stipulation or condition on the part of the lessee herein contained shall not be performed or observed, then and in any of the said cases it shall be lawful for the Minister by notice in writing under his hand to cancel these presents and terminate the estate or term hereby demised, and thereupon these presents and everything herein contained and the said estate or term shall, from the time of the giving of such notice, absolutely cease, determine and be void without re-entry or any other act or any suit or legal proceedings to be brought or taken provided that His Majesty shall nevertheless be entitled to recover from the lessee the rent then accrued or accruing, and moreover that any right of action of His Majesty against the lessee in respect of any antecedent breach of any of the said covenants, provisos, stipulations or conditions, shall not thereby be prejudiced.

2. That no waiver on behalf of His Majesty, his successors or assigns, of any such breach shall take place or be binding upon him or them, unless the same be expressed in writing, under the authority of the Minister ; and any waiver so expressed shall extend only to the particular breach so waived, and shall not limit or effect his or their rights with respect to any other or future breach.

3. That the lessee will not, without the consent in writing of the Minister, make any transfer or assignment of these presents or of its interest or any part of its interest under these presents or any sub-lease of the whole or part of the term hereby granted of the said lands or any portion thereof.

4. That if any such transfer, assignment or sub-lease be so assented to all the provisos and conditions herein contained shall extend to and be binding upon the transferee, assignee and sub-lessee as well as the lessee hereunder, and any breach thereof by such transferee,

assignee or sub-lessee shall have the same effect as if such breach were made by the said lessee during its continuance as such lessee.

5. That the lessee will not, during the said term, cut or destroy, or allow to be cut or destroyed, any timber or timber trees without the consent in writing in that behalf of the Minister, and then only in accordance with such terms, conditions and regulations as may be made or established in that behalf.

6. That should the Minister of the Interior at any time or from time to time during the term hereby granted, think it to be in the public interest to cause any unsurveyed part or parts of the lands hereby demised to be surveyed, the surveyors appointed to make the surveys may, with their assistants, servants, horses and other things required in that behalf, enter upon the land and make the survey.

7. That as soon as a survey of a township has been made and confirmed, such lands therein as under the provisions of the said Dominion Lands Act are known and designated as the lands of the Hudson's Bay Company, and also such lands as under the provisions of the said Act are set apart as an endowment for the purposes of education, shall thereupon become withdrawn from the operation of these presents, and the term hereby created shall thereupon cease and determine with respect thereto; but the lessee shall not become entitled to any reduction or abatements of the rent hereby reserved unless and until the said lands have been taken actual possession of by some person under proper authority in that behalf. 8. That should any portions of the lands hereby demised be thought to contain gold, silver, copper, coal or other minerals, building stone or marble, the Minister may grant licenses under the regulations in that behalf authorized by the Governor in Council to any person or corporation to explore and search for the same, subject to such conditions for the protection of the interests of the lessee as the Minister may think proper. And should any portion of the lands hereby demised contain gold, silver, copper, coal or other minerals, building stone, or marble, or water power capable of being used to drive machinery, the Minister may, from time to time, cause written notice to be given to the lessee and the same and such adjoining lands as he may think proper are withdrawn from the operation of these presents; and thereupon such lands shall become withdrawn, and the term hereby created shall thereupon cease and determine with respect thereto, and thereupon the lessee shall become entitled to a reduction of rent hereby reserved, equal to two cents for every acre so withdrawn, but shall have no further or other claim, or be entitled to any other compensation for or on account of such withdrawal.

9. That should any portions of the lands hereby demised contain timber, the Minister may, subject to such conditions for the protection of the interests of the lessee as the Minister may think proper, grant to any person or corporation under the provisions of The Dominion Lands Act, the right under lease or license to enter upon the lands and to cut and remove such timber.

10. That should any railway company become entitled to a grant from His Majesty or his successors of any portion of the lands hereby demised for the roadbed of the railway, or its branches or for stations, station grounds, work-shops, dock grounds and water frontage on the navigable waters, buildings, yards and other appurtenances required for the convenient effectual construction and working of the railway and its branches, the land so granted shall thereupon become withdrawn from the operation of these presents, and the term hereby created shall thereupon cease and determine with respect thereto, but the lessee shall not become entitled to any reduction or abatement of the rent hereby reserved, unless and until the lands so granted have been taken actual possession of by some

person under proper authority in that behalf; and in case of such actual possession the lessee shall become entitled to a reduction of the rent hereby reserved, equal to two cents for every acre so taken possession of, but shall have no further or other claim, or be entitled to any other compensation for or on account of such withdrawal.

11. And that if the said demised premises or any portion thereof shall be required for public purposes, possession of the same may at any time during the said term be resumed by His Majesty, his successors or assigns, upon six months' notice in writing by the Minister to the lessee, and in no such case shall the lessee have any claim to compensation for his improvements upon the demised premises or on account of damages in any way resulting from such resumption or from the determination of this demise.

12. The lessee may at any time during the six months mentioned in clause eleven hereof disannex, remove, repossess and convert to his own use any erections, fixtures or additions hereafter to be erected, fixed or made by it and at its own cost upon or to the demised premises doing as little injury as may be to the said premises by such removal and making good such injury as may unavoidably be done.

13. That the word "lessee" in these presents includes the lessee or lessees, as the case may be, and his or their executors, administrators and assigns, and in the case of an incorporated company, their successors and assigns.

14. That no implied covenant or liability of any kind on His Majesty's part is created by the use of the words "demised" and "lessee" herein or by the use of any other word or words herein.

15. That any notice, demand, or other communication which His Majesty or the Minister may require or desire to give or serve upon the lessee may be validly given and served by the Secretary or Assistant Secretary of the Department of the Interior, or by the Superintendent of the Irrigation Branch.

16. If the leasehold has been secured by misrepresentation as to any material facts, the lease may be summarily cancelled in the manner hereinbefore provided.

17. And that any notice affecting the tenancy hereunder which the lessor may desire to serve upon the lessee shall be sufficiently served on the lessee if left addressed to him on the demised premises or posted to him addressed to his last known address, or if left at the said address. A notice sent by post shall be deemed to be given at the time when in the due course of post would be delivered at the address to which it is sent.

18. This lease is subject to the right of the Province to take for road purposes, without compensation to the lessee such land as may be required, not exceeding two and one-half per centum of the total area, provided the value of any improvements found on the land so required for road purposes shall be paid for by the Province, the said value to be fixed by the Minister of the Interior.

19. The lessee shall file with the Minister within ninety days from the date of the execution hereof, plans of the proposed works to be constructed for the reclamation of the lands described in these presents. AT THE GOVERNMENT HOUSE AT OTTAWA.

Friday, the 26th day of February, 1915.

PRESENT :

HIS ROYAL HIGHNESS THE GOVERNOR
GENERAL IN COUNCIL.

THE Committee of the Privy Council have had before them a report, dated 15th February, 1915, from the Superintendent General of Indian Affairs, submitting that by an Order in Council of 17th May, 1889, a tract of land situated in Townships 58, 59 and 60, Ranges 6 and 7, west of the 4th Meridian, as shown outlined in green on the plan hereto attached, was set apart for Keheewin's band of Indians, and that the Indians have requested a re-adjustment whereby certain lands in Townships 58 and 59, Range 6, west of the 4th Meridian, adjoining the eastern limit of the reserve as constituted by the above mentioned Order in Council would be granted to them in exchange for certain portions of the northern and southern parts of the said reserve;

The lands desired by the Indians are Dominion lands within the meaning of The Dominion Lands Act, and, as they are available for the purpose of the exchange, the Minister is of opinion that the request of the Indians should be favourably considered,—

The Minister therefore recommends that the above mentioned Order in Council be rescinded and that the re-adjustment of the reserve be confirmed in accordance with the following description:—

Firstly, all those portions of the fifty-eighth and fifty-ninth Townships, in the sixth Range and all that portion of the fifty-ninth Township, in the seventh Range, west of the fourth Meridian, which may be more particularly described as follows: commencing at an iron post and mound marking the southwest corner of Fractional Section one, in the said fifty-ninth Township, in the sixth Range, as shown upon a map or plan of survey of the said township approved and confirmed at Ottawa, on the 6th day of November, A.D. 1909, by Edouard Deville, Surveyor General of Dominion Lands and of record in the Department of the Interior, thence southerly following the western limit of the road allowance along the west boundary of the northern part of the fractional northeast quarter of Section thirty-six, in the said fifty-eighth Township, in the sixth Range, a distance of twenty-three chains and ninety-three links, more or less, to an iron post and mound as shown upon a map or plan of survey of the said fifty-eighth Township, approved and confirmed at Ottawa, on the sixth day of November, A.D. 1906, by

Edouard Deville, Surveyor General of Dominion Lands, and of record in the Department of the Interior; thence westerly following the northerly limit of the road allowance, along the north boundary of Fractional Sections thirty-six, thirty-five, thirty-four, thirty-three, thirty-two and thirty-one, in the said fifty-eighth Township, a distance of four hundred and thirty-five chains and forty links, more or less, to the point of intersection with the eastern shore of Keheewin Lake; thence in a general north westerly direction following the said shore of said lake to the point of intersection with the east limit of the road allowance on the east boundary of Fractional Section twelve, in the fifty-ninth Township, in the seventh Range, the said point being approximately one chain in an easterly direction from a wooden post on the east boundary of said Fractional Section twelve, as shown upon a map or plan of survey of the said fifty-ninth Township, in the seventh Range, approved and confirmed at Ottawa, on the 4th day of November, A.D. 1909, by Edouard Deville, Surveyor General of Dominion Lands, and of record in the Department of the Interior, thence northerly following the easterly limit of the road allowance along the east boundary of Fractional Sections twelve, thirteen, twenty-four and twenty-five, of the said fifty-ninth Township, a distance of two hundred and thirty-five chains and twenty-seven links more or less, to an iron post marked I. R., situate one chain east and seventy-three links south of the wooden post and mound marking the northeast corner of the fractional southeast quarter of Section twenty-five of the said township, as shown upon the said official plan of said township, thence easterly following the southern limit of the road allowance along the south boundary of the eastern part of the fractional northeast quarter of said Section twenty-five and along the south limit of the road allowance, along the south boundary of Fractional Sections thirty, twenty-nine, twenty-eight, twenty-seven, twenty-six and twenty-five, in the said fifty-ninth Township, in the sixth Range, to the point of intersection with the western shore of Muriel Lake, thence in a southeasterly direction following the southern shore of Muriel Lake, to the point of intersection with the western boundary of Fractional Section twenty-four of the said fifty-ninth Township, in the sixth Range, as shown upon a map or plan of the said township approved as aforesaid, thence southerly following the western boundary of Fractional Sections twenty-four, thirteen, twelve and one of the said township, a distance of three hundred and seven chains and eighty-nine links, more or less, to the place of commencement, containing by admeasurement twenty-eight square miles more or less; and *secondly*:

All those portions of Fractional Sections twenty-six, twenty-seven, twenty-nine and thirty of the said fifty-ninth Township, in the sixth Range, which are not covered by any of the waters of Sinking Lake, as shown on the said plan of said township, all of Fractional Section twenty-eight, all those portions of Sections thirty-one, thirty-two, thirty-three, thirty-four and thirty-five, which lie to the south of the south shore of Sinking Lake, as shown on said plan of said township, and all those portions of the south half of Sections five and six in the sixtieth Township, in the sixth Range, which lie to the south of the south shore of said Sinking Lake, as shown upon a map or plan of survey of the said township, approved and confirmed at Ottawa, on the 31st day of March, A.D. 1909, by Edouard Deville, Surveyor General of Dominion Lands, and of record in the Department of the Interior, all the above secondly described parcels containing by admeasurement together, four square miles, more or less, and all the lands *firstly* and *secondly* above described containing by admeasurement together, thirty-two square miles, more or less, and as shown outlined in red on the plan hereto attached.

The Minister states, in further reference to the foregoing, that in 1904 Mr. J. A. J. McKenna, Assistant Indian Commissioner at Winnipeg, reported that Indian Agent Sibbald had written that the Indians of Keheewin's reserve desired to have the northern portion of their reserve cut off and a portion of equal area added to the eastern side of the reserve

their object being to gain better hay and farming lands, the northern portion, with the exception of some good timber, being practically useless, as it contained a large alkaline lake. Mr. Sibbald stated that the change would be in the interest of the Indians and recommended that it be made. Accordingly the Department of the Interior was asked whether it had any objection to the exchange being made. By letter dated 26th April, 1904, that Department stated that there would appear to be no objection, and in consequence Mr. J. Lestock Reid, a Surveyor of the Department of Indian Affairs, made the survey in 1904, cutting off a northern and a southern portion and adding an equal portion on the east side of the reserve. In 1906 the Indians put forth a claim that they were not aware that the hay lands south of Sinking Lake had been eliminated from their reserve. The Indian Agent reported that the strip was about half mile wide, the land alkaline, and that the hay was required for the pasturage of the cattle then owned by the band; also that the population of Keheewin's band was rapidly increasing which may be shown as follows:—

November, 1906.....	Population	130
December, 1909.....	"	177
August, 1910.....	"	188
1913.....	"	196

On 29th March, 1911, the Department of Indian Affairs was informed by the Department of the Interior that it had been decided to make the addition to the north boundary, extending the reserve to the south shores of Sinking Lake.

During 1914 thirty-five Indians left Keheewin's reserve for other reserves, leaving a population of one hundred and sixty-two in 1914, which, according to treaty, would entitle them to 20,736 acres; the area now asked for is 20,531 acres.

The Committee submit the same for approval.

RODOLPHE BOUDREAU,
Clerk of the Privy Council.

GENERAL IN COUNCIL.

HIS Royal Highness the Governor General in Council is pleased to order that sections 1, 8, 10, 11, 16A and 16C of the Rules and Regulations for the Management and Working of the Graving Dock at Esquimalt, B.C., approved by Orders in Council of 19th June, 1908, and 26th September, 1910, be amended to read as follows and that section 4 of the said rules and regulations be amended and be divided into two sections to be known as 4A and 4B, reading as follows, viz:—

Section 1.—No vessel will be admitted to the dock without having the time and manner of her entry and of her stay in the dock fixed and determined at the Dock Master's office, and duly noted and entered in books to be kept for that purpose, nor until after the owner of the vessel or his representative shall have signed such note and entry, and the owner of the vessel or his representative shall furnish a bond signed by the applicant for the dock and two good and solvent securities (or such other security as will be satisfactory to the Dock Master), making themselves responsible for the fulfilment of the provisions of sections 4 and 7 of these regulations, under pain of forfeiture of the sum of five thousand dollars.

Section 4A.—When a vessel has been docked in accordance with the preceding three sections of these regulations repairs thereon must be commenced within five days from the time the dock is pumped out, under a penalty of \$200 for each 24 hours (or part thereof) which intervenes between the expiration of the aforesaid five days and the time when the repairs are commenced, and a like penalty of \$200 per day for each 24 hours or part thereof, during which work or repairs are interrupted or discontinued by the order or consent of the owners or parties who had the vessel placed in the dock, all such penalties to be in addition to the dockage dues provided by section 16 of these regulations.

Section 4B.—If, at the expiration of eight days from the time the dock is pumped out, repairs shall not have been begun, the Dock Master shall notify, in writing, the owner or agent of the vessel that they must vacate the dock immediately, and, if, within 24 hours after such notice has been served personally upon the owner or person in charge of the vessel, repairs have not been commenced, then the Honourable the Minister of Public Works may order the vessel to be repaired sufficiently to allow of her being floated out of the dock, and the cost of such repairs, as well as dock dues, charges and fines imposed by these regulations, shall be borne by the parties to the security required by section 1 of these regulations, and all such charges for repairs, dock dues, fines and other charges shall also be a first lien upon the vessel itself.

Section 8.—The Dock Master may in his discretion allow any vessel which shall have put back in a damaged condition, or which shall under any other circumstances be in such a condition as may in his judgment render her immediate admission into the dock actually necessary to enter the dock in priority to all other vessels standing on the entry list and books. And when the Dock Master has occasion to act under this section he shall report all the circumstances to the Department of Public Works without delay.

Section 10.—Whenever keel blocks require to be raised, notice thereof shall be given to the Dock Master at least 24 hours before the time arranged for docking the ship. Any vessel in respect of which any breach of this rule and regulation shall occur shall be struck off the entry list and the entrance fee shall be forfeited.

Section 11.—Blocks and horizontal shores will be provided as follows, viz: Blocks (3 feet $6\frac{7}{8}$ inches in height) one set for the length given at the time of entry at the Dock Master's office. Vessels requiring blocks raised above these dimensions will be charged

actual cost of supplying the material and labor replacing same.

Section 16A.—The use of the dock will be subject to the following tariff, viz :

Gross tonnage of vessel.	For the 1st day of Docking.	For each following day, including undocking Day.
For all vessels up to 1,000 tons	\$300 00	\$50 per day.
From 1,000 to 2,000 tons.....	350 00	4½ cts. per ton.
For all vessels above 2,000 tons.....	400 00	4 " " "
Vessels exceeding 440 ft. in length	550 00	up to 2,000 tons. and 2 cts. per ton on all tonnage above 2,000.

All vessels over 440 feet in length, requiring the keel blocks raised, will be charged for extra pumping \$150.

When a vessel is docked solely for painting and scraping, or change of or repair to propeller, tail shafts and liners, rudder pintals or bushes, the ordinary tariff will be suspended, and the rate shall be \$200 for the first day of docking, and five cents per ton per day for lay days, the time not to exceed four days in all.

Small repairs to the ship's bottom, not exceeding \$50 in value, will be allowed under this clause.

Any misrepresentation as to the cost of such small repairs, made in order to evade payment of charges which should be otherwise leviabale, will render the ship or owner or agent of same liable to double the full tariff rates, as specified in 16A.

When two or more vessels belonging to the same owner are docked together for painting and scraping, or repairs to propeller only, only \$200 for the first day will be charged, but each vessel will be charged \$50 per day should the tonnage of each, at five cents per ton per day, not amount to this sum. In all other respects section 17 will govern where applicable.

For every extra pumping out of the dock \$75, (except as provided in subsection 16D hereunder.)

All fractional parts of 50 tons to be counted and paid for as 50 tons. Cargoes to be charged at the same rate as tonnage, and no charge made for ballast.

In no case will the charge for lying in dock be less than \$50 per day.

No charge for Sundays or holidays unless work is done on the vessel.

Section 16C.—Each day to be counted from 7 o'clock A.M., and each fractional part of a day will be charged as one day.

The Minister observes that information has been received that this homesteader performed the following residence :—

From the 20th November, 1912, until the beginning of May, 1913, and from the 12th November, 1913, until about April, 1914.

Improvements :—

that he will never be able to take up further residence on his homestead,—

The Minister submits the annexed copy of a medical certificate and recommends, in view of the statements contained therein, that further residence on the part of Mr. Scott be dispensed with in accordance with the provisions of subsection 2 of section 20, chapter 20, 7-8 Edward VII, so that free patent may be issued to Mr. Scott upon proof being furnished in the ordinary way that the other conditions of the law have been fulfilled.

On approaching Inchkeith, the Pilot vessel in the North channel is to be closed, and a pilot embarked.

Vessels are warned that they should on no account pass to the southward of a line joining the north point of the Isle of May and Kinghorn Ness, until in the longitude of 3° W., when course may be shaped for the centre of North channel.

Outward bound vessels should steer to pass the longitude of 3° W. in latitude 56° 06' 30" N., then shape course to pass between Anstruther Wester and the Isle of May.

The above orders apply to vessels proceeding to any port in the Firth of Forth, whether to the eastward of Inchkeith or not.

- (2) MORAY FIRTH.—All vessels bound to Cromarty or Inverness must call for a pilot at Wick or Burghead.

Outgoing vessels are to discharge their pilots at one or the other of these places.

It is dangerous for any vessel to be under way to the southwestward of a line joining Findhorn and Tarbetness without a pilot.

- (3) SCAPA FLOW. All entrances are dangerous.

Examination services have been established in the entrances to Hoxa and Hoy sounds: vessels wishing to enter must communicate with the Examination vessel and follow the instructions received from her very carefully.

The only vessels permitted to enter Hoy sound from the westward are those bound for Stromness: vessels cannot enter Scapa Flow from Stromness.

NORTH SEA.

(123) CAUTION WITH REGARD TO MINED AREAS.

Caution.—Mariners are again warned that a system of mine-fields has been established by H. M. Government upon a considerable scale.

All vessels are strongly advised to obtain a London Trinity House pilot when navigating between Great Yarmouth and the English channel.

It is dangerous for ships to cross the area between the parallels of 51° 15' and 51° 40' North latitude and the meridians of 1° 35' and 3° 00' East longitude.

The Southern limit of the area in the North sea which has been rendered dangerous by the enemy's mines is now, so far as is known at present, the parallel of 51° 54' North latitude.

Remarks.—Although these limits are assigned to the danger areas, it must not be supposed that navigation is necessarily safe in any part of the southern waters of the North sea.

NOTICE TO MARINERS.

No. 37 of 1915.

(Atlantic No. 21.)

All bearings unless otherwise noted, are true and are given from seaward in degrees from 0° (North) to 360°, measured clockwise, followed by the magnetic bearing in degrees in brackets, miles are nautical miles, heights are above high water of ordinary spring tides, and all depths are at low water of ordinary spring tides.

NOVA SCOTIA.

(127) SOUTH COAST—PORT OF HALIFAX—PUBLIC TRAFFIC REGULATIONS.

These regulations are issued for the guidance of Masters of vessels entering the port, and must be obeyed or their ships will be treated as hostile. They will remain in force until amended or cancelled by a Notice to Mariners.

Section I.—Entrance to the Port.

1. Shipowners and shipping agents are advised that as a general rule they should time the arrival of their vessels for daylight, in order to avoid delay in admitting them to the port.

They should communicate the time of all expected arrivals to the Chief Examining Officer. Early intimation of the proposed departure of vessels should likewise be given to the Collector of Customs. It should be noted that neglect to forward this information is liable to cause serious delay and inconvenience to vessels.

2. The Eastern Passage is closed to all traffic. Masters of vessels attempting to enter thereby, render themselves liable to be fired upon without warning.

3. All vessels (other than H. M. ships of war) wishing to enter the port are required to communicate with the examination steamer situated in the vicinity of the Examination Anchorage.

4. Incoming merchant vessels will be admitted to the Examination Anchorage at all times of the day or night irrespective of whether the port is opened or closed but when the port is closed no merchant vessels will be permitted to proceed beyond the Examination Anchorage. Masters of all vessels are particularly warned that in foggy weather they must approach the Examination Anchorage at moderate speed or they are liable to be fired upon.

5. To enter the port at night, ships must have ready four efficient all round lamps, two red and two white, to be used as directed by the Examining Officer.

6. Masters of all vessels approaching the Port must obey the directions of the Examining Officer on board the Examination Steamer, or they will be fired upon by the examination battery.

7. Usual signals made by vessels arriving either with flags, guns, bomb rockets, lights, etc., are not to be made.

8. Masters of vessels are specially warned that it may become necessary in the event of an attack on the Port being imminent, to remove buoys or extinguish lights without notice. Vessels should, consequently, be navigated with extreme caution when approaching the Port.

9. The Examination Steamer may always be distinguished by the following special marks:—

(a) *Port Open*: The Examination Steamer will hoist the following distinguishing marks when the port is open for merchant traffic:—

By Day: She will fly a Blue Ensign (Canadian). At the foremast head she will fly the special pilot flag, which is a red and white horizontal stripe surrounded by a blue border.

By Night: She will hoist three white lights vertically six feet apart, conspicuously displayed at the end of a yard. These lights will be carried in addition to the ordinary navigation lights.

(b) *Port Closed*: At times when it is necessary to close the port to all merchant traffic, the Examination Steamer will hoist distinguishing marks as follows:—

By Day: She will fly the Blue Ensign (Canadian). At the foremast head she will fly the special pilot flag (see above), and in addition three red balls.

By Night: She will hoist three red lights vertically, six feet apart, conspicuously displayed at the end of a yard. These lights will be carried in addition to the ordinary navigation lights.

In addition when the Port is closed there will be hoisted at Camperdown Signal Station:—

By Day: Three red balls.

By Night: Three red lights.

10. The Examination Anchorage for the Port of Halifax is situated in an area to the southward of Mauger Beach, bounded on the west by the line of George's Island just open west of Mauger Beech Lighthouse, and on the south by a line drawn 250° (West magnetic) from the south extreme of Little Thrum Cap. In bad weather small craft may, after obtaining permission from the Examining Officer, use McNab's Cove as the Examination Anchorage.

11. When at anchor in the Examination Anchorage it is forbidden to lower any boats or to communicate with the shore, or to work cables or to move the ship, or for any one to leave the ship without permission from the Examining Officer.

12. The use of wireless telegraphy is absolutely prohibited both in the Examination Anchorage, and in the Port.

13. No vessel will be permitted to leave the Examination Anchorage, either inwards or outwards, once she has anchored there, until she has received permission from the Examining Officer.

14. No small craft such as fishing vessels, private yachts, etc., will be admitted to the Port during "Official Night," unless they have the lights mentioned in Article 5, and are capable of hoisting them so that they are clearly visible from all round. In the case of a sailing craft there must also be enough of a fair wind to enable them to proceed up harbour at a reasonable speed.

Section II.—Pilotage Regulations.

15. All vessels must take a Pilot both entering or leaving the Harbour with the following exceptions:—

(a) Small vessels, by which is meant vessels not exceeding 50 tons, which are engaged in the coastal trade and are frequently visiting the Port of Halifax are not compelled to take Pilots either coming in or going out.

(b) Vessels of more than 50 tons and less than 120 tons, which are regular traders with Halifax, may, if they do not wish to take a pilot on entering the Harbour, adopt the following procedure:—On arriving off the Port they are to communicate with the Pilot Vessel where they will be informed of any alteration to the Channel or additional precautions to be observed in entering. After receiving this information they may proceed up Harbour without a Pilot.

(c) Sea-going vessels which are constantly using the Port, and whose Captains have been in the habit of taking their ships in and out of the Harbour without Pilots, need not take a Pilot when leaving the Port.

Section III.—Movements Within the Port.

16. The ordinary regulations of the Port must be strictly adhered to, except as affected by the Public Traffic Regulations.

17. The Chief Examining Officer of Shipping has authority over the movements of all vessels in the Port and its vicinity.

Disobedience to his orders on the part of Masters of Ships will render their vessels liable at once to be treated as hostile. The office of the Chief Examining Officer is situated at the Royal Naval College in H. M. C. Dockyard.

18. No vessel may change her berth without the permission of the Harbour Master.

19. All persons are warned not to approach Government Vessels, the Dry Dock, or H. M. Canadian Dockyard, without good cause, as they render themselves liable to be fired upon in the event of their movements appearing in any way suspicious.

20. The usual Navigation Lights are to be shown by all vessels in the vicinity of the Port at night. Ships

lying at anchor are to show the customary lights. Ships without lights will be immediately treated as hostile.

Section IV.—Vessels leaving Port.

21. No vessel may leave the Port without the permission of the Detaining Officer (i. e., the Collector of Customs) in writing. When a Merchant Vessel desires to leave the Port, the Master, or Shipping Agent will inform the Detaining Officer, who will decide whether the ship may depart or not. No Merchant Vessel will be permitted to leave the Port when the Port is closed.

22. No vessel will be allowed to leave the Port under sail during "Official Night." If it is necessary for them to leave during these hours, they must either be towed as far as the Lighthouse Bank Buoy, or anchor over night in the Examination Anchorage from whence they can proceed to sea at any hour with the permission of the Examining Officer.

23. Vessels under Steam or Power may leave during the night under the following conditions:—

(a) They must carry the Masthead and Side Lights of a Steamer of such a character as to be visible the distances laid down by Article 2 of the Regulations for preventing Collisions at Sea.

(b) They must follow a Mid Channel Course down the Harbour from George's Island until they are to the southward of Lighthouse Bank Buoy, at a speed of not less than five knots.

NORTH SEA, RIVER THAMES AND ENGLISH CHANNEL.

(130) INFORMATION WITH REGARD TO LIGHTS, LIGHT-VESSELS AND PILOTAGE.

I. A Light-vessel with "No. 9" painted on the sides and showing a Gp. Fl. (4) *white* light is moored off Beachy head in latitude $50^{\circ} 39' 25''$ North, longitude $0^{\circ} 09' 20''$ East. This vessel will be withdrawn as soon as possible, without further notice.

With the above exception, the main coast lights and fog-signals on the English coast between Selsea Bill and Deal are now in the same condition as they were previous to the outbreak of the war.

II. The following Orders as to Compulsory Pilotage between the Downs and Great Yarmouth made under the Defence of the Realm (Consolidation) Regulations, 1914, will come into operation at 6 a.m. on the 10th March, 1915.

1. All ships (other than British ships of less than 500 tons gross tonnage, when trading coastwise and not carrying passengers) whilst bound from, and whilst navigating in the waters from the Downs Pilot Station to Gravesend or *vice versa* must be conducted by pilots licensed by the London Trinity House.

2. All ships (other than British ships of less than 500 tons gross tonnage, when trading coastwise and not carrying passengers) whilst bound from, and whilst navigating in the waters from the Downs Pilot Station to Great Yarmouth or *vice versa*, must be conducted by pilots licensed by the London Trinity House.

3. All ships (other than British ships of less than 3,500 tons gross tonnage, when trading coastwise and when not carrying passengers) whilst bound from, and whilst navigating in the waters from Gravesend to Great Yarmouth or *vice versa*, must be conducted by pilots licensed by the London Trinity House.

4. All ships (other than British ships of less than 3,500 tons gross tonnage, when trading coastwise and when not carrying passengers) whilst navigating in the waters from Gravesend to London Bridge or *vice versa*, must be conducted by pilots licensed by the London Trinity House.

5. The Trinity House Pilot Station at Dungeness having been discontinued, pilotage is therefore not compulsory between the Downs Pilot Station and Dungeness, except for ships bound into or out of the Harbours of Dover or Folkestone.

III. By 6 a.m. on the 10th March, 1915, Trinity House Pilot Stations will be established at the under-mentioned places, and merchant vessels not under compulsion of pilotage are very strongly advised to take pilots:—

(a) THE DOWNS where ships proceeding north can obtain pilots capable of piloting as far as Great Yarmouth; and also pilots for the River Thames, and for Folkestone and Dover harbours. The pilot steamers attached to the Downs Station will cruise in the vicinity of a position two miles southeast of Deal Pier.

(b) GREAT YARMOUTH, where ships from the North Sea bound for the River Thames or the English Channel can obtain pilots capable of piloting as far as the Downs.

The Pilot Steamer attached to the Great Yarmouth Station will cruise between the Corton Light vessel and the South Scroby Buoy.

(c) THE SUNK LIGHT-VESSEL, where ships crossing the North Sea between the parallels of $51^{\circ} 40'$ and $51^{\circ} 54'$ North Latitude, but *no others*, can obtain pilots for the River Thames and the Downs.

(d) Pilots can also be obtained at London and Harwich for the Downs and Great Yarmouth (including the River Thames and approaches).

NOTE.—The pilot stations at Dover and St. Helens (I. W.) will be discontinued on the same date.

The pilots referred to in this notice are the pilots licensed by the Trinity House and no others.

IV. RIVER THAMES.—All traffic into and out of the River Thames must pass through the Edinburgh Channels, or through the Black Deep south of the Knock John and Knob Light buoys, and through the Oaze Deep, until further notice.

No vessels are to remain under way in the above mentioned channels inside the Sunk Head Light-

buoy, or within a line joining the positions of the South. Long Sand and East Shingles buoys, between the hours of 10 p.m. and 4 a.m.

Vessels at anchor within these limits must not exhibit any lights between the hours of 10 p.m. and 4 a.m.

All other channels are closed to navigation.

ENGLAND.

(131) EAST COAST—RIVER HUMBER—PILOTAGE.

Mariners are hereby warned that, under the Defence of the Realm (Consolidation) Regulations, 1914, the following instructions respecting pilotage of the River Humber, are now in force:—

Until further notice, the Outer Pilot Station of the Humber Pilotage District will be in the neighbourhood of the Bull Light-vessel.

All vessels proceeding into or out of the Humber must be navigated by way of Hawke and Sunk roads, passing to the northward of the Bull Light-vessel.

All vessels, irrespective of draught, size and nationality, bound to or from any place above Grimsby must be conducted by licensed Pilots over the whole or any part of the waters between Hull and the Outer Pilot Station.

In the cases of British vessels employed in the Coasting Trade of the United Kingdom, of British fishing vessels, and of British vessels of less than six feet draught of water, if bound between Grimsby and the sea, pilotage by licensed pilots will not be insisted upon.

During the hours of official night, and during fog, no vessel should enter or remain within a radius of 5 miles from the Spurn Light-vessel.

A vessel should not approach the Humber unless there is sufficient time available to enable such vessel to obtain a pilot, if one is necessary, and to proceed to her destination or to a position in which she is permitted to anchor, before the commencement of official night.

No vessel should anchor whilst awaiting a pilot.

THE SENATE.

SUBSTANCE OF RULES OF THE SENATE RELATING TO NOTICES AND APPLICATIONS FOR BILLS OF DIVORCE.

As Revised and brought in force 22nd March, 1906.

Every applicant for a Bill of Divorce shall give notice of his or her intended application, and shall specify therein from whom and for what cause such divorce is sought, and shall cause such notice to be published during at least three months before the consideration by the Committee on Divorce of his or her petition for the said Bill, in the *Canada Gazette* and in two newspapers published in the district in Quebec, Manitoba, Saskatchewan, Alberta, British Columbia or the Northwest Territories, or in the county or union of counties in other provinces, wherein such applicant usually resided at the time of the separation of the parties; but if the requisite number of papers cannot be found therein, then in an adjoining district or county or union of counties.

Notices given in the Provinces of Quebec and Manitoba are to be published in one English and one French newspaper, if there be such newspapers published in the district, but otherwise shall be published in one newspaper in both languages. If a notice given for any session of Parliament is not completed in time to allow the matter to be dealt with

during that session the petition may be presented and dealt with during the next ensuing session, without any further publication of such notice.

A copy of the said notice and a copy of the petition to be presented shall, at the instance of the applicant, and not less than two months before the consideration by the Committee of the petition, be served personally, when that can be done, on the person from whom the divorce is sought, who is hereinafter called "the respondent."

If the residence of the respondent is not known or personal service cannot be effected, then, if it be shown to the satisfaction of the Committee that all reasonable efforts have been made to effect personal service, and, if unsuccessful, to bring such notice and petition to the knowledge of the respondent, what has been done may be deemed and taken by the Committee as sufficient service.

No petition for a bill of divorce shall be presented to the Senate after the first sixty days of the Session.

The petition of an applicant for bill for divorce must be fairly written and must be signed by the petitioner, and should briefly set forth the marriage, the names in full of the parties thereto, their ages and occupations, when, where and by whom the ceremony was performed, the domicile and residence of each of the parties at the time of the marriage, their matrimonial domicile, residence, and any change thereof, the material facts upon which the petitioner relies as the grounds on which relief is asked, and the nature of the relief prayed for.

The petition should also negative connivance at, or condonation of the wrong complained of and collusion in the application for divorce.

The allegations of the petition must be verified by declaration of the petitioner, under *The Canada Evidence Act, 1893*.

The copy of the petition served upon the respondent shall have endorsed thereon, or appended thereto, the following information:—

- (1) The petitioner's residence at the time of service.
- (2) A Post Office address in Canada at which letters and notices for the petitioner may be delivered.
- (3) The name and address of the solicitor, if any, acting for the petitioner.
- (4) If such solicitor's address is not at Ottawa, the name and address of some agent for him at Ottawa, upon whom all notices and papers may be served.
- (5) That if the respondent desires to oppose the granting of the divorce and to be heard by the Senate Committee on Divorce, the respondent must send a notice to that effect to the Clerk of the Senate at the Parliament Buildings, Ottawa, within two months from the date of service upon the respondent, and must in the notice to the Clerk of the Senate give:—
 - (a) The respondent's residence at the time of sending such notice.
 - (b) A Post Office address in Canada at which letters and notices for the respondent may be delivered.
 - (c) The name and address of the solicitor, if any, acting for the respondent.
 - (d) If such solicitor's address is not at Ottawa, the name and address of some agent for him at Ottawa upon whom all notices and papers may be served.
- (6) That, if the respondent does not so notify the Clerk of the Senate, the petition may be considered, and a bill of divorce founded thereon may be passed, without any further notice to the respondent.

(7) When the petition is one by a husband for a divorce from his wife, that, if the wife shows to the satisfaction of the Senate Committee on Divorce that she has, and is prepared to establish upon oath, a good defence to the charges made by the petition, and that she has not sufficient money to defend herself, the Committee may make an order that her husband shall provide her with the necessary means to sustain her defence, including the cost of retaining Counsel and the travelling and living expenses of herself and of witnesses summoned to Ottawa on her behalf.

Honorables Messieurs du Sénat :

Messieurs de la Chambre des Communes :

En mettant fin, pour le présent, à vos travaux ardu, je désire vous remercier du soin et du zèle que vous avez apportés à les mener à bonne fin, et surtout des mesures opportunes et efficaces que vous avez prises pour assurer, avec le Royaume-Uni et les autres possessions de Sa Majesté, la participation nécessaire du pays à la terrible guerre dans laquelle notre Empire a été forcé de s'engager. Je souhaite ardemment, et je désire fermement, que l'aide qui a été ainsi donnée avec promptitude et générosité, contribuera, dans une large mesure, au succès complet et certain des armées alliées, succès qui peut seul procurer une paix honorable et durable.

A mesure que cette grande lutte avance, il n'y a aucune diminution dans l'ardeur et la détermination intenses du peuple canadien à concorder ses efforts avec ceux de toutes les possessions britanniques pour assurer le maintien de notre Empire dans toute son intégrité et la conservation de ses institutions et de ses libertés. De l'Atlantique au Pacifique la superbe réponse à l'appel pour des soldats a été à la hauteur de l'attente.

D'accord avec tout le peuple du Canada, j'ai été fier d'apprendre que les soldats canadiens avaient montré sur le champ de bataille une bravoure et une efficacité éclatantes, et qu'ils avaient fait preuve d'une grande vaillance en combattant à côté des meilleures troupes de l'Empire.

Messieurs de la Chambre des Communes :

Au nom de Sa Majesté, je vous remercie des généreux crédits que vous avez votés pour faire face aux affaires du pays et aux nécessités de la guerre au milieu du difficile état de choses qu'elle a entraîné.

Honorables Messieurs du Sénat :

Messieurs de la Chambre des Communes :

Je vous dis maintenant adieu, avec le profond espoir que la terrible lutte dans laquelle l'Empire est engagé arrivera bientôt à un dénouement favorable, et avec la ferme conviction que notre pays reprendra, sans encombre, avec la bénédiction de la divine Providence, cette carrière de progrès signalés et d'abondante prospérité que la destinée lui réserve.

L'ORATEUR du Sénat alors dit :

C'est le plaisir de SON ALTESSE ROYALE LE GOUVERNEUR GÉNÉRAL, que ce parlement soit prorogé jusqu'à mardi, le 25e jour de mai prochain pour être tenu en ce lieu, et ce parlement est, en conséquence, prorogé jusqu'à mardi, le 25e jour de mai prochain.

ALMERIC FITZROY.

A la Cour au Palais de Buckingham, le 11e jour de mars 1915.

PRÉSENT :

Sa Très Excellente Majesté le Roi en Conseil.

ATTENDU que le gouvernement allemand a publié certains arrêtés qui, en violation des usages de la guerre, ont pour but de déclarer toutes les eaux entourant le Royaume-Uni une superficie militaire dans laquelle tous les vaisseaux marchands britanniques et alliés seront détruits, sans s'occuper de la vie des passagers et de l'équipage, et dans laquelle les navires marchands neutres seront exposés au même danger en vue des éventualités de la guerre navale ;

Et attendu que dans un mémoire accompagnant les dits arrêtés, les neutres ont été notifiés de ne pas confier les équipages, les voyageurs ou les marchandises aux navires britanniques ou alliés ;

Et attendu que ces tentatives de la part de l'ennemi donnent un droit de représailles indiscutable à Sa Majesté ;

Et attendu que Sa Majesté a en conséquence décidé d'adopter d'autres mesures afin d'empêcher que des produits d'aucune sorte ne puissent atteindre ou quitter l'Allemagne, quoique ces mesures seront mises en force sans risques pour les vaisseaux neutres ou pour la vie des neutres ou des non combattants, mais au contraire en observant strictement les lois de l'humanité ;

Et attendu que les alliés de Sa Majesté sont associés avec lui dans les mesures qui sont maintenant annoncées pour restreindre encore davantage le commerce de l'Allemagne,—

En conséquence, il plaît à Sa Majesté, par et avec l'avis de Son Conseil privé, d'ordonner et il est ordonné comme suit :

1. Il ne sera permis à aucun navire marchand sorti de son port de départ après le 1er mars 1915 de se rendre dans aucun port allemand.

A moins que ce navire ne reçoive un laissez-passer lui permettant de se rendre dans quelque port neutre ou allié à être nommé dans ce laissez-passer, les marchandises à bord d'un tel navire devront être déchargées dans un port anglais et laissées en charge du fon-

tionnaire du tribunal des prises. Les marchandises ainsi déchargées, si elle ne sont pas contrebande de guerre et si elle ne sont pas réquisitionnées par Sa Majesté, seront restituées par ordre du tribunal et aux conditions que le tribunal trouvera justes, à la personne qui y aura droit.

II. Il ne sera permis à aucun navire marchand, parti d'un port allemand après le 1er mars 1915, de continuer son voyage avec des marchandises prises dans un tel port.

Toutes les marchandises prises dans un tel port devront être déchargées dans un port anglais ou allié. Ces marchandises seront mises sous la garde du fonctionnaire du tribunal des prises et si elles ne sont pas réquisitionnées pour le service de Sa Majesté, elles seront détenues ou vendues sous la direction du tribunal des prises. Le produit de ces marchandises, si elles sont vendues, sera versé au tribunal et il en sera fait ce que ce tribunal ordonnera.

Pourvu qu'aucun produit de la vente de ces dites marchandises ne sera payé par le tribunal jusqu'à la conclusion de la paix, sauf à la demande du fonctionnaire autorisé de la Couronne, à moins qu'il ne soit démontré que les marchandises étaient devenues propriété neutre avant la publication du présent arrêté.

Pourvu aussi que rien de ce qui est exprimé dans le présent arrêté n'empêchera la remise de propriété neutre chargée d'un tel port ennemi, en en faisant la demande au fonctionnaire autorisé de la Couronne.

III. Tout vaisseau marchand parti après le 1er mars 1915 pour un port autre qu'un port allemand et portant des marchandises destinées à un pays ennemi ou qui sont la propriété d'un ennemi, pourra être obligé de décharger ces marchandises dans un port anglais ou allié. Dans ce cas, les marchandises seront mises sous la garde du fonctionnaire du tribunal des prises et, à moins qu'elles ne soient contrebande de guerre, ou qu'elles ne soient requises pour le service de Sa Majesté, elles seront restituées par ordre du tribunal dans de telles conditions qu'il plaira au tribunal d'ordonner, à la personne qui y aura droit.

Pourvu que le présent article ne s'appliquera pas à aucun cas tombant sous les dispositions des articles II ou IV du présent arrêté.

IV. Tout navire marchand parti d'un port autre qu'un port allemand, après le 1er mars 1915 et ayant à bord des marchandises d'origine ennemie ou qui sont la propriété d'un ennemi, pourra être obligé de décharger ces marchandises dans un port anglais ou allié. Dans ce cas, ces marchandises seront placées sous la garde du fonctionnaire du tribunal des prises et si elles ne sont pas réquisitionnées pour le service de Sa Majesté elles seront détenues ou vendues selon les directions du tribunal des prises. Le montant de la vente de ces marchandises sera versé au tribunal qui en disposera de la manière qu'il trouveront juste.

Pourvu qu'aucun produit de la vente de ces dites marchandises ne sera payé par le tribunal jusqu'à la conclusion de la paix, sauf à la demande du fonctionnaire autorisé de la Couronne, à moins qu'il ne soit démontré que les marchandises étaient devenues propriété neutre avant la publication du présent arrêté.

Pourvu aussi que rien de ce qui est exprimé dans le présent arrêté n'empêchera la remise de propriété neutre chargée à un tel port ennemi, en en faisant la demande au fonctionnaire autorisé de la Couronne.

V.—(1) Toute personne prétendant avoir un intérêt ou une réclamation au sujet de marchandises (qui ne seraient pas contrebande de guerre) placées en garde du fonctionnaire du tribunal des prises, par le présent arrêté, ou dans le produit de telles marchandises, peut entrer un bref d'assignation devant le tribunal contre le fonctionnaire autorisé de la Couronne et demander qu'un ordre émane afin que les marchandises lui soient restituées ou que le produit de leur vente lui soit payé, ou tout autre ordre que les circonstances exigeront.

(2) La pratique et la procédure du tribunal des prises seront, autant que possible, suivies *mutatis mutandis* dans toute procédure prise en conséquence du présent arrêté.

VI.—Tout navire marchand qui sera parti d'un port anglais ou allié pour un port neutre, ou qui aura reçu

un laissez-passer pour un port neutre, et qui se rendra ensuite dans un port ennemi, sera, s'il est capturé, sujet à condamnation.

VII.—Rien dans le présent arrêté ne sera censé affecter en rien la possibilité d'un navire ou de marchandises d'être capturées ou condamnées pour toute autre cause que celles énumérées dans le présent arrêté.

VIII.—Rien dans le présent arrêté n'empêchera d'affranchir de ses dispositions les vaisseaux marchands de quelque nationalité que ce soit qui déclareront qu'aucun commerce venant de l'Allemagne ou de sujets allemands ne jouira de la protection de son drapeau.

GÉNÉRAL EN CONSEIL.

AU comité du Conseil privé a été soumis un rapport du Ministre de l'Intérieur, daté le 22 mars 1915, représentant que M. Jean Lizotte, de Fort-Vermilion, dans la province d'Alberta, a demandé la concession gratuite du lot n° 22 et de la moitié sud du lot n° 21 dans l'établissement Boyer, dans la dite province d'Alberta, le tout contenant 170.5 acres, basant sa demande sur le fait qu'il occupait ces terrains à la date de l'extinction du titre des sauvages,—

Par conséquent, comme il a été prouvé que le requérant occupait les terrains en question à la date de la conclusion du traité indien n° 8, à l'été de 1899, le Ministre recommande qu'en vertu des dispositions de l'article 76 de la *Loi des terres fédérales* la concession à M. Lizotte des dits terrains soit autorisée dès qu'il aura payé pour toute étendue de terrain au delà de 160 acres au prix de \$3 l'acre.

Le comité soumet cette demande pour approbation.

HOTEL DU GOUVERNEMENT À OTTAWA.

Vendredi, le 26e jour de février 1915.

PRÉSENT :

SON ALTESSE ROYALE LE GOUVERNEUR
GÉNÉRAL EN CONSEIL.

AU Comité du Conseil privé a été soumis un rapport du Surintendant général des Affaires des sauvages, daté le 15 février 1915, représentant que par un arrêté en conseil du 17 mai 1889 une étendue de terrain située dans les townships 58, 59 et 60, rangs 6 et 7, à l'ouest du 4e méridien, ainsi qu'indiqué par un tracé vert sur le plan ci-annexé, a été mise en réserve pour la bande indienne de Keheewin, et que les sauvages ont demandé une nouvelle délimitation par laquelle certains terrains dans les townships 58 et 59, rang 6, à l'ouest du 4e méridien, contigus à la limite est de la réserve ainsi que constituée par l'arrêté en conseil ci-dessus mentionné, leur seraient accordés en échange de certaines parties des divisions nord et sud de la dite réserve;

Les terrains que demandent les sauvages sont des terres fédérales au sens de la *Loi des terres fédérales*, et comme ils sont disponibles pour cet échange, le Ministre est d'avis que la demande des sauvages soit accordée,—

Par conséquent, le Ministre recommande que l'arrêté en conseil ci-dessus mentionné soit rescindé et que la nouvelle délimitation de la réserve soit confirmée d'après la description suivante :

Premièrement : Toutes les parties des townships 58 et 59, rang 6, et toute la partie du township 59, rang 7, à l'ouest du 4e méridien, qui peuvent être décrites plus minutieusement comme suit : commençant à un poteau en fer et un tertre marquant l'angle sud-ouest de la section fractionnaire 1, dans le dit township 59, rang 6, ainsi qu'indiqué sur une carte ou plan d'arpentage du dit township approuvé et confirmé à Ottawa, le 6 novembre 1909, par Edouard Deville, arpenteur général des terres fédérales, et déposé au Département de l'Intérieur ; de là vers le sud en suivant la limite ouest de la réserve de chemin le long de la borne ouest de la partie nord du quart fractionnaire nord-est de la section 36, dans le dit township 58, rang 6, sur une distance de 23 chaînes et 93 chaînons, plus ou moins, jusqu'à un poteau en fer et un tertre, ainsi qu'indiqué sur une carte ou plan d'arpentage du dit township 58, approuvé et confirmé à Ottawa, le 6e jour de novembre 1906, par Edouard Deville, arpenteur général des terres fédérales, et déposé au Département de l'Intérieur ; de là vers l'ouest en suivant la limite nord de la réserve de chemin le long de la borne nord des sections fractionnaires 36, 35, 34, 33, 32 et 31 du dit township 58, sur une distance de 435 chaînes et 40 chaînons, plus ou moins, jusqu'au point d'intersection avec la rive est du lac Keheewin ; de là dans une direction générale nord-ouest en suivant la dite rive du dit lac jusqu'au point d'intersection avec la limite est de la réserve de chemin sur la borne est de la section fractionnaire 12, township 59, rang 7, ce point étant situé à environ une chaîne dans la direction de l'est d'un poteau en bois sur la borne est de la dite section fractionnaire 12, ainsi qu'indiqué sur une carte ou plan d'arpentage du dit township 59, rang 7, approuvé et confirmé à Ottawa, le 4 novembre 1909, par Edouard Deville, arpenteur général des terres fédérales, et déposé au Département de l'Intérieur ; de là vers le nord en suivant la limite est de la réserve de chemin le long de la borne est des sections fractionnaires 12, 13, 24 et 25 du dit township 59, sur une distance de 235 chaînes et 27 chaînons, plus ou moins, jusqu'à un poteau en fer marqué I.R., situé une chaîne à l'est et 73 chaînons au sud d'un poteau en bois et d'un tertre marquant l'angle nord-est du quart fractionnaire sud-est de la section 25 du dit township, ainsi qu'indiqué sur le dit plan officiel du dit township ; de là vers l'est en suivant la limite sud de la réserve de chemin le long de la borne sud de la partie est du quart fractionnaire nord-est de la dite section

25, et le long de la limite sud de la réserve de chemin longeant la borne sud des sections fractionnaires 30, 29, 28, 27, 26 et 25, dans le dit township 59, rang 6, jusqu'au point d'intersection avec la rive ouest du lac Muriel ; de là dans la direction du sud-est en suivant la rive sud du lac Muriel jusqu'au point d'intersection avec la borne ouest de la section fractionnaire 24 du dit township 59, rang 6, ainsi qu'indiqué sur une carte ou plan du dit township approuvé de la manière susdite ; de là vers le sud en suivant la borne ouest des sections fractionnaires 24, 13, 12 et 1 du dit township, sur une distance de 307 chaînes et 89 chaînons, plus ou moins, jusqu'au point de départ, le tout contenant 28 milles carrés plus ou moins.

Deuxièmement : Toutes les parties des sections fractionnaires 26, 27, 29 et 30 du dit township 59, rang 6, qui ne sont pas couvertes par les eaux du lac Sinking, ainsi qu'indiqué sur le plan du dit township ; toute la section fractionnaire 28 ; toutes les parties des sections 31, 32, 33, 34 et 35 situées au sud de la rive sud du lac Sinking, ainsi qu'indiqué sur le plan du dit township et toutes les parties de la moitié sud des sections 5 et 6 du township 60, rang 6, situées au sud de la rive sud du dit lac Sinking, ainsi qu'indiqué sur une carte ou plan d'arpentage du dit township, approuvé et confirmé à Ottawa, le 31 mars 1909, par Edouard Deville, arpenteur des terres fédérales, et déposé au Département de l'Intérieur ; les terrains deuxièmement décrits ci-dessus contiennent 4 milles carrés, plus ou moins, et les terrains premièrement et deuxièmement décrits ci-dessus contiennent ensemble 32 milles carrés, plus ou moins, et sont tels qu'indiqués par un tracé rouge sur le plan ci-annexé.

Au sujet de ce qui précède, le Ministre représente de plus qu'en 1904 M. J. A. J. McKenna, assistant commissaire des sauvages à Winnipeg, a fait rapport que l'agent des sauvages Sibbald avait écrit que les sauvages de la réserve de Keheewin désiraient renoncer à la partie nord de leur réserve et faire ajouter une égale étendue à l'est de la réserve, leur but étant d'avoir ainsi de meilleures terres à foin et à culture, la partie nord, sauf quelque futaie, étant pratiquement sans valeur aucune à cause de ce vaste lac alcalin. M. Sibbald représentait que le changement serait dans l'intérêt des sauvages et recommandait qu'il fut autorisé. Demande fut donc faite au Département de l'Intérieur s'il avait des objections au changement projeté. Dans une lettre datée le 26 avril 1904, le département déclara qu'il semblait n'y avoir aucune objection, et M. J. Lestock Reid, arpenteur du Département des Affaires des sauvages, fit un arpentage en 1904, enlevant une partie au nord et au sud et ajoutant une partie égale à l'est de la réserve. En 1906 les sauvages présentèrent une réclamation, prétendant qu'ils ne savaient pas que les terres à foin au sud du lac Sinking avaient été soustraites de leur réserve. L'agent des sauvages fit rapport que cette lisière avait à peu près un demi-mille de large, que le sol, était alcalin et que le foin était requis pour le pâturage du bétail appartenant alors à la bande ; et de plus que la population de la bande de Keheewin augmentait rapidement, ainsi que constaté ci-dessous :

Novembre 1906.....	population 130
Décembre 1909.....	“ 177
Août 1910.....	“ 188
1913.....	“ 196

Le 29 mars 1911, le Département de l'Intérieur avisa le Département des Affaires des sauvages qu'il avait été décidé de faire une addition à la borne nord, étendant la réserve jusqu'aux rives sud du lac Sinking.

Au cours de l'année 1914 trente-cinq sauvages quittèrent la réserve de Keheewin pour d'autres réserves, laissant une population de 162 en 1914, ce qui, d'après le traité, leur donnerait droit à 20,736 acres ; la superficie maintenant demandée est de 20,531 acres.

Le comité soumet cette demande pour approbation.

AU comité du Conseil privé a été soumis un rapport du Ministre de l'Intérieur, daté le 16 mars 1915, représentant que Herbert J. Scott a obtenu l'inscription de homestead pour le quart nord-ouest de la section 36, township 7, rang 26, à l'ouest du 2e méridien, le 27 octobre 1911 ;

Le Ministre représente que d'après les renseignements reçus ce colon s'est acquitté des devoirs de résidence suivants :

Du 20 novembre 1912 jusqu'au commencement de mai 1913, et du 12 novembre 1913 jusque vers le mois d'avril 1914.

Améliorations :

Maison en bois..... \$125.00
20 acres de défoncement, dont 10
acres ont été ensemencés en 1914.

Il a été représenté au département de l'Intérieur que M. Scott souffre d'ataxie locomotrice si avancée qu'il est pratiquement confiné à la maison et qu'il ne pourra jamais plus résider sur son homestead,—

Le Ministre soumet la copie ci-annexée d'un certificat médical et, en vue des déclarations qui y sont faites, il recommande qu'en vertu des dispositions du paragraphe 2 de l'article 20, chapitre 20, 7-8 Edouard VII, M. Scott soit exempté de toute autre obligation de résidence afin que la patente gratuite de ce terrain puisse lui être accordée dès qu'il aura établi de la manière ordinaire que les autres conditions de la loi ont été observées.

Le comité soumet cette recommandation pour approbation.

AU comité du Conseil privé a été soumis un rapport du Ministre de l'Intérieur, daté le 15 mars 1915, représentant que M. Archibald Walker, de Prince-Albert, est propriétaire du quart sud-est de la section 22, township 47, rang 1, à l'ouest du 3e méridien, qui est adjacent à la borne de la réserve Pines Forest, dans la province de Saskatchewan ; que ce terrain a été examiné et qu'on a constaté que le sol était très sableux et couvert d'une quantité considérable de l'essence dite "Jack Pine," et qu'il convient mieux à la production forestière qu'à l'agriculture ; que si possible ce terrain devrait, par conséquent, être inclus dans la réserve de Pines Forest ; que M. Walker a consenti à céder ce quart de section pour cette fin pourvu qu'on lui concède un autre quart de section pour remplacer celui-là,—

Par conséquent, le Ministre recommande que dès que M. Walker aura exécuté un acte de cession du terrain en question la concession lui soit accordée du quart sud-ouest de la section 23, township 46, rang 27, à l'ouest du 2e méridien, cette partie des terres fédérales étant vacante et disponible.

Le comité soumet cette recommandation pour approbation.

AU comité du Conseil privé a été soumis un rapport du Ministre de l'Intérieur, daté le 19 mars 1915, représentant que la compagnie dite "Grand Trunk Pacific Branch Lines Company" a demandé la concession de 16.41 acres de la moitié nord de la section 28-17-20 à l'ouest du 2e méridien, qui peuvent être décrits plus minutieusement comme suit :

Toute la partie de la dite demi-section située au nord d'une ligne parallèle à la borne nord de la dite demi-section et éloignée de cette borne de 135.9 pieds perpendiculairement vers le sud. Ce terrain doit être employé pour le passage de la voie de l'embranchement Regina-Moosejaw ;

Par un arrêté en conseil du 11 août 1911, la moitié nord de la section 28-17-20, à l'ouest du 2e méridien ci-dessus mentionnée, est mise en réserve durant bon plaisir pour la gendarmerie à cheval du Nord-Ouest pour les fins d'un champ de tir, et le contrôleur de la gendarmerie a avisé le Ministre de l'Intérieur qu'il n'a pas d'objection à ce que la demande de la compagnie soit accordée,—

Par conséquent, le Ministre recommande que cette lisière de terrain de 135.9 pieds de largeur soit soustraite de la demi-section réservée à la gendarmerie à cheval du Nord-Ouest.

Le comité soumet cette demande pour approbation.

Un comité du conseil privé a été soumis un rapport du Ministre de l'Intérieur, daté le 4 mars 1915, représentant que M. Daniel Edward Riley, de High-River, Alberta, a été autorisé le 31 mai 1911, sous l'empire de la *Loi d'irrigation*, à exécuter des travaux pour prendre l'eau du creek Westropp, dans le quart nord-ouest de la section 28, et d'un creek dans le quart nord-est de la section 28, tous deux dans le township 13, rang 2, à l'ouest du 5e méridien, pour l'irrigation d'un terrain de 180 acres dans le quart nord-est de la section 28 et le quart nord-ouest de la section 27, dans les dits township et rang ;

Le Ministre représente que M. Daniel Edward Riley a demandé d'acheter le quart nord-ouest de la section 27, township 13, rang 2, à l'ouest du 5e méridien, sur lequel il a une concession de pâturage. Le commissaire de l'irrigation a fait rapport que le projet est praticable et a recommandé la vente. Les travaux ont été parachevés et un permis a été émis pour le détournement de l'eau,—

Par conséquent, le Ministre recommande que sous l'empire des règlements d'irrigation l'autorisation soit accordée de vendre au dit Daniel Edward Riley le quart nord-ouest de la section 27, township 13, rang 2, à l'ouest du 5e méridien, à \$3 l'acre, la vente étant sujette aux conditions prévues dans les règlements concernant les ventes de ce genre.

DEMANDES AU PARLEMENT.

CHAMBRE DES COMMUNES.

RÈGLES RELATIVES AUX PÉTITIONS ET AUX BILLS PRIVÉS.

88. (1) Les pétitions pour bills privés ne sont reçues par la Chambre que si elles sont présentées pendant les six premières semaines de la session, et tout bill privé sera présenté à la Chambre dans les deux semaines à compter de l'époque où l'Examineur ou le comité des ordres permanents auront fait un rapport favorable sur la pétition, et nulle motion à l'effet de suspendre cette règle ne sera acceptée, à moins qu'au préalable le comité des ordres permanents n'ait présenté un rapport recommandant cette suspension et exposant les raisons la motivant.

Instruction aux comités.

97. Qu'il soit enjoint à tous les comités sur bills privés, dans le cas où les promoteurs ne seraient point prêts à procéder avec leurs mesures quand celles-ci auront été appelées deux fois en deux occasions différentes devant le comité pour y être discutées, de rapporter ces mesures à la Chambre sans délai, faisant connaître les faits, et avec la recommandation que ces bills soient retirés.

Dépôt de bills et honoraires.

89. (1) Toute personne qui voudra obtenir un bill privé sera tenu de déposer entre les mains du greffier

de la Chambre, au moins huit jours avant la réunion de la Chambre, un exemplaire de ce bill en anglais ou en français, avec une somme suffisante pour en payer la traduction et l'impression, la traduction en devant être faite par les fonctionnaires de la chambre, et l'impression par le département des impressions publiques, et si pareil bill n'est pas déposé dans le délai ci-dessus prescrit, le solliciteur devra, en sus des frais d'impression et de traduction, payer la somme de cinq dollars pour chaque jour qui s'écoulera entre le dit huitième jour avant la réunion de la Chambre et la date de la présentation du bill ; mais ces taxes additionnelles ne devront pas dépasser en totalité la somme de deux cents dollars.

2. Après la deuxième lecture d'un bill et avant son examen par le comité auquel il a été renvoyé, celui qui en fait la demande doit dans tous les cas verser le prix de l'impression de la loi dans les statuts ainsi qu'un droit de deux cents piastres.

Taxes supplémentaires.

3. Les taxes suivantes seront également imposées et payées, en sus de celles qui précèdent savoir :—

- | | |
|--|-----------|
| (a) Lorsqu'une règle de la Chambre est suspendue relativement à un bill, ou à la pétition de ce bill pour chaque suspension..... | \$ 100 00 |
| (b) Lorsqu'un bill est présenté dans la Chambre après la huitième semaine de la session et avant la fin de la douzième | 100 00 |
| (c) Lorsqu'un bill est présenté dans la Chambre après la douzième semaine de la session..... | 200 00 |
| (d) Lorsque le capital social projeté d'une compagnie dépasse \$250,000 et n'excède pas \$500,000..... | 100 00 |
| (e) Lorsque le capital social projeté d'une compagnie dépasse \$500,000, et n'excède pas \$750,000..... | 150 00 |

4. Quand l'objet d'un bill est d'augmenter le capital social d'une compagnie existante, le droit additionnel est déterminé selon le tarif ci-dessus, mais n'est calculé que sur le montant de la majoration.

5. Quand un bill est à l'effet d'augmenter ou tend à augmenter pour une compagnie sa faculté d'emprunter sans qu'il y ait augmentation du capital social, le droit additionnel est de \$300.

6. Si, à quelque phase d'un bill, il est apporté quelque augmentation au chiffre du capital social projeté d'une compagnie, ou à celui de sa faculté d'emprunter, le bill ne passe pas à la phase subséquente tant que les droits découlant de ce changement n'ont pas été versés.

7. Dans la présente règle, l'expression "capital social projeté" comprend toute augmentation de ce capital prévue dans le bill, et dans le cas où un bill accorde le pouvoir d'augmenter, à quelque date que ce soit, le montant du capital social projeté, le droit additionnel sera prélevé sur le chiffre maximum de telle augmentation projetée, telle qu'il en est fait mention dans le bill.

8. Les taxes supplémentaires prescrites en la présente règle s'appliqueront aussi aux bills privés prenant naissance au Sénat, sauf, toutefois, que si une pétition demandant pareil bill privé a été présentée en cette Chambre dans les six premières semaines de la session la taxe supplémentaire imposée sous l'empire des alinéas b ou c de l'article 3, ne sera pas exigée.

THOMAS B. FLINT,

Greffier des Communes.

RÈGLES RELATIVES AUX AVIS DE BILLS PRIVÉS.

91. Toutes demandes, quelles qu'elles soient, adressées au Parlement pour bills privés, devront être précédées

d'un avis dans la *Gazette du Canada* : le dit avis devra énoncer clairement et distinctement la nature et l'objet de la demande, et devra être signé par les postulants ou en leur nom avec les adresses des signataires ; et lorsque la demande aura pour objet un acte constitutif, le nom de la compagnie projetée devra être donné dans l'avis. Et si les travaux de quelque compagnie (constituée ou à être constituée en corporation) doivent être déclarés à l'avantage général du Canada, cette intention sera spécifiquement mentionnée dans l'avis ; et les postulants feront adresser une copie du dit avis, par lettre enregistrée, au greffier de chaque comté ou municipalité qui pourra être spécialement concernée dans la construction ou l'exploitation des dits travaux, et aussi au secrétaire de la province dans laquelle les dits travaux sont ou pourront être situés ; et une déclaration conforme à la loi devra attester que cette formalité a été remplie par les postulants.

Outre l'avis susdit à publier dans la *Gazette du Canada*, un avis semblable devra aussi être publié dans quelque journal important comme suit :—

A. Lorsque la demande sera faite pour un acte constituant en corporation,—

1. *Une compagnie de chemin de fer ou de canal* :— Dans la principale cité et ville ou dans le principal village dans chaque comté où devront être construits le chemin de fer ou le canal projetés

2. *Une compagnie de télégraphe ou de téléphone* :— Dans la principale cité ou ville dans chaque province ou territoire où la compagnie se propose de faire des opérations.

3. *Une compagnie pour la construction de travaux quelconques* de nature à produire un changement dans une localité particulière par suite de leur construction ou exploitation ; ou pour obtenir quelques droits ou privilèges exclusifs ; ou pour faire quelques opérations pouvant porter atteinte aux droits ou à la propriété de particuliers :— Dans la localité ou les localités qui pourraient être atteintes par la législation projetée.

4. *Une compagnie de banque ; une compagnie d'assurance ; une compagnie de fidéicommis ; une compagnie de prêt ; ou une compagnie industrielle, sans pouvoirs exclusifs quelconques* :— Dans la *Gazette du Canada* seulement.

B. Lorsque la demande sera aux fins d'amender un acte existant,—

1. Pour le prolongement de quelque ligne de chemin de fer ou de quelque canal, ou pour la construction d'embranchements des dits chemin de fer ou canal :— Dans la principale cité, la principale ville ou le principal village dans chaque district ou comté devant être traversé par le prolongement ou cet embranchement.

2. Pour la prolongation d'une charte ou du délai fixé pour la construction ou l'achèvement d'une ligne de chemin de fer, d'un canal, ou d'une ligne de télégraphe ou de téléphone quelconques, ou de tous autres travaux déjà autorisés ; ou pour l'extension des pouvoirs d'une compagnie (lorsque cela n'implique pas la concession de droits exclusifs) ; ou pour l'augmentation ou la réduction du capital social de quelque compagnie ; ou pour augmenter ou modifier ses pouvoirs d'émettre des obligations ou de contracter des emprunts, ou pour tout amendement pouvant porter atteinte aux droits ou intérêts des actionnaires ou des porteurs d'obligations ou des créanciers de la compagnie :— Dans la localité où le bureau principal de la compagnie est ou doit être autorisé à s'établir.

(C.) Lorsque la demande a pour objet d'obtenir pour une personne ou une corporation déjà constituée des droits ou privilèges exclusifs ou le pouvoir de faire quelque chose dont l'accomplissement pourrait porter atteinte aux droits ou aux biens d'autres personnes : dans la localité ou les localités particulières que l'acte projeté pourrait atteindre.

Tous ces avis, qu'ils soient insérés dans la *Gazette du Canada* ou dans un journal, devront être publiés au moins une fois par semaine pendant une durée de cinq semaines consécutives ; et en ce qui concerne les provinces de Québec et de Manitoba, ils devront y être publiés en anglais et en français ; et dans le cas où il n'y aurait pas de journal dans une localité où l'avis doit être donné, cet avis sera donné dans la localité la

plus rapprochée dans laquelle il se publie un journal ; et la preuve de la publication régulière de l'avis sera établie dans chaque cas par une déclaration conforme à la loi ; et toutes ces déclarations devront être transmises au greffier de la Chambre et être endossées "Avis de bill privé".

(D.) Tout pareil avis sera transmis par la poste par lettre enregistrée de manière à parvenir au secrétaire de la province, et au greffier du conseil de comté et de la corporation municipale, au moins deux semaines avant que l'Examineur ou le comité des ordres permanents ne prennent la pétition en délibération, et une déclaration conforme à la loi et établissant ce dépôt à la poste, sera adressée au greffier de la Chambre.

(E) Tous bills privés pour actes constitutifs devront être dressés de manière à incorporer, par mode de renvoi, les clauses des actes généraux se rapportant aux détails auxquels ces bills doivent pourvoir ; l'on devra énoncer les raisons spéciales de toute déviation de ce principe, ou de l'introduction d'autres dispositions relatives à ces détails, et une note devra être annexée au bill pour indiquer les dispositions du bill au sujet desquelles l'on propose de s'écarter de l'acte général ; les bills qui ne seront pas rédigés conformément à cette règle, devront être remodelés par les promoteurs et réimprimés à leurs frais avant qu'aucun comité passe à l'examen de leurs clauses.

THOMAS B. FLINT,

Greffier de la Chambre des Communes.

Quiconque désire obtenir du Parlement une charte de chemin de fer, devra observer les règles ci-dessous, établies par la Chambre des Communes, au sujet de la production de cartes :—

CARTE OU PLAN ACCOMPAGNANT LA PÉTITION.

93. "L'Examineur ou le comité des Ordres permanents ne prendra connaissance d'aucune pétition demandant la constitution en corporation d'une compagnie de chemin de fer, ou d'une compagnie ayant pour objet la construction d'un canal, ou demandant un prolongement de la ligne d'un chemin de fer ou d'un canal existant ou autorisé, avant que soit produit devant ce comité une carte ou un plan, indiquant l'emplacement projeté des ouvrages, et chaque comté, township, municipalité ou district à travers lesquels le chemin de fer, le canal, l'embranchement ou le prolongement projeté, doit être construit".

CARTES, PLANS ET PIÈCES ACCOMPAGNANT LES BILLS.

94. (a.) "Une carte ou un plan à une échelle d'au moins un demi-pouce au mille, et indiquant le territoire sur lequel il est question de construire les ouvrages projetés, et indiquant aussi les ouvrages analogues existants ou autorisés, dans la région ou partie de la région que la ligne projetée doit desservir, ou qui ont quelque effet sur la dite région ; et cette carte ou ce plan doit porter la signature de l'ingénieur ou autre personne qui l'a fait ;

(b.) "Une pièce faisant connaître le montant total du capital que l'on se propose de consacrer aux fins de l'entreprise, et la manière dont on se propose de se le procurer, soit au moyen d'actions ordinaires, d'obligations, de débiteures ou d'autres valeurs, et le montant respectif à réaliser de chacun de ces chefs."

SENAT.

SUBSTANCE DES RÈGLES ET FORMES DE PROCÉDER DU SÉNAT CONCERNANT LES BILLS DE DIVORCE.

Telles que révisées et mises en vigueur le 22 mars 1906

Tout pétitionnaire en divorce doit annoncer son intention de demander un bill de divorce, par un avis spécifiant contre qui et pour quelle cause le divorce sera demandé : il fait insérer cet avis, pendant trois

mois au moins avant la prise en considération par le comité des divorces de sa pétition pour obtenir le bill, dans la *Gazette du Canada* et dans deux journaux—du district où il avait sa résidence habituelle à l'époque de sa séparation d'avec son conjoint, s'il résidait alors dans la province de Québec, le Manitoba, la Saskatchewan, l'Alberta, la Colombie-Britannique ou les Territoires du Nord-Ouest,—ou du comté ou des comtés-unis, s'il résidait dans une autre province ; et à défaut de ce nombre de journaux, l'avis doit se publier dans le district, le comté ou les comtés-unis voisins.

Dans les provinces de Québec et du Manitoba, les insertions doivent se faire dans un journal anglais et un journal français, s'il en existe des deux langues dans le district ; autrement, elles se font en anglais et en français au même journal. Si l'avis donné pour une session expire trop tard pour qu'il puisse être statué sur la pétition pendant cette session, la pétition pourra être présentée et accueillie à la session suivante sans nouvelle publication d'avis.

Une copie de cet avis et une copie de la pétition qui sera présentée doit, à la diligence du pétitionnaire et au moins deux mois avant la prise en considération de la pétition par le comité, être signifiée en main propre si cela est possible, à la personne contre laquelle le divorce sera demandé, ci-après appelée "partie défenderesse".

Si la résidence de la partie défenderesse n'est pas connue, ou que la remise de l'avis ne peut être faite en ses mains, s'il est prouvé, d'une manière jugée satisfaisante par le comité, que tous les efforts raisonnables ont été faits pour opérer la signification en main propre, et, en cas d'inutilité de ces efforts, pour porter l'avis et la pétition à la connaissance de la partie défenderesse, ces diligences peuvent être tenues pour une suffisante notification.

Aucune pétition en divorce n'est recevable après l'expiration des soixante premiers jours de la session.

Toute pétition en divorce doit être écrite lisible-ment et porter la signature du pétitionnaire. Elle énonce sommairement le fait du mariage, en indiquant les noms au long, l'âge et l'état des parties, en quel temps, en quel lieu et par qui a été faite la célébration ; le domicile et la résidence de chacune des parties à l'époque du mariage, leur domicile conjugal, leur résidence et tout changement qui en aurait eu lieu ; les faits essentiels sur lesquels est fondée la demande de redressement et la nature du redressement demandé.

La pétition doit aussi contenir l'assurance qu'il n'y a pas eu ni connivence, ni pardon pour les torts qui donnent lieu à la plainte, ni collusion dans la demande en divorce.

Les allégations de la pétition doivent être appuyées d'une déclaration du pétitionnaire, faite conformément à l'Acte de la preuve en Canada, 1893.

La copie de la pétition signifiée à la partie défenderesse portera en endos ou en annexe les renseignements suivants :

(1) La résidence du pétitionnaire à l'époque de la signification.

Avis de bills privés.

EXTRAIT DES RÈGLES DU SÉNAT.

107. Toute demande au Parlement, pour obtenir un bill privé, de quelque nature qu'il soit, doit être annoncée par avis inséré à la *Gazette du Canada* ; cet avis doit indiquer d'une manière claire et précise la nature et l'objet de la demande, être signé par les pétitionnaires ou en leur nom et contenir l'adresse des signataires ; et si elle a pour objet l'obtention d'un acte constitutif, il faut donner aussi dans l'avis le nom de la compagnie projetée.

Outre l'avis à insérer dans la *Gazette du Canada*, il doit en être publié un semblable, comme il suit :—

A. Lorsque la demande a pour objet l'obtention d'un acte constituant en corporation,—

1. Une compagnie de chemin de fer ou de canal,—dans un des principaux journaux de la principale cité ou ville ou le principal village de chaque comté ou district par où passerait le chemin de fer ou le canal dont la construction est projetée ;

2. Une compagnie de télégraphe ou de téléphone,—dans un des principaux journaux de la principale cité ou ville de chaque province ou territoire où elle se propose d'opérer ;

3. Une compagnie pour la confection de travaux quelconques, dont la confection ou l'exploitation intéresserait spécialement telle localité particulière ; ou une compagnie tendant à obtenir des droits ou privilèges exclusifs, ou l'autorisation de faire une chose dont l'opération pourrait porter atteinte aux droits ou à la propriété d'autrui,—dans un des principaux journaux de l'endroit ou des endroits que l'acte demandé intéresse ;

4. Une compagnie de banque ; une compagnie d'assurance ; une compagnie de crédit ; une compagnie de prêt, ou une compagnie industrielle, sans pouvoirs exclusifs,—dans la *Gazette du Canada* seulement ;

5. Et si les travaux d'une compagnie (constituée ou à constituer) doivent être déclarés d'utilité générale pour le Canada, cette intention sera spécifiquement

mentionnée dans l'avis ; et les requérants feront envoyer par lettre enregistrée une copie de cet avis au secrétaire de chaque conseil de comté et de chaque corporation municipale spécialement intéressée dans la construction ou l'exploitation de ces travaux, ainsi qu'au secrétaire de la province dans laquelle ces travaux sont ou seront situés ; et la preuve de l'accomplissement de cette prescription par les requérants devra s'établir par une déclaration statutaire.

B. Lorsque la demande a pour objet de modifier un acte existant,—

1. Afin de prolonger une ligne de chemin de fer ou un canal, ou de construire des embranchements qui s'y relient, l'avis sera le même, *mutatis mutandis*, que celui pour l'obtention d'un acte constituant en corporation une compagnie de chemin de fer ou de canal ;

2. Afin de proroger le délai fixé pour la confection ou l'achèvement d'une ligne de chemin de fer, d'un canal, d'une ligne télégraphique ou téléphonique, ou d'autres travaux quelconques déjà autorisés,—dans un des principaux journaux de l'endroit où la compagnie a son siège ou est autorisée à avoir son siège ;

3. Afin d'étendre les pouvoirs d'une compagnie (sans attribution de pouvoirs exclusifs) ; d'accroître ou de réduire le capital-actions d'une compagnie, ou d'augmenter ou modifier sa faculté d'émettre des obligations ou de faire des emprunts, ou d'effectuer des changements pouvant porter atteinte aux droits ou intérêts des actionnaires, obligataires ou créanciers de la compagnie,—dans un des principaux journaux du lieu de la situation de son siège.

c. Dans tous ces cas, les avis insérés soit à la *Gazette du Canada* ou dans les journaux, doivent se publier au moins une fois par semaine pendant cinq semaines consécutives ; et, lorsqu'ils se publient dans les provinces de Québec et du Manitoba, ils doivent être en langue anglaise et en langue française. Il faut envoyer au greffier du Sénat des exemplaires *marqués* de chaque numéro de tous les journaux contenant l'avis, avec, sur le pli de la feuille, les mots : "*Avis de bill privé*" ; ou l'on peut transmettre, au lieu des journaux, une déclaration statutaire que l'avis a été dûment publié.

Tout avis par lettre enregistrée sera déposé à la poste à temps pour parvenir au Secrétaire de la province et au greffier de chaque conseil de comté et de chaque corporation municipale cinq semaines au moins avant la considération de la pétition par le comité des Ordres permanents ; et une déclaration statutaire établissant le fait du dépôt à la poste sera transmise au greffier du Sénat.

108. Nulle pétition pour la constitution en corporation d'une compagnie de chemin de fer ou d'une compagnie de canal, ou pour l'extension de la ligne d'un chemin de fer ou d'un canal existant ou autorisé, n'est prise en considération par le comité des Ordres Permanents, à moins qu'il n'ait été déposé devant le comité une carte ou un plan indiquant le tracé proposé des travaux ainsi que les comtés ou les districts par où doit passer le chemin de fer, le canal, l'embranchement ou le prolongement qu'on veut construire.

109. Avant d'adresser au Sénat la pétition pour en obtenir la permission de présenter un bill privé ayant pour objet la construction d'un pont de péage, la ou les personnes qui ont l'intention de faire cette pétition doivent, en donnant l'avis prescrit par les règles précédentes mentionner en même temps et de la même manière, les péages qu'elles se proposent de percevoir, l'étendue du privilège, la hauteur des arches, l'espace libre entre les culées ou les piles pour le passage des trains de bois et des bateaux ; en outre, mentionner si le pont sera mobile ou non, et indiquer les dimensions de la partie mobile.

110. Aucune pétition en obtention d'un bill privé n'est reçue par le Sénat après les trois premières semaines de la session ; aucun bill privé ne peut lui être présenté après les quatre premières semaines de la session ; aucun rapport d'un comité permanent ou spécial sur un bill privé n'est reçu après les six premières semaines de la session.

114. Toute personne qui voudra obtenir un bill privé, si elle se propose de le présenter au Sénat, devra déposer entre les mains du greffier de cette Chambre,

huit jours avant la réunion du Parlement, une copie du bill en langue anglaise ou en langue française, avec une somme d'argent suffisante pour en payer la traduction, laquelle sera faite par les traducteurs du Sénat, et payer l'impression de 600 exemplaires anglais et de 200 exemplaires français ; elle aura pareillement à verser entre les mains du greffier du Sénat, aussitôt après la deuxième lecture du bill, et avant la prise en considération par le comité auquel il aura été renvoyé une somme de \$200, avec les frais d'insertion de l'acte au corps des Statuts ; et elle remettra au commissaire-greffier du comité un reçu constatant le versement de ces sommes.

SAML. E. ST. O. CHAPLEAU,
Greffier du Sénat.

RODOLPHE BOUDREAU,
Clerk of the Privy Council.

43-2

[757]

AT THE GOVERNMENT HOUSE AT OTTAWA

Tuesday, the 13th day of April, 1915.

PRESENT :

HIS ROYAL HIGHNESS THE GOVERNOR
GENERAL IN COUNCIL.

THE Committee of the Privy Council have had before them a report, dated 1st April, 1915, from the Minister of the Naval Service, submitting, with reference to the Order in Council dated 1st August, 1914, prescribing the manner in which the proceeds of penalties and the proceeds of sales of confiscated articles under The Fisheries Act, shall be distributed, that the final paragraph of that Order in Council reads as follows :

"The Minister further recommends that in all instances where penalties are imposed or articles are confiscated following a prosecution by a Fishery Officer or a Fishery Guardian employed by the Department of the Naval Service, the whole of the proceeds of such prosecution, and of the proceeds of the sale of such confiscated articles, shall be paid to the Minister of Finance, through the Department of the Naval Service, but that when the prosecutor is not an Officer of any Government, a moiety of the penalty levied, together with costs taxed to him in respect thereof, shall be paid to him, and the other moiety to the Minister of Finance, through the Department of the Naval Service."

That while, from the context of the whole Order, it is clear that it was the intention that it was only in the case of Fishery Officers, who are paid to prevent violations of the fishery laws, that the whole of the fines imposed should be paid to the Minister of Finance, in view of the wording of the above clause, the question has been raised as to whether Mounted Police Officers should be allowed, as in the past, to obtain a moiety of fines imposed following complaints laid by them.

Experience has shown that by allowing such officers to share in penalties imposed, vigilance on their part in preventing infractions of the law has been exercised, and it is the desire of the Department of the Naval Service that such practice should be continued.

The Minister, therefore, recommends that the paragraph quoted above, of the Order in Council of the 1st August, 1914, be rescinded, and the following substituted in lieu thereof :

"The Minister further recommends that in all instances where penalties are imposed, or articles are

confiscated, following a prosecution by a Fishery Officer or a Fishery Guardian employed by the Department of the Naval Service, the whole of the proceeds of such prosecution, and of the proceeds of the sale of such confiscated articles, shall be paid to the Minister of Finance, through the Department of the Naval Service, but when the prosecutor is not a fishery officer or fishery guardian of any Government, a moiety of the penalty levied, together with costs taxed to him in respect thereof, shall be paid to him, and the other moiety to the Minister of Finance, through the Department of the Naval Service."

The Committee concur in the foregoing, and submit the same for approval.

RODOLPHE BOUDREAU,
Clerk of the Privy Council.

43-2

[756]

AT THE GOVERNMENT HOUSE AT OTTAWA.

Tuesday, the 13th day of April, 1915.

PRESENT :

HIS ROYAL HIGHNESS THE GOVERNOR
GENERAL IN COUNCIL.

THE Committee of the Privy Council have had before them a report, dated 23rd March, 1915, from the Minister of the Naval Service, submitting that, the technical officers of the Department have represented that by Order in Council, P.C. No. 1979, of 1st August, 1914, certain rates of pay were established for officers of the Royal Naval Canadian Volunteer Reserve. These rates of pay did not provide for the usual allowances to naval officers ;

Since the outbreak of war, however, it has been found necessary to employ officers of the naval volunteers on duties which carry with them an allowance to officers of the Royal Canadian Navy,—

The Minister recommends, in order to prevent injustice, that allowances established by Order in Council for officers of the Royal Canadian Navy for certain duties should also be payable to officers of the Royal Naval Canadian Volunteer Reserve, when carrying out such duties.

The Committee submit the same for approval.

RODOLPHE BOUDREAU,
Clerk of the Privy Council.

[748]

AT THE GOVERNMENT HOUSE AT OTTAWA.

Tuesday, the 13th day of April, 1915.

PRESENT :

HIS ROYAL HIGHNESS THE GOVERNOR
GENERAL IN COUNCIL.

THE Committee of the Privy Council have had before them a report, dated 31st March, 1915, from the Minister of the Naval Service, submitting that the Admiralty have instituted the new non-substantive ratings of rangetaker, first and second class. The technical officers of the Department of the Naval Service recommend the institution of the ratings of rangetaker, first and second class to be paid at the rate of 10 cents and 5 cents per diem respectively, second class rangetakers to be eligible for promotion to first class after a minimum of three years service as rangetaker, if reported on as thoroughly efficient.

These ratings are to be open to all seamen ratings holding the ratings of ordinary seamen, but the pay as rangetaker is not to be received with that of any gunnery rating other than seaman gunner.

The Minister, concurring in the recommendations of the technical officers of the Department of the Naval Service, recommends that authority be granted for the institution in the Royal Canadian Navy of the above-mentioned ratings.

The Committee concur in the foregoing and submit the same for approval.

RODOLPHE BOUDREAU,
Clerk of the Privy Council.

PRESENT :

HIS ROYAL HIGHNESS THE GOVERNOR
GENERAL IN COUNCIL.

THE Committee of the Privy Council have had before them a report, dated 9th April, 1915, from the Minister of the Interior, submitting that section 12 of The Dominion Lands Surveys Act provides that the Minister may cause examinations of candidates for admission as articled pupils, or for commissions as Dominion Land Surveyors, to be held at such times and places as he directs, by one of the members of the board, or by a special examiner who is a Dominion Land Surveyor and is appointed thereto by the Governor in Council,—

The Minister, therefore, recommends that William Emerson Taylor, of Toronto, Ontario, Dominion Land Surveyor, be appointed as special examiner under the above provisions of The Dominion Lands Surveys Act.

The Committee submit the same for approval.

Saturday, the 17th day of April, 1915.

PRESENT :

HIS ROYAL HIGHNESS THE GOVERNOR
GENERAL IN COUNCIL.

THE Committee of the Privy Council have had before them a report, dated 7th April, 1915, from the Minister of the Interior, stating that in November, 1905, the Vice-President and General Manager of The Grand Trunk Pacific Railway Company pointed out that the patents to the railway company of lands to which they were entitled under clause 46 of the agreement embodied in The National Transcontinental Railway Act reserved to the Crown the mines and minerals; that it was important to the company that they should not be embarrassed when constructing their line of railway by others being permitted to acquire the mining rights underlying the surface of lands which they might acquire; and he asked that the railway company be considered the first applicants for mining rights under all such lands, and that a note to that effect be made in the records of the Department of the Interior;

That by an Order in Council, dated the 19th of April, 1906, provision was accordingly made that, as soon as a definite description was furnished of the lands which the company desire to acquire in this connection, the same be for the present withdrawn from mining entry and sale for coal and other mining purposes, and in case application were made by any person or company for permission to acquire the mining rights under any such lands the railway company be considered the first applicants therefor, and such mining rights be granted to them under the provisions of the regulations in that behalf,—

As it would appear that the request made on behalf of the railway company for the reservation of the mining rights under their lands was for the period of the construction of the railway only, and as the construction of this line of railway has now been completed and the lands which the company were permitted to acquire have all been selected, the Minister recommends that the Order in Council of the 19th April, 1906, above referred to—making the reservation—be now rescinded.

The Committee concur in the foregoing and submit the same for approval.

AT THE GOVERNMENT HOUSE AT OTTAWA.

Tuesday, the 6th day of April, 1915.

PRESENT :

HIS ROYAL HIGHNESS THE GOVERNOR
GENERAL IN COUNCIL.

THE Committee of the Privy Council have had before them a report, dated 11th March, 1915, from the Minister of the Interior, submitting that an application has been received from the Finger Lumber Company of The Pas, to lease certain marsh lands in Fractional Sections three and four, of Township fifty-three, Range four, west of the Second Meridian for the purpose of growing hay and vegetables—to be used in connection with the operation of their logging camp, as it is exceedingly difficult to get any supplies owing to the poor transportation facilities ;

The land applied for is, in its present condition, unsuitable for agriculture, but a portion thereof along the edges of the marsh may be reclaimed by drainage and made fit for the cultivation of vegetables and the growing of hay. To do this will require the construction of about two miles of ditch at an approximate cost of \$2,000. The applicants have agreed to undertake this work provided they are granted a lease ;

The Minister observes that the said land is unsurveyed and cannot be disposed of by sale, and that practically no settlement has yet reached that locality,—

The Minister, therefore, recommends that the said land, consisting of Sections three and four, according to a compass survey, lying between the Carrot River and Sepanok Channel in Township fifty-three, Range four, west of the Second Meridian, comprising an area of 1,189 acres, more or less, be withdrawn from disposal under authority of paragraph (e) of section 76 of The Dominion Lands Act, and that authority be given to lease the same to the said Finger Lumber Company at the rate of two cents per acre in accordance with the provisions of the form of lease attached hereto.

The Committee submit the same for approval.

That the lessee will not, without the consent in writing of the Minister, make any transfer or assignment of these presents or of its interest or any part of its interest under these presents or any sub-lease of the whole or part of the term hereby granted of the said lands or any portion thereof.

4. That if any such transfer, assignment or sub-lease be so assented to all the provisos and conditions herein contained shall extend to and be binding upon the transferee, assignee and sub-lessee as well as the lessee hereunder, and any breach thereof by such transferee,

assignee or sub-lessee shall have the same effect as if such breach were made by the said lessee during its continuance as such lessee.

That the lessee will not, during the said term, cut or destroy, or allow to be cut or destroyed, any timber or timber trees without the consent in writing in that behalf of the Minister, and then only in accordance with such terms, conditions and regulations as may be made or established in that behalf.

6. That should the Minister of the Interior at any time or from time to time during the term hereby granted, think it to be in the public interest to cause any unsurveyed part or parts of the lands hereby demised to be surveyed, the surveyors appointed to make the surveys may, with their assistants, servants, horses and other things required in that behalf, enter upon the land and make the survey.

7. That as soon as a survey of a township has been made and confirmed, such lands therein as under the provisions of the said Dominion Lands Act are known and designated as the lands of the Hudson's Bay Company, and also such lands as under the provisions of the said Act are set apart as an endowment for the purposes of education, shall thereupon become withdrawn from the operation of these presents, and the term hereby created shall thereupon cease and determine with respect thereto; but the lessee shall not become entitled to any reduction or abatements of the rent hereby reserved unless and until the said lands have been taken actual possession of by some person under proper authority in that behalf. That should any portions of the lands hereby demised be thought to contain gold, silver, copper, coal or other minerals, building stone or marble, the Minister may grant licenses under the regulations in that behalf authorized by the Governor in Council to any person or corporation to explore and search for the same, subject to such conditions for the protection of the interests of the lessee as the Minister may think proper. And should any portion of the lands hereby demised contain gold, silver, copper, coal or other minerals, building stone, or marble, or water power capable of being used to drive machinery, the Minister may, from time to time, cause written notice to be given to the lessee and the same and such adjoining lands as he may think proper are withdrawn from the operation of these presents; and thereupon such lands shall become withdrawn, and the term hereby created shall thereupon cease and determine with respect thereto, and thereupon the lessee shall become entitled to a reduction of rent hereby reserved, equal to two cents for every acre so withdrawn, but shall have no further or other claim, or be entitled to any other compensation for or on account of such withdrawal.

9. That should any portions of the lands hereby demised contain timber, the Minister may, subject to such conditions for the protection of the interests of the lessee as the Minister may think proper, grant to any person or corporation under the provisions of The Dominion Lands Act, the right under lease or license to enter upon the lands and to cut and remove such timber.

person under proper authority in that behalf; and in case of such actual possession the lessee shall become entitled to a reduction of the rent hereby reserved, equal to two cents for every acre so taken possession of, but shall have no further or other claim, or be entitled to any other compensation for or on account of such withdrawal.

11. And that if the said demised premises or any portion thereof shall be required for public purposes, possession of the same may at any time during the said term be resumed by His Majesty, his successors or assigns, upon six months' notice in writing by the Minister to the lessee, and in no such case shall the lessee have any claim to compensation for his improvements upon the demised premises or on account of damages in any way resulting from such resumption or from the determination of this demise.

12. The lessee may at any time during the six months mentioned in clause eleven hereof disannex, remove, repossess and convert to his own use any erections, fixtures or additions hereafter to be erected, fixed or made by it and at its own cost upon or to the demised premises doing as little injury as may be to the said premises by such removal and making good such injury as may unavoidably be done.

13. That the word "lessee" in these presents includes the lessee or lessees, as the case may be, and his or their executors, administrators and assigns, and in the case of an incorporated company, their successors and assigns.

14. That no implied covenant or liability of any kind on His Majesty's part is created by the use of the words "demised" and "lessee" herein or by the use of any other word or words herein.

15. That any notice, demand, or other communication which His Majesty or the Minister may require or desire to give or serve upon the lessee may be validly given and served by the Secretary or Assistant Secretary of the Department of the Interior, or by the Superintendent of the Irrigation Branch.

16. If the leasehold has been secured by misrepresentation as to any material facts, the lease may be summarily cancelled in the manner hereinbefore provided.

17. And that any notice affecting the tenancy hereunder which the lessor may desire to serve upon the lessee shall be sufficiently served on the lessee if left addressed to him on the demised premises or posted to him addressed to his last known address, or if left at the said address. A notice sent by post shall be deemed to be given at the time when in the due course of post would be delivered at the address to which it is sent.

18. This lease is subject to the right of the Province to take for road purposes, without compensation to the lessee such land as may be required, not exceeding two and one-half per centum of the total area, provided the value of any improvements found on the land so required for road purposes shall be paid for by the Province, the said value to be fixed by the Minister of the Interior.

THE Committee of the Privy Council have had before them a report, dated 15th February, 1915, from the Minister of the Interior and the Superintendent General of Indian Affairs, submitting that by an Order in Council of 17th May, 1889, a tract of land situated in Townships 58, 59 and 60, Ranges 6 and 7, west of the 4th Meridian, as shown outlined in green on the plan hereto attached, was set apart for Keheewin's band of Indians, and that the Indians have requested a re-adjustment whereby certain lands in Townships 58 and 59, Range 6, west of the 4th Meridian, adjoining the eastern limit of the reserve as constituted by the above mentioned Order in Council would be granted to them in exchange for certain portions of the northern and southern parts of the said reserve;

The lands desired by the Indians are Dominion lands within the meaning of The Dominion Lands Act, and, as they are available for the purpose of the exchange, the Minister is of opinion that the request of the Indians should be favourably considered,—

The Minister states, in further reference to the foregoing, that in 1904 Mr. J. A. J. McKenna, Assistant Indian Commissioner at Winnipeg, reported that Indian Agent Sibbald had written that the Indians of Keheewin's reserve desired to have the northern portion of their reserve cut off and a portion of equal area added to the eastern side of the reserve

their object being to gain better hay and farming lands, the northern portion, with the exception of some good timber, being practically useless, as it contained a large alkaline lake. Mr. Sibbald stated that the change would be in the interest of the Indians and recommended that it be made. Accordingly the Department of the Interior was asked whether it had any objection to the exchange being made. By letter dated 26th April, 1904, that Department stated that there would appear to be no objection, and in consequence Mr. J. Lestock Reid, a Surveyor of the Department of Indian Affairs, made the survey in 1904, cutting off a northern and a southern portion and adding an equal portion on the east side of the reserve. In 1906 the Indians put forth a claim that they were not aware that the hay lands south of Sinking Lake had been eliminated from their reserve. The Indian Agent reported that the strip was about half mile wide, the land alkaline, and that the hay was required for the pasturage of the cattle then owned by the band; also that the population of Keheewin's band was rapidly increasing which may be shown as follows:—

November, 1906.....	Population 130
December, 1909.....	" 177
August, 1910.....	" 188
1913.....	" 196

On 29th March, 1911, the Department of Indian Affairs was informed by the Department of the Interior that it had been decided to make the addition to the north boundary, extending the reserve to the south shores of Sinking Lake.

During 1914 thirty-five Indians left Keheewin's reserve for other reserves, leaving a population of one hundred and sixty-two in 1914, which, according to treaty, would entitle them to 20,736 acres; the area now asked for is 20,531 acres.

The Committee submit the same for approval.

SCOTLAND.

(122) PILOTAGE STATIONS ESTABLISHED AT CERTAIN PORTS ON ACCOUNT OF DEFENSIVE MINEFIELDS.

With reference to the extension of the system of mine defence, notice is hereby given that Pilotage is now compulsory at the following ports for all vessels (including fishing vessels) which have a draught of over eight feet, and that it is highly dangerous for any vessel to enter or leave such ports without a pilot. Fishing and other small vessels having a draught of over eight feet, are to assemble at the Pilotage

stations, and will be conducted into and out of port in groups.

- (1) FIRTH OF FORTH.—All incoming vessels are only permitted to enter the Firth of Forth during daylight hours; they are to pass between the Isle of May and Anstruther Wester, thence they must steer a direct course for Kinghorn Ness. On approaching Inchkeith, the Pilot vessel in the North channel is to be closed, and a pilot embarked.

Vessels are warned that they should on no account pass to the southward of a line joining the north point of the Isle of May and Kinghorn Ness, until in the longitude of 3° W., when course may be shaped for the centre of North channel.

Outward bound vessels should steer to pass the longitude of 3° W. in latitude 56° 06' 30" N., then shape course to pass between Anstruther Wester and the Isle of May.

The above orders apply to vessels proceeding to any port in the Firth of Forth, whether to the eastward of Inchkeith or not.

- (2) MORAY FIRTH.—All vessels bound to Cromarty or Inverness must call for a pilot at Wick or Burghead.

Outgoing vessels are to discharge their pilots at one or the other of these places.

It is dangerous for any vessel to be under way to the southwestward of a line joining Findhorn and Tarbetness without a pilot.

- (3) SCAPA FLOW. All entrances are dangerous.

Examination services have been established in the entrances to Hoxa and Hoy sounds: vessels wishing to enter must communicate with the Examination vessel and follow the instructions received from her very carefully.

The only vessels permitted to enter Hoy sound from the westward are those bound for Stromness: vessels cannot enter Scapa Flow from Stromness.

NORTH SEA.

(123) CAUTION WITH REGARD TO MINED AREAS.

Caution.—Mariners are again warned that a system of mine-fields has been established by H. M. Government upon a considerable scale.

All vessels are strongly advised to obtain a London Trinity House pilot when navigating between Great Yarmouth and the English channel.

It is dangerous for ships to cross the area between the parallels of 51° 15' and 51° 40' North latitude and the meridians of 1° 35' and 3° 00' East longitude.

The Southern limit of the area in the North sea which has been rendered dangerous by the enemy's mines is now, so far as is known at present, the parallel of 51° 54' North latitude.

Remarks.—Although these limits are assigned to the danger areas, it must not be supposed that navigation is necessarily safe in any part of the southern waters of the North sea.

NOTICE TO MARINERS.

No. 37 of 1915.

(Atlantic No. 21.)

All bearings unless otherwise noted, are true and are given from seaward in degrees from 3° (North) to 360°, measured clockwise, followed by the magnetic bearing in degrees in brackets, miles are nautical miles, heights are above high water of ordinary spring tides, and all depths are at low water of ordinary spring tides.

NOVA SCOTIA.

(127) SOUTH COAST—PORT OF HALIFAX—PUBLIC TRAFFIC REGULATIONS.

These regulations are issued for the guidance of Masters of vessels entering the port, and must be obeyed or their ships will be treated as hostile. They will remain in force until amended or cancelled by a Notice to Mariners.

Section I.—Entrance to the Port.

1. Shipowners and shipping agents are advised that as a general rule they should time the arrival of their vessels for daylight, in order to avoid delay in admitting them to the port.

They should communicate the time of all expected arrivals to the Chief Examining Officer. Early intimation of the proposed departure of vessels should likewise be given to the Collector of Customs. It should be noted that neglect to forward this information is liable to cause serious delay and inconvenience to vessels.

2. The Eastern Passage is closed to all traffic. Masters of vessels attempting to enter thereby, render themselves liable to be fired upon without warning.

3. All vessels (other than H. M. ships of war) wishing to enter the port are required to communicate with the examination steamer situated in the vicinity of the Examination Anchorage.

4. Incoming merchant vessels will be admitted to the Examination Anchorage at all times of the day or night irrespective of whether the port is opened or closed but when the port is closed no merchant vessels will be permitted to proceed beyond the Examination Anchorage. Masters of all vessels are particularly warned that in foggy weather they must approach the Examination Anchorage at moderate speed or they are liable to be fired upon.

5. To enter the port at night, ships must have ready four efficient all round lamps, two red and two white, to be used as directed by the Examining Officer.

6. Masters of all vessels approaching the Port must obey the directions of the Examining Officer on board the Examination Steamer, or they will be fired upon by the examination battery.

7. Usual signals made by vessels arriving either with flags, guns, bomb rockets, lights, etc., are not to be made.

8. Masters of vessels are specially warned that it may become necessary in the event of an attack on the Port being imminent, to remove buoys or extinguish lights without notice. Vessels should, consequently, be navigated with extreme caution when approaching the Port.

9. The Examination Steamer may always be distinguished by the following special marks:—

(a) *Port Open*: The Examination Steamer will hoist the following distinguishing marks when the port is open for merchant traffic:—

By Day: She will fly a Blue Ensign (Canadian). At the foremast head she will fly the special pilot flag, which is a red and white horizontal stripe surrounded by a blue border.

By Night: She will hoist three white lights vertically six feet apart, conspicuously displayed at the end of a yard. These lights will be carried in addition to the ordinary navigation lights.

(b) *Port Closed*: At times when it is necessary to close the port to all merchant traffic, the Examination Steamer will hoist distinguishing marks as follows:—

By Day: She will fly the Blue Ensign (Canadian). At the foremast head she will fly the special pilot flag (see above), and in addition three red balls.

By Night: She will hoist three red lights vertically, six feet apart, conspicuously displayed at the end of a yard. These lights will be carried in addition to the ordinary navigation lights.

In addition when the Port is closed there will be hoisted at Camperdown Signal Station:—

By Day: Three red balls.

By Night: Three red lights.

10. The Examination Anchorage for the Port of Halifax is situated in an area to the southward of Mauger Beach, bounded on the west by the line of George's Island just open west of Mauger Beech Light-house, and on the south by a line drawn 250° (West magnetic) from the south extreme of Little Thrum Cap. In bad weather small craft may, after obtaining permission from the Examining Officer, use McNab's Cove as the Examination Anchorage.

11. When at anchor in the Examination Anchorage it is forbidden to lower any boats or to communicate with the shore, or to work cables or to move the ship, or for any one to leave the ship without permission from the Examining Officer.

12. The use of wireless telegraphy is absolutely prohibited both in the Examination Anchorage, and in the Port.

13. No vessel will be permitted to leave the Examination Anchorage, either inwards or outwards, once she has anchored there, until she has received permission from the Examining Officer.

14. No small craft such as fishing vessels, private yachts, etc., will be admitted to the Port during "Official Night," unless they have the lights mentioned in Article 5, and are capable of hoisting them so that they are clearly visible from all round. In the case of a sailing craft there must also be enough of a fair wind to enable them to proceed up harbour at a reasonable speed.

Section II.—Pilotage Regulations.

15. All vessels must take a Pilot both entering or leaving the Harbour with the following exceptions:—

(a) Small vessels, by which is meant vessels not exceeding 50 tons, which are engaged in the coastal trade and are frequently visiting the Port of Halifax are not compelled to take Pilots either coming in or going out.

(b) Vessels of more than 50 tons and less than 120 tons, which are regular traders with Halifax, may, if they do not wish to take a pilot on entering the Harbour, adopt the following procedure:—On arriving off the Port they are to communicate with the Pilot Vessel where they will be informed of any alteration to the Channel or additional precautions to be observed in entering. After receiving this information they may proceed up Harbour without a Pilot.

(c) Sea-going vessels which are constantly using the Port, and whose Captains have been in the habit of taking their ships in and out of the Harbour without Pilots, need not take a Pilot when leaving the Port.

Section III.—Movements Within the Port.

16. The ordinary regulations of the Port must be strictly adhered to, except as affected by the Public Traffic Regulations.

17. The Chief Examining Officer of Shipping has authority over the movements of all vessels in the Port and its vicinity.

Disobedience to his orders on the part of Masters of Ships will render their vessels liable at once to be treated as hostile. The office of the Chief Examining Officer is situated at the Royal Naval College in H. M. C. Dockyard.

18. No vessel may change her berth without the permission of the Harbour Master.

19. All persons are warned not to approach Government Vessels, the Dry Dock, or H. M. Canadian Dockyard, without good cause, as they render themselves liable to be fired upon in the event of their movements appearing in any way suspicious.

20. The usual Navigation Lights are to be shown by all vessels in the vicinity of the Port at night. Ships

lying at anchor are to show the customary lights. Ships without lights will be immediately treated as hostile.

Section IV.—Vessels leaving Port.

21. No vessel may leave the Port without the permission of the Detaining Officer (i. e., the Collector of Customs) in writing. When a Merchant Vessel desires to leave the Port, the Master, or Shipping Agent will inform the Detaining Officer, who will decide whether the ship may depart or not. No Merchant Vessel will be permitted to leave the Port when the Port is closed.

22. No vessel will be allowed to leave the Port under sail during "Official Night." If it is necessary for them to leave during these hours, they must either be towed as far as the Lighthouse Bank Buoy, or anchor over night in the Examination Anchorage from whence they can proceed to sea at any hour with the permission of the Examining Officer.

23. Vessels under Steam or Power may leave during the night under the following conditions:—

(a) They must carry the Masthead and Side Lights of a Steamer of such a character as to be visible the distances laid down by Article 2 of the Regulations for preventing Collisions at Sea.

(b) They must follow a Mid Channel Course down the Harbour from George's Island until they are to the southward of Lighthouse Bank Buoy, at a speed of not less than five knots.

II. The following Orders as to Compulsory Pilotage between the Downs and Great Yarmouth made under the Defence of the Realm (Consolidation) Regulations, 1914, will come into operation at 6 a.m. on the 10th March, 1915.

1. All ships (other than British ships of less than 500 tons gross tonnage, when trading coastwise and not carrying passengers) whilst bound from, and whilst navigating in the waters from the Downs Pilot Station to Gravesend or *vice versa* must be conducted by pilots licensed by the London Trinity House.

2. All ships (other than British ships of less than 500 tons gross tonnage, when trading coastwise and not carrying passengers) whilst bound from, and whilst navigating in the waters from the Downs Pilot Station to Great Yarmouth or *vice versa*, must be conducted by pilots licensed by the London Trinity House.

3. 4. All ships (other than British ships of less than 3,500 tons gross tonnage, when trading coastwise and when not carrying passengers) whilst navigating in the waters from Gravesend to London Bridge or *vice versa*, must be conducted by pilots licensed by the London Trinity House.

5. The Trinity House Pilot Station at Dungeness having been discontinued, pilotage is therefore not compulsory between the Downs Pilot Station and Dungeness, except for ships bound into or out of the Harbours of Dover or Folkestone.

III. By 6 a.m. on the 10th March, 1915, Trinity House Pilot Stations will be established at the under-mentioned places, and merchant vessels not under compulsion of pilotage are very strongly advised to take pilots:—

(a) THE DOWNS where ships proceeding north can obtain pilots capable of piloting as far as Great Yarmouth; and also pilots for the River Thames, and for Folkestone and Dover harbours. The pilot steamers attached to the Downs Station will cruise in the vicinity of a position two miles southeast of Deal Pier.

The Pilot Steamer attached to the Great Yarmouth Station will cruise between the Corton Light vessel and the South Scroby Buoy.

No vessels are to remain under way in the above mentioned channels inside the Sunk Head Light-

buoy, or within a line joining the positions of the South Long Sand and East Shingles buoys, between the hours of 10 p.m. and 4 a.m.

Vessels at anchor within these limits must not exhibit any lights between the hours of 10 p.m. and 4 a.m.

(131) EAST COAST—RIVER HUMBER—PILOTAGE.

Mariners are hereby warned that, under the Defence of the Realm (Consolidation) Regulations, 1914, the following instructions respecting pilotage of the River Humber, are now in force:—

Until further notice, the Outer Pilot Station of the Humber Pilotage District will be in the neighbourhood of the Bull Light-vessel.

All vessels proceeding into or out of the Humber must be navigated by way of Hawke and Sunk roads, passing to the northward of the Bull Light-vessel.

All vessels, irrespective of draught, size and nationality, bound to or from any place above Grimsby must be conducted by licensed Pilots over the whole or any part of the waters between Hull and the Outer Pilot Station.

In the cases of British vessels employed in the Coasting Trade of the United Kingdom, of British fishing vessels, and of British vessels of less than six feet draught of water, if bound between Grimsby and the sea, pilotage by licensed pilots will not be insisted upon.

During the hours of official night, and during fog, no vessel should enter or remain within a radius of 5 miles from the Spurn Light-vessel.

A vessel should not approach the Humber unless there is sufficient time available to enable such vessel to obtain a pilot, if one is necessary, and to proceed to her destination or to a position in which she is permitted to anchor, before the commencement of official night.

No vessel should anchor whilst awaiting a pilot.
